### About RocketBoots

RocketBoots superpowers in-person service by transforming video into performance improvement using a unique blend of AI and cloud computing.

We enable some of the world's largest retailers & banks to run their stores & branches with less OpEx & loss while improving service, sales & loyalty.

RB in store AI software is used to measure how store/branch visitors & staff spend time & detect theft as it happens at checkout. These digital-caliber KPIs then power improved schedules that improve customer service, staff productivity & improve sales.

RocketBoots core software product offerings are:

#### Adaptive Loss Prevention

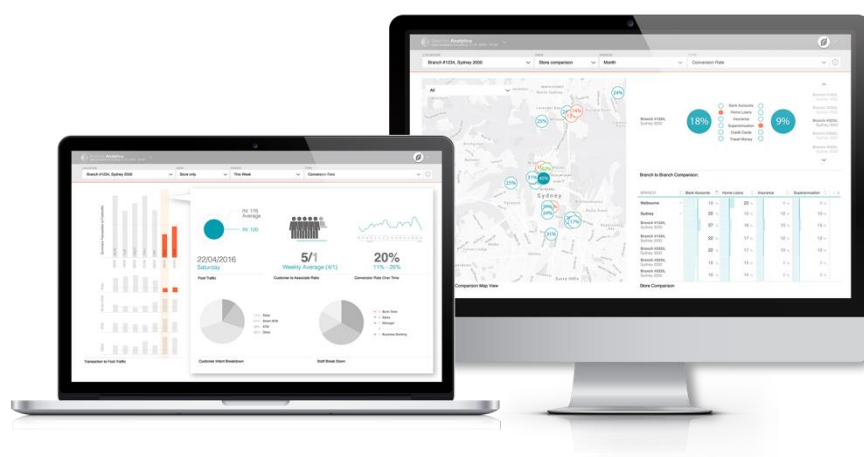

Prevent loss at self-checkout & Registers without adding needless friction.

#### Time-use Checkout Management

In-person checkout optimisation for loyalty-focused retailer

#### Branch Value Optimisation

Face-to-face branch management for a digital-first world
