### Entitlement Offer Details

Under the Entitlement Offer, eligible shareholders will have the opportunity to subscribe for 77 Loyalty Options for every 100 shares held at the record date, at an issue price of \$0.015 per Loyalty Option, as detailed in the announcement on 13 June 2025 (see <https://investors.inviongroup.com/announcements/7003945>).

Eligible shareholders include persons who are an Invion shareholder as at 7:00 pm (AEST) on Thursday, 26 June 2025 and:

- has a registered address on the Invion share register in Australia, New Zealand or Hong Kong;
- is not in the United States of America and is not a person (including nominee or custodian) acting for the account or benefit of a person in the United States of America; and
- is eligible under all applicable securities laws to receive an offer under the Entitlement Offer without any requirement for a prospectus to be lodged or registered (other than in Australia).

Each Loyalty Option will:

- have an exercise price of \$0.14;
- convert into one fully paid ordinary share upon exercise; and
- expire on 30 June 2027.

The Company will apply for the Loyalty Options to be quoted on ASX.

As an added incentive, for every two Loyalty Options exercised on or before 31 December 2025, shareholders will receive one Piggy-Back Option for nil cost. Each Piggy-Back Option will:

- have an exercise price of \$0.21;
- convert into one fully paid ordinary share upon exercise;
- expire on 30 June 2027.

Piggy-Back Options will not be quoted on the ASX.

## ASX ANNOUNCEMENT

It is anticipated that Invion will raise up to approximately \$1 million (before costs) under the initial Offer of Loyalty Options (excluding funds raised from the exercise of options). Invion would raise up to an additional circa \$16 million (before costs) if all Loyalty Options and Piggy-Back Options are taken up and exercised.

The proceeds are intended to support Invion's ongoing Phase I/II non-melanoma skin cancer (**NMSC**) trial, the upcoming anogenital cancer trial, in collaboration with Peter MacCullum Cancer Centre (**Peter Mac**), capital management and general working capital and costs of the offer.

The Entitlement Offer is non-renounceable and entitlements will not be tradeable on the ASX or otherwise transferrable. Eligible shareholders who do not take up their entitlements will not receive any payment or value in respect of the entitlements not taken up. Ineligible shareholders will not be able to participate and will not receive any payment or value for entitlements they would have otherwise received had they been eligible.

A copy of the Prospectus has been lodged with the Australian Securities and Investments Commission today. Eligible shareholders will receive a copy of the Prospectus and instructions on how to participate in the Entitlement Offer in the mail or electronically (depending on their communication preferences). If you are an eligible shareholder, the number of Loyalty Options that you are entitled to subscribe for will be set out in a personalised Entitlement and Acceptance form that will accompany the Prospectus.

The Prospectus and Entitlement and Acceptance Form can be accessed by eligible shareholders at [www.investorserve.com.au](http://www.investorserve.com.au). Eligible shareholders are encouraged to read the Prospectus in full and to monitor Company announcements before deciding on whether to participate in the Entitlement Offer.

This announcement was approved for release by the Board of Directors.

### About Invion

Invion is a life-science company that is leading the global research and development of the Photosoft™ technology for the treatment of a range of cancers, atherosclerosis and infectious diseases. Invion holds the exclusive Australia and New Zealand license rights and exclusive distribution rights to Hong Kong and the rest of Asia Pacific, excluding China, Macau, Taiwan and Japan, to the Photosoft technology for all cancer indications. It also holds the exclusive rights to the technology in Asia and Oceania, excluding China, Hong Kong, Taiwan, Macau, the Middle East and Russia for atherosclerosis and infectious diseases, and subsequently acquired the rights to the United States, Canada and Hong Kong for infectious diseases.

## **ASX ANNOUNCEMENT**

Research and clinical cancer trials are funded by the technology licensor, RMW Cho Group Limited. Invion is listed on the ASX (ASX: IVX).

### **About Photodynamic Therapy (PDT)**

Invion is developing Photosoft™ technology as a novel next generation Photodynamic Therapy (PDT). PDT uses non-toxic photosensitisers and light to selectively kill cancer cells and promote an anti-cancer immune response. Less invasive than surgery and with minimal side effects, PDT offers an alternative treatment option aimed at achieving complete tumour regression and long-lasting remission. PDT has also demonstrated broad-spectrum activity across multiple infectious diseases, including bacteria, fungi and viruses. Photosoft has the potential to address the global challenge of antibiotic-resistant "superbugs".
