## REGION 6 SYDNEY BUS SERVICES CONTRACT UPDATE

As advised on 22 March 2025, Kelsian Group Limited (ASX:KLS) (“Kelsian”) has been engaged in discussions with Transport for New South Wales (“TfNSW”) regarding a possible two-year extension to the R6BSP contract for the provision of public bus services in the inner west of Sydney, known as Region 6, from 1 July 2026.

TfNSW has today advised it is seeking NSW Government approval to proceed with the two-year extension with Transit Systems West Pty Ltd<sup>1</sup> (“Transit Systems West”), and therefore TfNSW does not envisage releasing a tendering opportunity for the Region 6 services at this time.

Contract negotiations between the parties remain ongoing and if successful, the two-year extension would retain Transit Systems West as operator of public bus services in Region 6, on new terms, for a further two years from 30 June 2026 when the current contract expires<sup>2</sup>.
