Chair letter

Dear Securityholder

Proposal to Redomicile the Astron Group holding company from Hong Kong to Australia

Astron has called a general meeting to consider and vote on the Redomicile of the Astron Group from Hong Kong to Australia (**Court Meeting**). The Court Meeting will be held on 30 July 2025 at 10:00am (HKT) / 12:00pm (AEST) at The Executive Centre, Level 15, AIA Central, No. 1 Connaught Road Central, Hong Kong. A Notice of Court Meeting, including a CDI Voting Instruction Form for CDI Holders and a Proxy Form for Shareholders, accompanies this Scheme Document.

I encourage all Securityholders to read this Scheme Document and to vote, or if a CDI Holder instruct CHES Depositary Nominees (**CDN**) to vote, in favour of the Redomicile at the Court Meeting.

The present Hong Kong domicile of Astron Corporation Limited (**Company**) was established in 2012 on the basis that, at that time, the Astron Group was primarily engaged in mineral sands trading activities with a focus on Chinese markets, which is no longer the Group's main business activity. Astron Group's principal assets and business activities relate to the development of the Donald and Jackson Rare Earths and Mineral Sands Projects, in regional Victoria, as a long-life source of critical minerals supply globally. Furthermore, ownership of the Astron Group is concentrated in Australia and New Zealand and it is fitting that the Company's domicile better reflects the make-up of the Company's ownership.

The advantages and disadvantages to Astron Corporation Limited Securityholders in changing the domicile of the holding company of the Astron Group from Hong Kong to Australia, are set out in Section 1.3 of this Scheme Document.

The Company's Directors believe that the Redomicile is logical and beneficial to the Company and its Securityholders for the following reasons:

- The Company, its Board and its management identify Astron Corporation Limited as an Australian company and believe that all barriers to shareholders, regulators, members of the communities in which the Company operates, and other stakeholders identifying Astron as an Australian company should be reduced. This includes changing the Hong Kong registration of the Astron Group holding company to an Australian registration.
- Shares in the Company are traded on the ASX in the form of CHES Depositary Interests (**CDIs**). CDI Holders are unable to vote directly at shareholder meetings of the Company and, instead, must instruct CDN to vote on their behalf. The Redomicile will enable Astron Group Securityholders to vote directly at shareholder meetings and removes unnecessary voting complexity.
- The Australian listing and the quotation of shares in place of CDIs, will bring the shareholding structure of the parent entity into line with most other Australian listed resources companies. This change is expected to enhance the investment status of the Astron Group and the investment market's confidence in all aspects of its governance and reporting protocols.
- Whilst the Company, being a Hong Kong registered company, complies with the requirements of the Hong Kong Companies Ordinance, as a matter of good governance, the Company has also complied, to the greatest extent possible, with the Australian Corporations Act 2001 (Cth). It is anticipated that the Redomicile will streamline Astron Group's compliance and governance arrangements.
- It is anticipated that the Redomicile will reduce some legal, administrative, and regulatory requirements and costs associated with the Group's current domicile, for example as they relate to the purchase of land and other assets which are currently subject to Foreign Investment Review Board (**FIRB**) approval.
- The Directors are of the view that an Australian registered and listed company will be better placed to attract quality employees and address the interests of the communities in which it operates.
- The Redomicile is expected to enhance the Group's ability to attract capital from Australian retail and institutional investors.

Australian CGT roll-over relief should be available to Scheme CDI Holders and Scheme Shareholders under Subdivision 124-M of the ITAA 1997 in relation to any capital gain or loss that may otherwise arise in respect of the Scheme. This relief is expected to be confirmed by ATO Class Ruling.

The arrangements for the proposed Redomicile are set out in detail in this Scheme Document. In summary, they involve:

- Implementation of the Redomicile by way of a scheme of arrangement will involve a new company, Aus NewCo, becoming the parent company of the Astron Group and Astron Corporation Limited Shares and CDIs will be replaced with shares in Aus NewCo in the ratio of two new shares in Aus NewCo for every CDI or directly held Share in Astron Corporation Limited (**Proposed Transaction**).
- On completion of the Redomicile, the present interests of all Securityholders of the Company will be materially the same in Aus NewCo.
- A Hong Kong Court hearing was held on 27 June 2025 to approve this Scheme Document and to call an Extraordinary General Meeting of the Company (**Court Meeting**) at which the Company's Shareholders will be able to vote by attending the Court Meeting in person, virtually, and via proxy, and the Company's CDI Holders will be able to vote by completing the accompanying CDI Voting Instruction Form to instruct CDN to vote at the Court Meeting.
- The Court Meeting is presently scheduled to be held on 30 July 2025.
- Following the Court Meeting, and provided that Securityholders have approved the Redomicile, a second Hong Kong Court hearing will be held at which the Company will seek court approval to implement the Scheme.
- The Company's CDI Holders will be able to trade on the ASX without interruption during the Redomicile process (initially in the form of CDIs in Astron Corporation Limited and, from 21 August 2025, currently expected to be the Trading Day after the Effective Date, in the form of Aus NewCo Shares on a 2:1 basis).
- It is expected that, if implemented, the Scheme will be complete by 29 August 2025 and the shares in Aus NewCo will be quoted on the ASX on the following Trading Day and will commence trading on a normal (T+2) settlement basis.

Your Directors unanimously recommend approval of the Redomicile by Securityholders and I strongly encourage you to vote in favour of the Redomicile.

I look forward to your continuing support.

Yours faithfully

George Lloyd

Chair

Notice to Ineligible Overseas Securityholders

As an investigation of, and compliance with, the potential securities law restrictions in every country in which the Company has Shareholders and CDI Holders would be prohibitively costly, Shareholders and CDI Holders whose addresses are recorded in the Register of Members or the CDI Register outside Australia, Austria, Canada, the People's Republic of China, Hong Kong, New Zealand, Seychelles, and United States will not receive Aus NewCo Shares under the Scheme unless (without being obliged to conduct any investigations into the matter) the Company is satisfied that Aus NewCo Shares can lawfully be issued to such persons pursuant to the Scheme.

Instead, Aus NewCo Shares that would otherwise have been issued to Ineligible Overseas Securityholders will be sold and the net proceeds paid to the Ineligible Overseas Securityholders in the manner set out in Section 1.5 of this Scheme Document.

No offer in jurisdictions where not permitted

This Scheme Document does not constitute an offer to issue or sell to you, or an offer to buy from you, any securities in the Company or Aus NewCo in any jurisdiction in which such an offer would be illegal.

EXPLANATORY STATEMENT

This Explanatory Statement constitutes the statement required under section 671 of the Companies Ordinance (Chapter 622 of the Laws of Hong Kong).

1. THE PROPOSED TRANSACTION

1.1 Overview

The Company has announced to the ASX that it proposes to Redomicile the Astron Group from Hong Kong to Australia.

The purpose of this Explanatory Statement is to explain the terms and effects of the Scheme and to provide Shareholders and CDI Holders with other relevant information in relation to the Scheme, including: the key steps and dates leading to the implementation of the Scheme; the requirements of Shareholder and CDI Holder approval; the Hong Kong Court process involved; and the material interests of the Directors, members and creditors of the Company.

The Company is incorporated in Hong Kong with limited liability. The Directors propose that the Astron Group be Redomiciled to Australia by way of a scheme of arrangement under the Companies Ordinance (Chapter 622 of the Laws of Hong Kong).

Pursuant to the Scheme, all Shares of the Company (including those held by CHESS Depositary Nominees Pty Ltd (**CDN**) on behalf of the CDI Holders) already on issue will be transferred to Aus NewCo, in consideration of which the Scheme Shareholders (other than CDN) and the Scheme CDI Holders as at the Scheme Record Date will receive two Aus NewCo Shares for each Scheme Share being transferred. The Proposed Transaction will, if implemented, result in Aus NewCo (a new company incorporated in Australia) becoming the ultimate parent company of the Astron Group and the immediate holding company of the Company. All Scheme Shareholders (other than Excluded Securityholders) and Scheme CDI Holders will own ordinary shares in Aus NewCo following implementation of the Proposed Transaction. CDIs of the Company will cease to be traded on the ASX and Aus NewCo will list on the ASX as the Company's successor listing entity.

The Directors believe that the Scheme is logical and beneficial to Securityholders for a number of reasons including aligning the Group's domicile with its primary business activity, increasing the investment status and the investment market's confidence in the Group, clarifying the Group's residency and corporate governance for all stakeholders, and reducing unnecessary legal, administrative and regulatory requirements.

1.2 The Scheme

The Scheme is to be implemented by way of a scheme of arrangement under section 673 of the Companies Ordinance.

The Company has sought, and the Securities and Futures Commission of Hong Kong (**SFC**) has issued, a confirmation that the Company is not subject to the Hong Kong Code on Takeovers and Mergers issued by the SFC (**Hong Kong Takeovers Code**), on the basis that the Company is not a "public company in Hong Kong" for the purposes of the Hong Kong Takeovers Code. As such, the Proposed Transaction and the Scheme are not subject to the requirements of the Hong Kong Takeovers Code.

Under the Scheme, the Scheme Shareholders and Scheme CDI Holders (as the case may be, other than Excluded Securityholders) will receive two Aus NewCo Shares for every Share or CDI held as at the Scheme Record Date.

Aus NewCo, as a company incorporated in Australia, will succeed the ASX listing status in place of the Company. Therefore, the CDI structure will no longer be necessary for clearing and settlement purposes on the ASX. Upon implementation of the Scheme and subject to ASX approval, holders will be able to trade Aus NewCo Shares on the ASX.

For CDI Holders, as they are generally the beneficial owners of the Shares held in CDI form, the new ordinary shares of Aus NewCo will be issued to them directly, instead of to CDN which currently holds the Shares of the Company on their behalf as a nominee. If the Scheme is sanctioned by the Hong Kong Court and becomes Effective, on the Effective Date, the Register of Members of the Company and the CDI Register will be closed.

The entitlements under the Scheme will be determined on the Scheme Record Date, being two Trading Days after the Effective Date. The Australian Share Registry has properly maintained the CDI Register which will reflect the ownership of CDIs at the Scheme Record Date.

In accordance with the requirements of the ASX Settlement Operating Rules, the Company is required to establish a principal register that properly records the interest of CDN in Shares and a CDI register that contains all of the information that would otherwise be required to be kept under the Corporations Act if the Company were an Australian listed public company and the CDI Register were a register of members of that company. The ASX Settlement Operating Rules also require the Company to ensure that the total number of CDIs on the CDI Register reconciles to the total number of Shares registered in the name of CDN on the principal register.

As at the Last Practicable Date, the issued share capital and securities convertible into Shares of the Company were held as follows:

- (a) 209,175,747 ordinary shares, representing 99.9986% of the Company's issued share capital as at the Last Practicable Date, are held by CDN and CDN has correspondingly issued 209,175,747 CDIs, which are traded on ASX, to the CDI Holders on a one-for-one basis;
- (b) 3,007 ordinary shares are held directly by six other Shareholders and are not currently quoted or able to be traded on ASX;
- (c) 6,738,000 Performance Rights Plan (**PRP**) performance rights;
- (d) 2,000,000 Employee Share Option Plan (**ESOP**) options, comprising:
 - (i) 800,000 options expiring 22 November 2025 with an exercise price of \$0.7725;
 - (ii) 600,000 options expiring 1 October 2025 with an exercise price of \$0.9000;
 - (iii) 600,000 options expiring 6 January 2028 with an exercise price of \$0.9000; and
- (e) 600,000 broker options expiring 18 October 2025 with an exercise price of \$0.8100.

All Shareholders whose names appear on the Register of Members as at the Voting Record Date for the Court Meeting will be entitled to vote on the Scheme at the Court Meeting. Each CDI Holder whose name appears on the CDI Register on the Voting Record Date for the Court Meeting will be entitled to receive a CDI Voting Instruction Form (see Annexure E) to indicate the holder's voting preference in respect of the Scheme and direct CDN how to vote at the Court Meeting. The PRP performance rights, ESOP options and broker options holders have no voting entitlements and these unquoted securities will be cancelled and replaced with options and performance rights over Aus NewCo Shares, the details of which have been set out at Section 1.4.8. Other than the Ineligible Overseas Securityholders referred to at Section 1.5 and CDN, subject to the Scheme being approved by the Shareholders (including the underlying CDI Holders voting through CDN) at the Court Meeting and being sanctioned by the Hong Kong Court, all Scheme Shareholders and Scheme CDI Holders are eligible to be offered and receive two Aus NewCo Shares for each Scheme Share or Scheme CDI held.

1.2.1 Steps for implementing the Scheme

Prior to the implementation of the Scheme, Aus NewCo was incorporated in Australia on 28 March 2025 with two Incorporation Shares issued to two employees of the Company who do not hold any Shares or CDIs.

The Redomicile is expected to be implemented through the Scheme, which entails the following key steps:

- Shareholders directly holding ordinary Shares and CDI Holders (as the case may be, other than Excluded Securityholders), as at the Scheme Record Date will receive two Aus NewCo Shares for each Scheme Share or Scheme CDI held. The two initial Aus NewCo Incorporation Shares will be simultaneously cancelled; and
- immediately following the issuance of Aus NewCo Shares, all Scheme Shares (including those held by CDN on behalf of the CDI Holders and by the Sales Agent on behalf of the Ineligible Overseas Securityholders) on issue as at the Scheme Record Date will be transferred to Aus NewCo. CDIs of the Company will be subsequently cancelled.

As a result, Aus NewCo will become the ultimate parent company of the Astron Group and the immediate holding company of the Company. The Scheme Shareholders and Scheme CDI Holders (as the case may be, other than Excluded Securityholders) will own all shares in Aus NewCo following implementation of the Scheme.

The transfer of Scheme Shares shall be effected by means of instrument(s) of transfer or such other form(s), instrument(s), instruction(s) or document(s) of transfer as may be required. To give effect to such transfers, in accordance with the Scheme (see Annexure A), with effect from the Effective Date and until the completion of

the transfers of Scheme Shares contemplated under the Scheme, each Scheme Shareholder shall be deemed to irrevocably authorise the Company to appoint any Director(s) as attorney and/or agent and/or otherwise, and any such Director as attorney and/or agent and/or otherwise shall be authorised on behalf of the relevant Scheme Shareholder to execute and deliver as transferor any such transfer document(s) of such Scheme Shares and every transfer document so executed shall be as effective as if it had been executed by the Scheme Shareholder thereby transferred.

The Scheme will constitute a "takeover offer" under section 674(5)(a) of the Companies Ordinance, as it will involve an offer to acquire all Scheme Shares comprising the entire share capital of the Company and the terms of the offer are the same in relation to all Scheme Shares. Therefore, the Scheme must be approved by the Shareholders (including CDI Holders voting through CDN) of the Company at the Court Meeting and subsequently be sanctioned by the Hong Kong Court in accordance with sections 673(2) and 675(2) of the Companies Ordinance. Details of the voting majorities required are set out in Section 1.11.

1.2.2 Conditions of the Scheme

The Scheme will become Effective and binding on the Company and all Scheme Shareholders and Scheme CDI Holders upon the fulfilment (or, where relevant, waiver) of the following conditions precedent:

- (a) the Scheme being approved by the Shareholders (including the CDI Holders voting through CDN) representing at least 75% of the voting rights of the Shareholders present and voting, in person or by proxy, at the Court Meeting by way of poll, with votes cast against the Scheme at the Court Meeting not exceeding 10% of the total voting rights attached to all Disinterested Shares (as defined in Division 2 of Part 13 of the Companies Ordinance);
- (b) the Scheme, with or without modification, being sanctioned by the Hong Kong Court, and an office copy of the Court order that complies with subsection (6) of section 673 of the Companies Ordinance being registered by the Hong Kong Companies Registrar;
- (c) the approvals or confirmations (as applicable) in Australia in respect of the following matters having been obtained:
 - (i) in-principle waivers from the ASX that allow Aus NewCo to be treated as a successor entity of the Company for the purposes of the ASX Listing Rules; and
 - (ii) any requirements which CDN reasonably requires with respect to the CDIs are able to be satisfied without being likely to adversely impact the Scheme;
- (d) there being no provision of any material agreement, arrangement, licence, permit or other instrument to which any member of the Group is a party or by or to which any asset of such member of the Group is subject, which as a consequence of the Scheme would result in such agreement, arrangement, licence, permit or other instrument being terminated, revoked or modified and thereby imposing a material adverse effect on the business or operations of the Group;
- (e) all applicable filings, notices and waivers required in connection with the Scheme and its implementation from or with any competent governmental or regulatory body being made; and
- (f) all other authorisations which may be required in connection with the Scheme under any existing material contracts, including loan and other finance documentation.

The Company reserves the right to waive all or any of conditions (d) and (f) above in whole or in part. Conditions (a) to (c) and (e) cannot be waived.

1.2.3 Key milestones for implementation of the Scheme

The key milestones in respect of the implementation of the Scheme include:

- (a) Court Meeting (30 July 2025) – the date on which a meeting of the Shareholders convened by the direction of the Hong Kong Court pursuant to section 670(2)(b) of the Company Ordinance will be held for the Shareholders (including the CDI Holders voting through CDN) to consider and, if thought fit, approve the Scheme;
- (b) Hong Kong Court hearing of the petition of the Scheme (19 August 2025) – subject to the results of the Court Meeting, the Hong Kong Court will convene a hearing of the petition for the Scheme and sanction the Scheme under section 673(2) of the Companies Ordinance, if thought fit;
- (c) Effective Date (20 August 2025) – (i) the date on which an office copy of the order of the Hong Kong Court sanctioning the Scheme is expected to be registered with the Registrar of Companies in Hong Kong pursuant to section 673(6) of the Companies Ordinance; (ii) the Company confirms to the ASX

that the Scheme has become effective (prior to 1:00pm AEST); and (iii) the last Trading Day of the CDIs of the Company on the ASX;

- (d) First Trading Day after the Effective Date (21 August 2025) – the Aus NewCo Shares to be issued on the Implementation Date will be quoted on the ASX on a deferred settlement basis. For the avoidance of doubt, the quoted shares of Aus NewCo have not, at the time of quotation, been issued. The two Aus NewCo Incorporation Shares on issue at the time of the commencement of deferred settlement will not be quoted on the ASX.
- (e) Scheme Record Date (22 August 2025) – the record date of the Scheme for determination of the entitlements of the Scheme Shareholders and Scheme CDI Holders (as the case may be, other than Excluded Securityholders) to receive Aus NewCo Shares pursuant to the Scheme; and
- (f) Implementation Date (29 August 2025) – the date on which the Scheme will be implemented, where Aus NewCo Shares will be issued to the Scheme Shareholders (other than CDN) and Scheme CDI Holders, in consideration of the Scheme Shares being transferred to Aus NewCo which will become the holding company of the Astron Group.

All the aforesaid dates are indicative only and, amongst other things, are subject to the Court approval process and ASX approval. An indicative timetable including each of the above events is set out on page 3-4 of this Scheme Document.

1.2.4 Trading in the Company's CDIs and Aus NewCo's Shares

If the Court approves the Scheme, the Company will notify the ASX of the Court approval on the date of that approval.

To ensure seamless trading of the CDIs of the Company and the Aus NewCo Shares, the Company's CDIs will trade up to the end of the Effective Date and trading of Aus NewCo Shares will commence on the ASX on a deferred settlement basis on the Trading Day after the Effective Date and until the Implementation Date. Aus NewCo Shares will be allotted on the Implementation Date, which is expected to be 29 August 2025 (being the fifth Trading Day after the Scheme Record Date to allow sufficient time for the Australian Share Registry to finalise the CDI Register and determine entitlements under the Scheme), and will commence trading on the ASX on a normal T+2 settlement basis on 1 September 2025, being the Trading Day following the Implementation Date.

Holding statements are expected to be despatched two business days after the Implementation Date. Should you wish to trade your Aus NewCo Shares before receiving your holding statements, you will do so at your own risk.

The Company will apply for termination of the official quotation of the CDIs on the ASX, which is expected to occur on the Implementation Date.

1.2.5 Share certificates

Share certificates will not be issued in respect of the Aus NewCo Shares issued pursuant to the Scheme. Following the Implementation Date, holders of Aus NewCo Shares will be sent a statement that sets out the number of Aus NewCo Shares that have been issued to them. This statement will also provide details of a Shareholder's Holder Identification Number for CHESS holders or, where applicable, the Security Holder Reference Number of issuer sponsored holders. Aus NewCo Shareholders will subsequently receive statements showing any changes to their holding of Aus NewCo Shares.

1.3 Important considerations for Securityholders in deciding whether to approve the Proposed Transaction

This Section sets out a number of potential advantages, disadvantages and risks associated with the Proposed Transaction, which Securityholders should consider when deciding whether to approve the Scheme. Securityholders should have regard to the entire Scheme Document when deciding whether to vote in favour of the Proposed Transaction.

1.3.1 Potential advantages of the Proposed Transaction

The Board believes that the Proposed Transaction is in the best interests of Securityholders and the Astron Group and believes that some of the key advantages that may result from the Proposed Transaction are:

- Aligning the corporate structure of the Group with its principal assets and business activities relating to the development of the Donald and Jackson Rare Earths and Mineral Sands Projects, in regional Victoria, as a long-life source of critical minerals supply globally.
- The Company, its board and its management identify the Company as being an Australian company and believe that the barriers to securityholders, regulators, members of the communities in which the company operates, and other stakeholders identifying the Company as an Australian company should be reduced. This includes changing the Hong Kong registration of the Group's holding company to an Australian registration.
- Shares in the Company are traded on the ASX in the form of CDIs. A consequence of this is that CDI Holders are unable to vote directly at meetings of the Company and, instead, must instruct CDN to vote on their behalf. The Redomicile would enable all securityholders to vote directly at meetings and removes unnecessary voting complexity.
- The Australian listing and the quotation of shares in place of CDIs, will bring the shareholding structure of the Group into line with most other Australian listed resources companies. This is expected to enhance the investment status of the Company and the investment market's confidence in all aspects of its governance and reporting protocols.
- The Company, being a Hong Kong registered company, complies with the requirements of the Hong Kong Companies Ordinance. As a matter of good governance, the Company also complies, to the greatest extent possible, with the Australian Corporations Act. It is anticipated that the Redomicile will streamline Astron Group's governance arrangements.
- It is anticipated that the Redomicile will reduce some legal, administrative, and regulatory requirements and costs associated with the Group's current domicile, including as they relate to the purchase of land and other assets which are currently subject to FIRB approval.
- The Directors are of the view that an Australian registered and listed company will be better placed to attract quality employees and address the interests of the communities in which it operates.
- The Redomicile is expected to enhance the Group's ability to attract capital from Australian retail and institutional investors.

1.3.2 Potential disadvantages of the Proposed Transaction

The Board also recognises and acknowledges that there are some potential disadvantages or risks of the Proposed Transaction which may include:

- decrease in the prominence of the Group and its current and future projects in China and South East Asia;
- costs of the Redomicile, which will be funded by the Company from the capital raising completed in October and December 2024;
- impact of the Victorian stamp duty regime on the Redomicile as a result of implementation of the Scheme, which will require the Company to remit stamp duty on properties that it currently owns and is in the process of purchasing;
- management time and effort required to prepare for and implement the Scheme in lieu of continuing activities related to the progress of the Donald Rare Earths and Mineral Sands Project towards operations; and
- to the extent the Scheme Securityholders would like to obtain CGT roll-over relief under Subdivision 124-M (of the ITAA 1996), an election and notification of the Scheme Shares / Scheme CDIs' cost base is required to be made. As a result of CGT roll-over relief under Subdivision 124-M of the ITAA 1997, the Australian tax consolidated group will not be maintained and will deconsolidate. The Australian tax consolidated group will re-form with Aus NewCo as the head company of the tax consolidated group. Additional costs are expected to be borne by the Company as a result of this change.

1.4 Effects of the Scheme

1.4.1 Binding effect on Shareholders

Notwithstanding the possibility of a dissenting minority, so long as the Scheme is approved at the Court Meeting in accordance with the requirements under section 674 of the Companies Ordinance (see Section 1.8), and is sanctioned by the Hong Kong court pursuant to section 673 of the Companies Ordinances, and with all conditions of the Scheme being either fulfilled or waived to the extent permissible, the Scheme will become binding on the Company and its Shareholders on the Effective Date.

1.4.2 Binding effect on CDI Holders

As stated in the preamble of this Scheme Document in the Section headed "Requirements of you for the Proposed Transaction", CDI Holders may instruct CDN, as the legal holder of the Shares underlying the CDIs, how CDN shall vote by way of completing the enclosed CDI Voting Instruction Form.

Regardless of whether the CDI Holders have given any voting instructions to CDN, if approved at the Court Meeting (see Section 1.8), the Scheme will operate to bind CDN as the legal holder of the Shares and in turn affect the rights of the CDI Holders. The ASX Settlement Operating Rules will operate to give effect to the Scheme such that the Scheme is binding on the CDI Holders when it becomes Effective. Once the Scheme has been implemented, the CDI arrangement will cease and each Scheme CDI Holder (other than Ineligible Overseas Securityholders) will receive two Aus NewCo Shares on the Implementation Date in consideration of the underlying Scheme Shares previously held by CDN being transferred to Aus NewCo.

1.4.3 Corporate Structure

If the Scheme becomes Effective, on the Implementation Date:

- Other than the Ineligible Overseas Securityholders and CDN (see Section 1.5), Scheme Shareholders or Scheme CDI Holders (as the case may be) as at the Scheme Record Date will receive two Aus NewCo Shares for each Scheme Share being transferred (including those indirectly held by the CDI Holders);
- two initial Aus NewCo Incorporation Shares will be simultaneously cancelled; and
- immediately following the issuance of Aus NewCo Shares, all Scheme Shares (including those held by CDN on behalf of the CDI Holders and by the Sales Agent on behalf of the Ineligible Overseas Securityholders) on issue as at the Scheme Record Date will be transferred to Aus NewCo without the need for any further input by Scheme Shareholders or Scheme CDI Holders.

As a result, Aus NewCo will become the ultimate parent company of the Astron Group and the immediate holding company of the Company. The Scheme Shareholders (other than CDN) and Scheme CDI Holders will own all shares in Aus NewCo following implementation of the Scheme.

1.4.4 Financial position

Implementation of the Proposed Transaction will not alter the business and the net assets/liabilities or financial position of the Astron Group, other than the payment of Hong Kong and Australian stamp duty in respect of the share transfers under the Scheme, and professional costs and expenses relating thereto.

1.4.5 Business and management

The business and management of the Astron Group will not be changed as a result of the Proposed Transaction. Immediately following the implementation of the Scheme, Aus NewCo will become the holding company of the Astron Group which will continue to carry on its business activities, namely the development of rare earths and mineral sands projects in Australia and the production of titanium and zircon related materials and products in Australia and the PRC.

1.4.6 Ownership and voting arrangement

On the Implementation Date of the Scheme, the Scheme Shareholders and Scheme CDI Holders (as the case may be, other than Excluded Securityholders) as at the Scheme Record Date will receive two Aus NewCo Shares for each Scheme Share ranking *pari passu*. The proportionate interests of the Scheme Shareholders and the Scheme CDI Holders (as the case may be, other than Excluded Securityholders) in Aus NewCo will be

the same as their proportionate interests in the Company immediately before the implementation of the Scheme. Upon implementation, the Scheme Shareholders and Scheme CDI Holders (other than Excluded Securityholders) will hold Aus NewCo Shares directly (without CDN as an intermediary in respect of Scheme CDI Holders) with all voting rights and economic interest pertaining thereto.

Under the current CDI structure, the ASX Settlement Operating Rules provide that:

- CDN holds ordinary shares on trust for the benefit of CDI Holders, and CDI Holders are able to trade the CDIs on ASX directly and enjoy all the economic benefits and interests of such shares held by CDN, with one CDI representing the beneficial ownership of one ordinary share;
- CDI Holders, although not the legal (registered) owners of the Company's shares, can direct CDN how to vote at the Company's general meetings; and
- CDI Holders may also request CDN to transfer the shares underlying their CDIs to them so as to enable them to qualify to attend and vote at general meetings of the Company.

Upon implementation of the Scheme, CDN will transfer all of the Shares it holds on behalf of CDI Holders to Aus NewCo, and the CDIs will be cancelled. The Scheme Shareholders and Scheme CDI Holders (as the case may be, other than Excluded Securityholders) will hold Aus NewCo Shares directly with all voting rights and economic benefits and interests pertaining thereto. Shareholders of Aus NewCo will be able to attend and vote directly at the general meetings of Aus NewCo (without first requiring CDN to transfer the shares to them or informing CDN of their voting instructions).

1.4.7 Directors and employees

The existing Directors of the Company will also be the directors of Aus NewCo. No agreements or arrangements under which the emoluments or terms of service of any of the Directors nor the terms of service of any employees of the Astron Group will be affected as a result of the Proposed Transaction.

1.4.8 Performance rights and options over Company Shares

As outlined in Section 3.3, the Company has issued 6,738,000 unquoted performance rights to Directors and key management personnel under the existing PRP, 2,000,000 unquoted options to Directors and key management personnel under the existing ESOP, and 600,000 unquoted broker options to Blue Ocean Equities nominee company L39 Pty Ltd, pursuant to the lead manager agreement dated 15 September 2022.

If the Scheme becomes Effective, on the Implementation Date:

- previously granted unquoted options and performance rights issued pursuant to the Company's ESOP and PRP respectively will be cancelled and replaced with unquoted options and performance rights over Aus NewCo Shares on terms that are materially the same as the terms of the Company's ESOP (noting that the number of performance rights and options will double and the exercise price will halve, based on the 2:1 share implementation ratio); and
- previously granted unquoted options issued to L39 Pty Ltd will be cancelled and replaced with unquoted options over Aus NewCo Shares on terms that are materially the same as the terms of the existing options (noting that the number of broker options will double and the exercise price will halve, based on the 2:1 share implementation ratio).

Refer to Section 4.4 for further information

1.5 Overseas Shareholders and CDI Holders

As at the Last Practicable Date, the Company had 819 Shareholders (other than CDN) and CDI Holders with registered addresses in Australia, New Zealand, the PRC, United States, Seychelles, Canada, Austria, and Hong Kong. The Company has made enquiries with legal advisers in those jurisdictions regarding the legal restrictions under the applicable laws of each of these jurisdictions regarding the offer of the Aus NewCo Shares to these Shareholders and CDI Holders as a result of the implementation of the Scheme and has decided to extend the offer of the Aus NewCo Shares to those jurisdictions.

If the address of any Shareholder or CDI Holder as registered in the Register of Members or CDI Register of the Company as at the Scheme Record Date is located in any other jurisdiction which is not referred to above and such Shareholder or CDI Holder should, in the view of the Company and Aus NewCo having made the relevant enquiries and having considered the circumstances, be excluded from receiving Aus NewCo Shares pursuant to the Scheme on the basis that the law of such jurisdiction precludes an offer of the Aus NewCo

Shares, or precludes it except after compliance by the Company and Aus NewCo with conditions which are unable to be complied with or which the Company and Aus NewCo regard as unduly onerous, such jurisdiction will be an Excluded Jurisdiction and the Company will make an announcement to inform Shareholders and CDI Holders.

Your attention is drawn to the notices to Securityholders set out in "Important Notices" in this Scheme Document. Shareholders and CDI Holders should consult their professional advisers if they are in any doubt as to the potential applicability of, or consequence under, any provision of law or regulation or judicial or regulatory decisions or interpretations in any jurisdictions, territory or locality therein or thereof and, in particular, whether there will be any restriction or prohibition on the acquisition, retention, disposal or otherwise with respect to the Shares, the CDIs or the Aus NewCo Shares, as the case may be. It is emphasised that none of the Company, Aus NewCo, any of their respective directors, officers, employees, agents, affiliates or advisers or any other person involved in the Scheme accept any responsibility in relation to the above.

Accordingly, Ineligible Overseas Securityholders will be given cash in lieu of Aus NewCo Shares in accordance with the arrangement below:

- After the Effective Date and before the Implementation Date, the Shares or CDIs held by Ineligible Overseas Securityholders will be transferred to the Sales Agent appointed by Aus NewCo.
- Such number of Aus NewCo Shares equivalent to the Shares or CDIs held by the Ineligible Overseas Securityholders will be issued to the Sales Agent on the Implementation Date.
- The Sales Agent will sell such Aus NewCo Shares on ASX as soon as reasonably practicable and in any event within 10 Trading Days.
- The Sales Agent will then distribute the net sale proceeds received to the Ineligible Overseas Securityholders after deduction of any taxes or other costs of sale (such amounts to be paid in Australian dollars and calculated on an averaged basis so that all Ineligible Overseas Securityholders receive the same price per Aus NewCo Share, subject to rounding to the nearest whole cent). The Company will pay any applicable brokerage, GST on brokerage, Australian and Hong Kong stamp duty under the Scheme and incidental costs with respect to the sale of Aus NewCo Shares on behalf of Ineligible Overseas Securityholders.

1.6 Differences between Australian and Hong Kong laws

The Company is incorporated in Hong Kong. Aus NewCo is incorporated in Victoria, Australia. As a result, if the Proposed Transaction proceeds, different legal regimes will apply with respect to Aus NewCo Shares to those that currently apply to the Company, its Shares and CDIs. Rights of Shareholders after implementation of the Proposed Transaction will be governed by the laws of Australia and Aus NewCo's Articles. Aus NewCo, as the successor listing entity of the Company, will continue to be bound by the ASX Listing Rules.

A comparison of the rights attaching to shares in Australian and Hong Kong companies and the significance of these differences for Shareholders is set out in Annexure C.

In addition, as a result of the implementation of the Proposed Transaction:

- the Astron Group will no longer report under HKFRS and will instead report under Australian Accounting Standards which ensures that financial statements and notes to the financial statements continue to comply with International Financial Reporting Standards;
- Aus NewCo intends to hold its shareholder meetings in Melbourne, Australia; and
- Aus NewCo ordinary shares will trade on the ASX rather than CDIs. Annexure B sets out a summary of the rights attaching to Aus NewCo Shares.

1.7 Constitution of Aus NewCo

Should the Proposed Transaction be approved, the Constitution of Aus NewCo would replace the Articles of the Company as the primary basis for the governance of the holding company of the Astron Group.

Annexure C sets out the key differences between Hong Kong and Australian corporate laws and between the Articles of the Company and Constitution of Aus NewCo. The vast majority of differences between the two constituent documents may not necessarily be adverse or advantageous to Shareholders and CDI Holders, with each having to be assessed as relevant circumstances arise.

1.8 Court Meeting, hybrid meeting arrangement and voting arrangements

In accordance with the direction of the Hong Kong Court, the Court Meeting will be convened on 30 July 2025 at 10:00am (HKT) / 12:00pm (AEST) for the purpose of considering and, if thought fit, passing appropriate resolutions to approve the Scheme (with or without modifications). Voting at the Court Meeting will be taken by way of poll.

In order for the Scheme to be approved and given the Scheme constitutes a takeover offer under the Companies Ordinance, the requirements imposed by section 674(2) of the Companies Ordinance must be satisfied, namely:

- the Scheme must be approved by at least 75% of the voting rights of the Shareholders present and voting, in person or by proxy, by way of poll; and
- the votes cast against the Scheme at the Court Meeting cannot exceed 10% of the total voting rights attached to all Disinterested Shares in the Company.

To the best of the Directors' knowledge and belief having made reasonable inquiries, as at the Last Practicable Date all Shares directly held by the Shareholders (including CDN on behalf of the CDI Holders) and all CDIs are disinterested for the purpose of section 674(3)(a) of the Companies Ordinance. The two incorporation shareholders of Aus NewCo are employees of the Company who do not hold any Shares or CDIs.

As such, assuming the circumstances remain unchanged after the Last Practicable Date, all Shareholders whose names appear on the Register of Members as at the Voting Record Date will be eligible to vote in respect of the resolutions related to Scheme approval to be proposed at the Court Meeting. Further, all CDI Holders whose name appears on the CDI Register on the Voting Record Date will be eligible to direct CDN how to vote in respect of the Scheme in the Court Meeting.

Proxy Forms in respect of the Court Meeting will be despatched to CDN (as the legal holder of the Shares on behalf of the CDI Holders) and other Shareholders. If you are a Shareholder entitled to vote and wish to do so by proxy, you must complete and return your personalised Proxy Form accompanying this Scheme Document (together with any power of attorney or other authority under which the Proxy Form is signed or a certified copy of that power or authority, and a declaration or statement by the proxy that he or she has not received any notice of revocation of appointment) so that it is received by the Company's Hong Kong Share Registry, by post or email as indicated above by no later than 28 July 2025 10:00am (HKT) / 12:00pm (AEST), or in any case of any adjournment thereof, not less than 48 hours (exclusive of any part of a day that is a public holiday) before the time appointed for the holding of such adjourned meeting. If the form of proxy is not so lodged, it may also be handed to the chair of the Court Meeting before taking of the poll who shall have absolute discretion as to whether or not to accept it.

Where there are joint registered holders of Shares, only the vote of the most senior holder who votes (and any proxies duly authorised by the holder) may be counted. The seniority of a holder of Shares is determined by the order in which the names of the joint holders appear in the Register of Members.

CDI Holders will not receive the form of proxy from the Company for the purposes of the Court Meeting. However, CDN will act on the voting instructions of the CDI Holders with respect to such Shares as they are beneficially held by the CDI Holders. In this regard, CDI Voting Instruction Forms and notice of the Court Meeting are enclosed in this Scheme Document. The CDI Holders may, via their CDI Voting Instruction Form, indicate their voting preference at the relevant Court Meeting. CDN will appoint two proxies, one to vote for and one to vote against the relevant resolution, to give effect to the voting instructions so received.

Where there are joint registered holders of any CDIs of the Company, all CDI holders are required to sign the CDI Voting Instruction Form. If more than one CDI Voting Instruction Form is received, the latest dated, jointly signed CDI Voting Instruction Form will be valid.

Completed CDI Voting Instruction Forms should be returned to the Company's Australian Share Registry, in accordance with the instructions on the form as soon as possible in the manner described at the section headed "Requirements of you for the Proposed Transaction" above such that it is received by the Australian Share Registry no later than 24 July 2025 10:00am (HKT) / 12:00pm (AEST), or in any case of any adjournment of the Court Meeting, not less than 48 hours (exclusive of any part of a day that is a public holiday) before the time appointed for the holding of such adjourned meeting. The Australian Share Registry is the authorised agent of CDN for processing the CDI Voting Instruction Forms returned by the CDI Holders. If a CDI Holder does not return the CDI Voting Instruction Form by this time, the Shares represented by the underlying CDIs will not be voted at the Court Meeting.

Shareholders are urged to have their names entered in the Register of Members (for direct Shareholders) and the CDI Register (for CDI Holders) as soon as possible for, among others, the following reasons:

- (a) to enable the CDI Holders to instruct CDN to attend the Court Meeting, required under section 670 of the Companies Ordinance, in CDN's capacity as a Shareholder of the Company or to be represented by proxies to be appointed by them;
- (b) to enable the Company to properly classify members of the Company for the purposes of sections 673 and 674 of the Companies Ordinance; and
- (c) to enable the Company and Aus NewCo to effect the transfer of Scheme Shares and the issuance and allotment of Aus NewCo Shares to the appropriate persons when the Scheme is to be implemented.

The Voting Record Date for determining the entitlement of members of the Shares to attend and vote at the Court Meeting will be fixed on 24 July 2025. In order to be eligible to attend and vote at the Court Meeting, all transfer documents accompanied by the relevant share certificates (if any) must be lodged with the Company's Hong Kong Share Registry, for registration not later than 4:30 pm (HKT) / 6:30 pm (AEST) on 24 July 2025 (or such other date as the Securityholders may be notified by announcement).

Any beneficial owner of Shares or CDIs (the Beneficial Owner) whose Shares or CDIs are registered in the name of a nominee, trustee, depository or any other authorised custodian or third party (the Registered Owner) should contact such Registered Owner to give instructions to and/or to make arrangements with such Registered Owner to exercise the voting rights attached to such Shares or CDIs at the Court Meeting. A Beneficial Owner who wishes to attend the Court Meeting personally should contact the Registered Owner directly to make the appropriate arrangements with the Registered Owner to enable the Beneficial Owner to attend and vote at the Court Meeting, and for such purpose, the Registered Owner may appoint the Beneficial Owner as its proxy. The appointment of a proxy by the Registered Owner at the Court Meeting shall be in accordance with all relevant provisions in the Articles of the Company. In the case of the appointment of a proxy by the Registered Owner, the relevant forms of proxy shall be completed and signed by the Registered Owner and shall be lodged in the manner and before the latest time for lodging the relevant forms of proxy as more particularly set out in this document.

The notice of the Court Meeting is set out in Annexure D of this Scheme Document. The Court Meeting will be held at 10:00am (HKT) / 12:00pm (AEST) on 30 July 2025 at The Executive Centre, Level 15, AIA Central, No. 1 Connaught Road Central, Hong Kong in the form of a hybrid meeting.

An English only printed copy of this Scheme Document containing the notice of the Court Meeting and enclosing a form of proxy for the Shareholders or a voting instruction form for the CDI Holders, based on the information stated in the Register of Members and CDI Register as at the Last Practicable Date, will be served on each of the Shareholders and the CDI Holders by pre-paid registered mail.

Article 49 of the Articles provides that in the case of joint holders of a Share, only the vote of the most senior holder who votes (and any proxies duly authorised by the holder) may be counted, and for this purpose, the seniority of a Shareholder is determined by the order in which the names of the joint holders appear in the Register of Members. Accordingly, the notice of the Court Meeting (as contained in the Scheme Document) will be given to that one of the joint holders whose name stands first in the Register of Members, and notice so given shall be sufficient notice to all the joint holders of Shares.

A copy of the Scheme Document can also be obtained by any person entitled to attend the Court Meeting during usual business hours from 9:00am to 5:00pm (HKT or AEST as the case may be) on any day prior to the day appointed for the Court Meeting (other than a Saturday, Sunday or a public holiday in Hong Kong or Melbourne, Australia, as the case may be) from (i) the registered office of the Company at 31/F., 148 Electric Road, North Point, Hong Kong, (ii) the Company's Hong Kong Share Registry, at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong; (iii) the Company's Australian Share Registry at Yarra Falls, 452 Johnston Street, Abbotsford, Victoria 3067, Australia or (iv) at the office of the Company's legal adviser, Herbert Smith Freehills Kramer, at 23rd Floor, Gloucester Tower, 15 Queen's Road Central, Hong Kong. The Scheme Document is also available at <https://astronlimited.com.au>.

In addition to the traditional physical attendance at the Court Meeting, the Shareholders and CDI Holders as at the Voting Record Date have the option of attending, participating and, as the case may be, voting in the Court Meeting virtually by visiting the Court Meeting website at <https://meetnow.global/MDK7N4D> (the **Online Platform**).

Shareholders participating in the Court Meeting using the Online Platform will count towards the quorum and will be able to cast their votes and submit questions and comments relevant to the proposed resolution through the Online Platform. Shareholders choosing physical attendance at the Court Meeting should not access the Online Platform to exercise their voting rights and should use the physical voting papers provided thereat to cast their votes at the Court Meeting.

Please note that the choice of physical attendance or online attendance through the Online Platform will not affect the right of Shareholders to appoint the Chair of the Court Meeting as proxy to exercise voting rights at the Court Meeting. However, in the event that a Shareholder chooses to attend the physical Court Meeting or use the Online Platform and vote at the relevant meeting after having lodged a Proxy Form, the returned Proxy Form shall be deemed to have been revoked by operation of law.

The CDI Voting Instruction Form for CDI Holders and the Proxy Form for Shareholders (including CDN) in respect of the Court Meeting are set out in Annexures E and F of this Scheme Document respectively.

If there is a "black" rainstorm warning or a tropical cyclone warning signal number 8 or above or extreme conditions in force at or after 8:00am (HKT) on 30 July 2025 and/or the Hong Kong Observatory has announced at or before 8:00am (HKT) on 30 July that any of the above mentioned warnings are to be issued within the next two hours, the Court Meeting shall automatically be postponed to the next Business Day (as defined in the Scheme) on which no "black" rainstorm warning or tropical cyclone warning signal number 8 or above is hoisted and no extreme conditions are in force between the hours of 8:00am (HKT) to 10:00am (HKT) and in such case the Court Meeting shall be held at 10:00am (HKT) on that Business Day at The Executive Centre, Level 15, AIA Central, No.1 Connaught Road Central, Hong Kong. For the avoidance of doubt, the Court Meeting will be held as scheduled even when a tropical cyclone warning signal number 3 or below is hoisted or an amber or red rainstorm warning signal is in force. Shareholders should make their own decision as to whether to attend the Court Meeting under bad weather conditions bearing in mind their own situation and, if they should choose to do so, they are advised to exercise care and caution.

1.9 Taxation implications of the Proposed Transaction

Shareholders and CDI Holders are referred to the summary of tax consequences in Section 6 of this Scheme Document, which also includes an analysis of the tax consequences of holding interests in shares in a company incorporated under the laws of Australia.

The tax implications of the Scheme will depend on the particular circumstances of Shareholders and CDI Holders. Therefore, Securityholders should consult their tax advisers as to the specific tax consequences of the Proposed Transaction including the applicability and effect of local and foreign income and other tax laws in their particular circumstances.

In summary:

Australian law

- **Tax consolidation regime:** Astron Corporation Limited is currently the head company of a tax consolidated group in Australia. Subject to formal confirmation by the Australian Taxation Office (ATO), if Subdivision 124-M of the ITAA 1997 should apply to Scheme, after implementation of the Scheme, the tax consolidated group will not be maintained and will need to be re-formed with Aus NewCo as the head company.
- **Capital Gains Tax:** Australian CGT roll-over relief should be available to Scheme CDI Holders and Scheme Shareholders under Subdivision 124-M of the ITAA 1997 in relation to any capital gain or loss

that may otherwise arise in respect of the Scheme. This relief is expected to be confirmed by ATO Class Ruling.

To the extent a Scheme Shareholder / Scheme CDI Holder chooses to elect CGT roll-over relief under Subdivision 124-M of the ITAA 1997 jointly with Aus NewCo, the Securityholder must:

- a) Inform Aus NewCo that they intend to elect to obtain roll-over relief and inform Aus NewCo of the cost base of their Scheme Share / Scheme CDI, which can be done before or at the time of making their election to obtain CGT roll-over relief by completing a Roll-over Election Form accompanying this Scheme Document and returning it in accordance with the instructions in that form; and
- b) Make their election to obtain roll-over relief by not including any capital gain relating to their disposal of Scheme Shares / Scheme CDIs in the income tax return for the year in which the Implementation Date occurs (no notice seeking to claim roll-over needs to be lodged with the ATO; rather, the way in which the CDI Holder / Shareholder prepares its income tax return is sufficient evidence of making this choice).

As the roll-over relief is a joint choice by the Securityholder and Aus NewCo, Aus NewCo will choose to obtain roll-over relief to the extent that the choice is made by the Scheme Shareholders / Scheme CDI Holders and communicated to Aus NewCo by completion of the Roll-over Election Form.

Where roll-over relief is either not chosen or otherwise not available, a CGT event will occur, and a capital gain or loss may arise due to the Proposed Transaction.

- **Stamp duty:** No stamp duty should be payable in any Australian State or Territory by Scheme CDI Holders and Scheme Shareholders in relation to their participation in the Scheme.

Hong Kong law

- **Stamp duty:** Stamp duty is charged on documents connected with the sale of Hong Kong stock. In this regard, for the transfer of each Scheme Share (which constitutes the key stock for the purposes of the Stamp Duty Ordinance (Chapter 117 of the Laws of Hong Kong)) by the Scheme Shareholders to Aus NewCo, an ad valorem stamp duty of 0.2% will be charged based on the higher of (i) the consideration paid for each Scheme Share and (ii) the market value of the Scheme Share involved in the transfer under the Scheme, and HK\$5 will be charged for each instrument of transfer. In other words, the aggregate ad valorem stamp duty will be determined based on the higher of (i) the value of the Aus NewCo shares issued as consideration under the Scheme and (ii) the total market capitalisation of the Company as of the date of the transfer (i.e. the Implementation Date of the Scheme). Pursuant to the Scheme, the Company and Aus NewCo will be responsible for the payment of Hong Kong stamp duty. No Hong Kong stamp duty should generally be payable by the Scheme Shareholders and Scheme CDI Holders on the transfer of Scheme Shares under the Scheme.

1.10 Implications if the Proposed Transaction does not proceed

In the event that Shareholders and CDI Holders do not approve the Scheme, Shareholders and CDI Holders will retain their interests in the Company, which will continue to operate as it does as at the date of this Scheme Document. If the Scheme does not become Effective, the following key implications will arise for Shareholders and CDI Holders:

- Aus NewCo will not become the parent company of the Astron Group and the Astron Group will not Redomicile to Australia;
- the Company will remain the entity listed on the ASX;
- the benefits expected to arise from the Proposed Transaction such as aligning the corporate structure of the Group with its principal assets and business activities, streamlining voting for CDI Holders (who currently must instruct CDN to vote on their behalf), strengthening the investment status of the Group and enhancing market confidence, attracting quality employees, and reducing certain legal, administrative and regulatory requirements and associated costs, as summarised in Section 1.3.1 will not be obtained; and
- the significant costs in connection with presenting the Proposed Transaction to Shareholders will be incurred regardless of whether the Proposed Transaction will proceed (other than those costs paid on implementation, such as stamp duty, as referred to in Section 6.1 and 6.6).

1.11 Approvals

For the Proposed Transaction to be implemented:

- the Scheme must be approved by at least 75% of the voting rights of the Shareholders present and voting, in person or by proxy, at the Court Meeting (unless the Hong Kong Court orders otherwise) by way of poll, with the votes being cast against the Scheme at the Court Meeting not exceeding 10% of the total voting rights attached to all Disinterested Shares in the Company;
- the Scheme must also be subsequently sanctioned by the Hong Kong Court; and
- as a condition to implementation of the Scheme, ASX must approve the listing of Aus NewCo and quotation of the Aus NewCo Shares.

The required quorum at the Court Meeting is two Shareholders in each case present in person (virtually or physically) or by proxy, attorney or corporate representative.

1.12 Listing of Aus NewCo on the ASX

An application will be made for the admission of Aus NewCo to the official list of the ASX and for quotation of the Aus NewCo Shares. Approval for the listing of Aus NewCo and quotation of its shares (subject to customary conditions) is a condition to implementation of the Scheme and such condition will not be waived.

It is expected, provided that the ASX grants approval for the listing and quotation, that the Aus NewCo Shares will commence trading on a deferred settlement basis on the Trading Day after the Effective Date for the Scheme, which is currently expected to be on or around 20 August 2025. Trading on a normal settlement basis will commence on the Trading Day after the Implementation Date, which is expected to be on or around 1 September 2025.

1.13 Directors' recommendation

The Directors believe that the Proposed Transaction is in the best interests of the Astron Group and that the Scheme is in the best interests of Shareholders and CDI Holders. Please see Section 1.3.1 for details of the reasons why the Directors believe that the Proposed Transaction is in the best interests of Shareholders.

The Directors unanimously recommend that Shareholders vote in favour of the Scheme, and that CDI Holders direct CDN to vote in favour of the Scheme, at the Court Meeting.

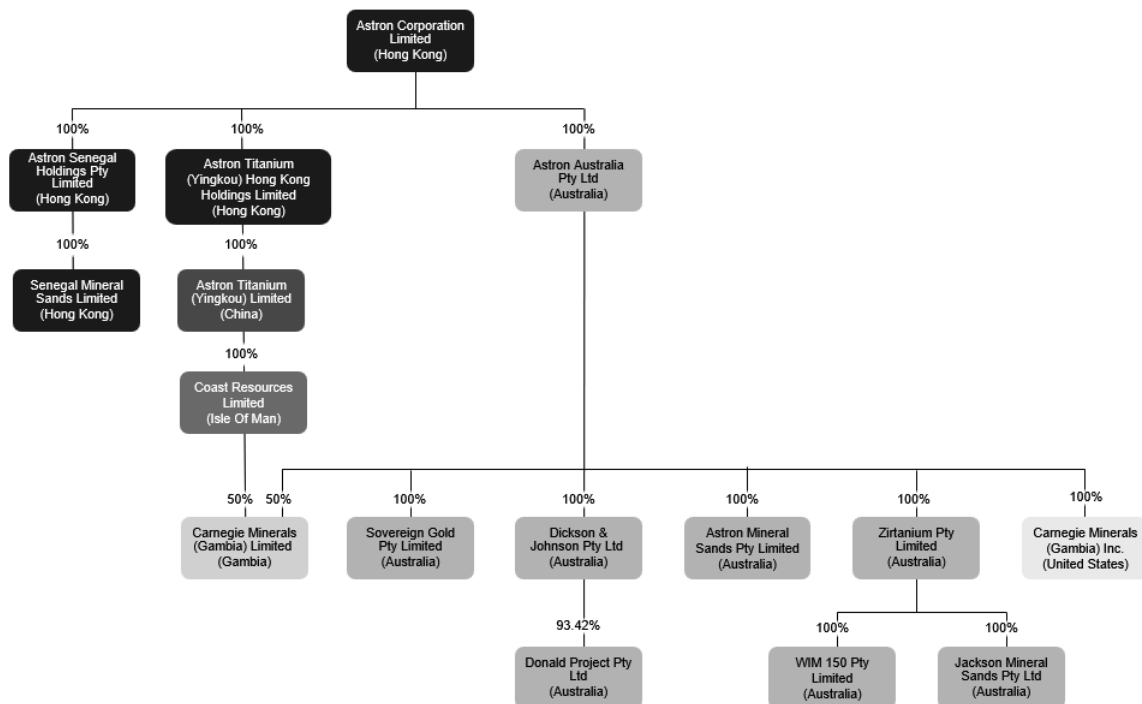

All Directors who hold or control the right to vote Shares or direct CDN to vote CDIs, intend to vote or direct the voting of all such Shares in favour of the Scheme. Details of the Directors' interests in Shares and CDIs are set out in Section 7.3.1.

3. INFORMATION ABOUT ASTRON CORPORATION LIMITED

3.1 Overview of the Astron Group

The Company is a limited liability company incorporated in Hong Kong on 6 December 2011 with ARBN 154 924 553 and Hong Kong Business Registration Number 59227124. The registered office is located at 31/F., 148 Electric Road, North Point, Hong Kong.

The Company is the holding company of Astron Group and has 14 wholly-owned subsidiaries as well as an interest in joint venture entity, Donald Project Pty Ltd. The Astron Group principally engages in the exploration and development of mineral sands projects, the upgrading of mineral sand products into higher value products and the development and application of technologies for the production of advanced materials and chemicals from mineral sands products. The Astron Group has operations in Australia and China.

Diagrams showing the current and proposed structure of the Astron Group are set out in Section 1.14 of this Scheme Document.

3.2 Business overview

The principal activities undertaken by the Company's wholly-owned subsidiaries include:

- work to advance the Group's interest in the Donald Rare Earths and Mineral Sands Project (**Donald Project**) in regional Victoria to operations. The project is held through Donald Project Pty Ltd, a joint venture between the Company and US based Energy Fuels Inc. (**Energy Fuels**). The Donald Project involves the mining and concentrating of mineral sands ore, which contains heavy minerals, to produce a rare earth element concentrate (**REEC**) and a heavy mineral concentrate (**HMC**), the latter comprising mainly zirconium and titanium minerals;
- exploration activities through Jackson Mineral Sands Pty Ltd, to delineate and advance the Company's wholly-owned Jackson Rare Earths and Mineral Sands Project, which is located in close proximity to the Donald Project; and
- the operation of titanium and zirconium minerals processing activities, using a mineral separation plant at Yingkou, China; the evaluation and advancement of downstream applications for zircon and titanium; and titanium and zirconium minerals procurement and trading activities through the Company's wholly-owned subsidiary Astron Titanium (Yingkou) Co. Limited.

3.2.1 Donald Rare Earths and Mineral Sands Project

The Donald Project has the potential to become a long-life supplier of critical minerals, including zirconium, hafnium, and titanium, as well as rare earth elements including neodymium, praseodymium, dysprosium, and terbium. The project is located in the Wimmera region of western Victoria and comprises two mineral tenements, MIN5532 and RL2002.

The Company is developing the Donald Project through an Incorporated Joint Venture (**IJV**), Donald Project Pty Ltd (**IJV Company**), with US-based critical minerals company Energy Fuels. Energy Fuels has the right to earn 49% of the IJV Company by investing A\$183 million in the IJV and issuing US\$17.5 million of its shares, in two tranches, to the Company. Under this arrangement, the Company will retain ownership over the remaining 51% of the IJV Company and serve as the project manager.

The Donald Project will use truck and shovel open pit mining operations and conventional processing methods such as screening, spiral separation, and flotation to produce REEC and HMC. Both products will be exported to global customers. Due to its extensive size, development of the Donald Project is expected to proceed in two phases:

- **Phase 1:** planned on granted mining licence, MIN5532, with a conventional mining operation, to produce 7.5 Mtpa of ore for processing, that will involve spiral separation and flotation, to produce HMC and REEC for export. Phase 1 of the project enjoys advanced regulatory approvals, including a positively assessed Work Plan and Victorian Environmental Effects Statement, a concluded federal Environment, Protection, Biodiversity Conservation approval, and a granted mining licence; and
- **Phase 2:** a doubling in the mining rate and processing capacity to accommodate a 15 Mtpa ore production to be mined from areas within RL2002 to the north and south of MIN5532.

The IJV agreement provides for a life-of-mine (indicatively 58 years) offtake agreement with Energy Fuels for 100% of the rare earth production from Phases 1 and 2 of the Donald Project. The Donald Project is expected to provide Energy Fuels with 7,000 to 8,000 tonnes per year of REEC during Phase 1, increasing to 13,000 to 14,000 tonnes per year in Phase 2.

The Company will retain the right to purchase up to 100% of the HMC production from the Donald Project, with options to process the HMC at its own mineral separation plant in Yingkou or to enter into offtake agreements with third parties. HMC production is expected to average 250,000 tonnes per year during the first five years of Phase 1 operations, increasing to 400,000 to 500,000 tonnes per year in Phase 2.

3.2.2 Jackson Rare Earths and Mineral Sands Project

The Jackson Project is located adjacent to the Donald Project in the Wimmera Region of Victoria on Retention Licence RL2003 and Exploration Licence 8516. Combined, the Jackson and Donald Projects constitute one of the world's largest zircon resources. The Jackson Project is wholly owned by the Company through Jackson Mineral Sands Pty Ltd.

3.2.3 Astron China

Astron China operates a mineral separation plant in Yingkou, Liaoning Province, which has an annual ore feed capacity of 150,000 tonnes per year. The Yingkou plant undertakes two main commercial operations: the processing of concentrates and middlings (predominantly non-magnetic concentrates) to final products of zircon and rutile, as well as agglomeration of fine-grained rutile feedstock to produce a pelletised rutile product, suitable for use in a range of commercial applications including slag production for the manufacture of chloride pigment.

Copies of announcements made by the Company to the ASX are available on the ASX website at www.asx.com.au.

4. INFORMATION ABOUT AUS NEWCO

4.1 Corporate overview

Aus NewCo was incorporated under the laws of Victoria Australia on 28 March 2025. Following implementation of the Proposed Transaction, the rights of Aus NewCo will be governed primarily by Australian law, the ASX Listing Rules and Aus NewCo's Constitution.

Aus NewCo was incorporated for the purpose of Redomiciling the Astron Group from Hong Kong to Australia under the Proposed Transaction. Aus NewCo currently has two shares on issue, held by two Astron Group employees. As a result, prior to implementation of the Proposed Transaction, other than as set out below, Aus NewCo has not conducted and will not conduct any business other than entering into the Scheme and performing the acts which are detailed in this Scheme Document.

If the Proposed Transaction is implemented, Aus NewCo will become the holding company of the Astron Group, and the Company will become a wholly-owned subsidiary of Aus NewCo. Aus NewCo's business will consist entirely of the business of the Company. Shareholders directly holding ordinary Shares and CDI Holders (as the case may be, other than Excluded Securityholders), as at the Scheme Record Date will receive two Aus NewCo Shares for each Scheme Share or Scheme CDI held. The two initial Aus NewCo Incorporation Shares will be simultaneously cancelled.

As Aus NewCo will be a disclosing entity for the purposes of the Corporations Act, it will be required to comply with the reporting and disclosure obligations contained in the Corporations Act and ASX Listing Rules, including the continuous disclosure provisions contained in the Corporations Act and the ASX Listing Rules in addition to other applicable disclosure requirements.

If the Scheme is approved, following the Effective Date, copies of announcements made by Aus NewCo to the ASX will be available on the ASX website at <https://www.asx.com.au/>.

The Company's corporate office located at Level 10, 224 Queen Street, Melbourne VIC 3000, Australia will become the registered address of Aus NewCo upon completion of the Proposed Transaction.

4.2 Choice of jurisdiction

The Company considers that Australia is an appropriate jurisdiction for the domicile of Astron Group for the following reasons:

- The Redomicile will align the corporate structure of the Group with its principal assets and business activities being the development of the Donald and Jackson Rare Earths and Mineral Sands Project, in regional Victoria, as a long-life source of critical minerals supply globally.
- The Company, its Board and its management identify the Company as being an Australian company and believe that the barriers to securityholders, regulators, members of the communities in which the company operates, and other stakeholders identifying the Company as an Australian company should be reduced. This includes changing the Hong Kong registration of the Group's holding company to an Australian registration.
- Shares in the Company are traded on the ASX in the form of CDIs. A consequence of this is that CDI Holders are unable to vote directly at meetings of the Company and, instead, must instruct CDN to vote on their behalf. The Redomicile would enable all securityholders to vote directly at meetings and removes unnecessary voting complexity.
- The Australian listing and the quotation of shares in place of CDIs will bring the shareholding structure of the parent entity into line with most other Australian listed resources companies. This change is expected to enhance the investment status of the Company and the investment market's confidence in all aspects of its governance and reporting protocols.
- The Company, being a Hong Kong registered company, complies with the requirements of the Hong Kong Companies Ordinance. As a matter of good governance, the Company also complies, to the greatest extent possible, with the Australian Corporations Act. It is anticipated that the Redomicile will streamline Astron Group's compliance and governance arrangements.
- It is anticipated that the Redomicile will reduce some legal, administrative, and regulatory requirements and costs associated with the Group's current domicile, for example as they relate to the purchase of land and other assets which are currently subject to FIRB approval.

- The Directors are of the view that an Australian registered and listed company will be better placed to attract quality employees and address the interests of the communities in which it operates.
- The Redomicile is expected to enhance the Group's ability to attract capital from Australian retail and institutional investors.

The role of Aus NewCo's board of directors in risk oversight will include receiving reports from senior management and the Audit & Risk Committee on a regular basis regarding material risks faced by the Group and applicable mitigation strategies and activities. The reports will detail the effectiveness of the risk management program and identify and address material business risks such as technological, strategic, business, operational, financial, environmental, human resources and legal/regulatory risks. The Aus NewCo Board and its committees (described below) will consider these reports, discuss matters with management and identify and evaluate any potential strategic or operational risks, and appropriate activity to address those risks.

Upon the Scheme becoming effective, Aus NewCo will implement a Performance Rights Plan (**Aus NewCo PRP**) on substantially the same terms as the existing PRP of the Company. The purpose of the Aus NewCo PRP is to assist in the motivation, retention and reward of directors and senior executives and other employees that may be invited to participate in the Aus NewCo PRP from time to time.

Upon the Scheme becoming effective, Aus NewCo will also implement an Employee Share Option Plan (**Aus NewCo ESOP**) on substantially the same terms as the existing ESOP of the Company. The purpose of the Aus NewCo ESOP is to provide incentives and rewards to eligible participants for their contribution to the

Group and/or to enable the Group to recruit and retain high-calibre employees and attract valuable human resources to the Group.

4.11.1 Aus NewCo PRP

The total number of Aus NewCo securities which may be offered by Aus NewCo under the Aus NewCo PRP (together with the Aus NewCo ESOP) shall not at any time exceed 5% of Aus NewCo's total issued shares when aggregated with the number of securities issued or that may be issued as a result of offers made at any time during the previous three year period under an employee incentive scheme covered by the employee share scheme regime set out in Division 1A of part 7.12 of the Corporations Act.

The maximum number of Aus NewCo performance rights proposed to be issued under the Aus NewCo PRP (together with the Aus NewCo ESOP) in the three years post Implementation Date is 3,441,875.

The Aus NewCo PRP is a long-term incentive aimed at creating a stronger link between both performance and reward, whilst increasing securityholder value in Aus NewCo.

The Aus NewCo PRP is to extend to directors, employees, and other individuals who provide services to Aus NewCo or prospective participants who meet those criteria on appointment (**Aus NewCo PRP Eligible Person**) (or the Eligible Associate of such person) to Aus NewCo or an associated body corporate who the Aus NewCo Board determines to be eligible to participate in the Aus NewCo PRP.

An invitation to participate in the Aus NewCo PRP may be accepted by an Aus NewCo PRP Eligible Person (to whom the invitation is made), by delivering to Aus NewCo written acceptance in the form determined by the Aus NewCo Board and stated in the letter of invitation. An Aus NewCo PRP Eligible Person who receives an invitation may renounce the invitation in favour of the invitation being made to an Eligible Associate. The Aus NewCo PRP Eligible Person or Eligible Associate who accepts an invitation is a participant.

The Aus NewCo Board will determine in its absolute discretion whether any performance hurdles or other conditions (including as to time) will be required to be met before the performance rights which have been granted under the Aus NewCo PRP can vest. Performance rights will vest upon the satisfaction of the performance hurdles.

A participant will not pay any consideration for the grant of performance rights under the Aus NewCo PRP.

No amount shall be payable by a participant on the exercise of a vested performance right.

The terms for exercise, including the exercise period, are stated in the letter of invitation.

A performance right lapses, to the extent that it has not been exercised, on the earlier to occur of:

- (a) the date on which the Aus NewCo Board makes a determination that the performance hurdles have not been satisfied;
- (b) if an Aus NewCo PRP Eligible Person's employment or engagement with Aus NewCo or associated body corporate ceases because of an Uncontrollable Event, in respect of vested performance rights, on the seventh anniversary of the date of grant (and for unvested performance rights, in accordance with their terms);
- (c) if an Aus NewCo PRP Eligible Person's employment or engagement with Aus NewCo or associated body corporate ceases because of a Controllable Event:
 - (i) in respect of a vested performance right, the seventh anniversary of the date of grant;

- (f) the day ending at 5.00pm (Melbourne time) on the date which is seven years following the date of grant of the performance rights, unless otherwise determined by the Aus NewCo Board.

The vesting or exercise of any performance rights is subject to the limit on any benefits provided to certain employees on termination that is otherwise subject to approval by shareholders under the Corporations Act or the ASX Listing Rules and the number of performance rights that may vest or be exercised will be reduced to the extent the requisite shareholder approval has not been obtained.

Performance rights issued pursuant to the Aus NewCo PRP have no rights to dividends or other distributions and no rights to vote at meetings of Aus NewCo until that performance right is exercised and the holder of the performance rights is a shareholder in Aus NewCo.

Shares acquired upon exercise of the performance rights will upon allotment rank *pari passu* in all respects with other shares, except as set out in the Aus NewCo PRP.

If there are certain variations of the share capital of Aus NewCo including a capitalisation or rights issue, subdivision, consolidation or reduction in share capital, a demerger (in whatever form) or other distribution in specie, the Aus NewCo Board may make such adjustments as it considers appropriate.

Aus NewCo performance rights will not be quoted on the ASX. Upon the exercise of the performance rights, Aus NewCo will apply for quotation of the exercised shares on the ASX within ten Business Days after the date of allotment of those shares.

An Aus NewCo performance right does not confer on the participant the right to participate in new issues of shares by Aus NewCo, including by way of bonus issue, rights issue or otherwise.

Except on the death of a participant or with the approval of the Aus NewCo Board, performance rights may not be transferred, assigned or novated.

Where there is publicly announced any proposal in relation to Aus NewCo which the Aus NewCo Board reasonably believes may lead to a Change of Control Event:

- (a) all of the participant's unvested performance rights, that have not lapsed, will become vested performance rights; and
- (b) the Aus NewCo Board shall promptly notify each participant in writing that he or she may, within the period specified in the notice, exercise vested performance rights.

The Aus NewCo Board may amend the Aus NewCo PRP at any time but may not do so in a way which materially reduces participants' existing rights without their consent, unless the amendment is to comply with the law, to correct an error or similar.

The Aus NewCo PRP may be terminated or suspended at any time by resolution of the Aus NewCo Board without notice to the participants. The capitalised terms used in the summary above are defined as follows:

4.11.2 Aus NewCo ESOP

The Aus NewCo ESOP is to extend to directors, employees, and other individuals who provide services to Aus NewCo or prospective participants who meet that criteria on appointment (**Aus NewCo ESOP Eligible Participant**) (or the Eligible Associate of such person) of Aus NewCo or an associated body corporate of Aus NewCo as the Aus NewCo Board may in its discretion determine.

The options are to be issued for no consideration on the date of their issue.

The exercise price of an option is to be determined by the Aus NewCo Board at its sole discretion (Exercise Price).

The shares are to be issued at a price determined by the Aus NewCo Board.

The vesting date will be any such date or dates with respect to the options or tranches of options (as the case may be) as may be determined by the Aus NewCo Board from time to time, prior to the issuance of the relevant options.

The options will become exercisable on the later of either:

- (a) the issue date; and
- (b) the vesting date,

(the **Aus NewCo ESOP Option Exercise Commencement Date**).

The exercise period commences on the Aus NewCo ESOP Option Exercise Commencement Date and ends on the earlier of:

Aus NewCo will, where required pursuant to the ASX Listing Rules, provide Aus NewCo ESOP option holders with notice prior to the applicable record date (to determine entitlements to any new issue of securities made to securityholders generally) to exercise the options, in accordance with the requirements of the ASX Listing Rules.

In the event of a pro rata issue (except a bonus issue) made by Aus NewCo during the term of the options Aus NewCo may adjust the exercise price for the options in accordance with the formula in the terms of the Aus NewCo ESOP.

The Aus NewCo Board has the right to vary the entitlements of participants to take account of the effect of capital reorganisations, bonus issues or rights issues.

The terms of the options shall only be changed if holders (whose votes are not to be disregarded) of shares in Aus NewCo approve of such a change. However, the terms of the options shall not be changed to reduce the exercise price, increase the number of options or change any period for exercise of the options.

The Aus NewCo Board may impose as a condition of any offer of shares and options under the Aus NewCo ESOP any restrictions on the transfer or encumbrance of such shares and options as it determines.

The Aus NewCo Board may vary the Aus NewCo ESOP but may not amend the rules in a way which materially reduces participants' existing rights without their consent, unless the amendment is to comply with the law, to correct an error or similar.

The Aus NewCo ESOP is separate to and does not in any way form part of, vary or otherwise affect the rights and obligations of an Aus NewCo ESOP Eligible Participant under the terms of his or her employment or service arrangement.

At any time from the date of an offer until the acceptance date of that offer, the Aus NewCo Board undertakes that it shall provide information as to:

- (a) the current market price of the shares; and
- (b) the acquisition price of the shares or options offered where this is calculated by reference to a formula, as at the date of the offer,

Any offer made pursuant to the Aus NewCo ESOP will specify whether subdivision 83A-C of the applicable tax laws applies to that offer such that any tax payable by a participant under the offer will be deferred to the applicable deferred taxing point described in that subdivision.

6. TAXATION IMPLICATIONS FOR SECURITYHOLDERS

The following is a general description of the Australian and Hong Kong tax consequences for Securityholders if the Scheme is implemented. Securityholders will need to consult their own tax advisers regarding the consequences of disposing of their Shares or CDIs and acquiring, holding or disposing of their Aus NewCo Shares in light of their particular circumstances.

This Section 6 provides a summary of the general Hong Kong and Australian tax consequences for Scheme Shareholders and Scheme CDI Holders in relation to the Scheme and should be considered in conjunction with the rest of this Scheme Document. This Section 6 is not intended to provide a complete analysis of all the possible tax outcomes for Scheme Shareholders and Scheme CDI Holders. The information contained in this Section 6 is only a general guide and is not intended to be an authoritative or complete statement of the tax law applicable to the specific circumstances of each Scheme Shareholder or Scheme CDI Holder and should not be relied upon by Scheme Shareholders or Scheme CDI Holders as tax advice. Scheme Shareholders and Scheme CDI Holders are strongly advised to seek their own professional advice with respect to the tax implications of the Scheme.

6.1 Hong Kong tax implications of implementing the Scheme

The following is a general description of the Hong Kong tax consequences for Shareholders of the Scheme.

The following summary of the Hong Kong tax implications is based upon the laws in effect as at the date of this Scheme Document, including the Inland Revenue Ordinance and Stamp Duty Ordinance (collectively the Hong Kong Tax Law), but is not intended to be an authoritative or complete statement of the laws applicable to the particular circumstances of every Shareholder. Shareholders should seek independent professional advice about their own particular circumstances.

Stamp duty is charged on documents connected with the sale of Hong Kong stock. In this regard, for the transfer of each Scheme Share (which constitutes the key stock for the purposes of the Stamp Duty Ordinance (Chapter 117 of the Laws of Hong Kong)) by the Scheme Shareholders to Aus NewCo, an ad valorem stamp duty of 0.2% will be charged based on the higher of (i) the consideration paid for each Scheme Share and (ii) the market value of the Scheme Share involved in the transfer under the Scheme, and HK\$5 will be charged for each instrument of transfer. In other words, the aggregate ad valorem stamp duty will be determined based on the higher of (i) the value of the Aus NewCo shares issued as consideration under the Scheme and (ii) the total market capitalisation of the Company as of the date of the transfer (i.e. the Implementation Date of the Scheme). Pursuant to the Scheme, the Company and Aus NewCo will be responsible for the payment of Hong Kong stamp duty. No Hong Kong stamp duty should generally be payable by the Scheme Shareholders and Scheme CDI Holders on the transfer of Scheme Shares under the Scheme.

6.2 Australian tax implications

The following is a general description of the Australian income tax consequences for the Scheme CDI Holders and Scheme Shareholders if the Scheme is implemented. The comments set out below only address the Australian income tax consequences for Scheme CDI Holders and Scheme Shareholders who hold their Shares on capital account. This summary does not apply to Scheme CDI Holders and Scheme Shareholders who acquired their shares prior to 20 September 1985 or hold their Scheme Shares or Scheme CDIs as trading stock, revenue assets or are subject to the Taxation of Financial Arrangements provisions in Division 230 of the ITAA 1997, as well as those which are temporary residents of Australia for income tax purposes, banks, insurance companies, tax exempt organisations and non-complying superannuation funds, which may be subject to special or different tax consequences. This summary also does not apply to Scheme CDI Holders and Scheme Shareholders that hold their CDIs / Shares in the course of carrying on a business through an Australian permanent establishment.

The following summary of the Australian taxation implications is based upon the Australian taxation law and administrative practice in effect as at the date of this Scheme Document, but is not intended to be an authoritative or complete statement of the laws applicable to the particular circumstances of every Shareholder and CDI Holder.

Scheme CDI Holders and Scheme Shareholders who are not resident in Australia for tax purposes should also take into account the tax consequences of the Scheme, under the laws of their country of residence, as well as under Australian law.

The Company is in the process of lodging a Class Ruling application with the ATO seeking the Commissioner of Taxation's confirmation on the availability of roll-over relief for Scheme Shareholders and Scheme CDI Holders relating to the disposal of Scheme Shares and Scheme CDIs under the Scheme and expects that such roll-over relief should be available for these Scheme Shareholders and Scheme CDI Holders. The Class Ruling has not been issued by the ATO at the date of this Scheme Document. When published, the final Class Ruling will be available on the ATO website www.ato.gov.au and Astron will make an ASX announcement in respect of its publication.

6.3 Australian resident Scheme Shareholders and Scheme CDI Holders – Australian tax considerations

The transfer of Scheme Shares and Scheme CDIs by Scheme Shareholders and Scheme CDI Holders that are Australian tax residents on the Implementation Date in exchange for two Aus NewCo Shares will constitute a disposal of those Scheme Shares and Scheme CDIs by these Scheme Shareholders and Scheme CDI Holders and result in a CGT event A1.

Subject to the availability of CGT roll-over relief (discussed below), Scheme Shareholders should make:

- a capital gain from the CGT event if the capital proceeds from the disposal of their Scheme Shares / Scheme CDIs exceed their cost base; or
- a capital loss if those capital proceeds received are less than the reduced cost base of their Scheme Shares / Scheme CDIs.

Scheme Shareholders and Scheme CDI Holders who make a capital gain on the exchange of their Scheme Shares / Scheme CDIs will be required to include the net capital gains in their assessable income for the income year in which the Implementation Date occurs unless:

- the Scheme Shareholder / Scheme CDI Holder and Aus NewCo have jointly elected for CGT roll-over relief to apply; or
- the Scheme Shareholders / Scheme CDI Holders have held or are deemed to have held the Scheme Shares / Scheme CDIs as pre-CGT assets, i.e. assets acquired prior to 20 September 1985, in which case any such capital gain should be disregarded.

If the capital proceeds from the disposal of Scheme Shares / Scheme CDIs are less than the reduced cost base of those Scheme Shares / Scheme CDIs for the Scheme Shareholder / Scheme CDI Holder, the Scheme Shareholder / Scheme CDI Holder would realise a capital loss and no roll-over relief will apply. Capital losses can only be offset against capital gains realised in the same income year or in a subsequent income year. Specific loss recoupment rules will apply to companies and may restrict their ability to utilise capital losses in future periods. Scheme Shareholders / Scheme CDI Holders should seek independent tax advice in relation to the operation of these rules under their own specific circumstances.

Roll-over relief – Subdivision 124-M

To the extent that a Scheme Shareholder / Scheme CDI Holder realises a capital gain from exchanging their Scheme Shares / Scheme CDIs for the Aus NewCo Shares under the Proposed Transaction, roll-over relief should be available under Subdivision 124-M of the ITAA 1997 to defer the capital gain should a Scheme Shareholder / Scheme CDI Holder choose to obtain the roll-over relief jointly with Aus NewCo.

Broadly, the CGT implications of a Scheme Shareholder / Scheme CDI Holder and Aus NewCo choosing to apply roll-over relief should be that:

- any capital gain made from the exchange of Scheme Shares / Scheme CDIs for Aus NewCo Shares under the Scheme should be fully deferred;
- the cost base of the Aus NewCo Shares received is worked out by reasonably attributing the cost base of the Scheme Shares / Scheme CDIs disposed of under the Scheme to the Aus NewCo Shares; and
- for CGT discount purposes, the Scheme Shareholder / Scheme CDI Holder will be deemed to have acquired their Aus NewCo Shares at the time that they originally acquired, or are deemed to have acquired, their original Scheme Shares / Scheme CDIs. This may be relevant in relation to applying any CGT discount on future disposals.

Scheme Shareholders / Scheme CDI Holders who jointly with Aus NewCo elect roll-over relief should not include the capital gain attributable to the Scheme Shares / Scheme CDIs in their net capital gain calculation for the income year in which the Implementation Date occurs. The lodgement by the Scheme Shareholders / Scheme

CDI Holders of their tax return on this basis should be sufficient evidence to reflect that roll-over relief has been applied. Aus NewCo will choose to obtain roll-over relief to the extent that the choice is made by the Scheme Shareholders / Scheme CDI Holders and communicated to Aus NewCo by completion of Part A of the Roll-over Election Form in Annexure G of this Scheme Document.

Scheme Shareholders and Scheme CDI Holders who are Australian residents but do not wish to choose roll-over relief or are not eligible for roll-over relief should include the full amount of the capital gain realised upon the disposal of their Scheme Shares / Scheme CDIs in their net capital gain calculation for the income year in which the Implementation Date occurs.

Capital proceeds

The capital proceeds received on the disposal of the Scheme Shares / Scheme CDIs should be the market value of the Aus NewCo Shares received as determined by the market value at the Implementation Date.

Cost base

The cost base of the Scheme Shares / Scheme CDIs disposed should generally be the amount paid to acquire the Scheme Shares / Scheme CDIs plus incidental costs of ownership (i.e. acquisition costs and other costs relating to the holding and disposal of the Scheme Shares / Scheme CDIs provided the costs have not previously been claimed as a tax deduction) or the cost base determined for the Scheme Shares / Scheme CDIs under a previous CGT roll-over (where applicable). The reduced cost base of the Scheme Shares / Scheme CDIs should be determined in a similar, though not identical, manner. The cost base and reduced cost base of each Scheme Share / Scheme CDI will depend on the individual circumstances of each Securityholder.

Securityholders who acquired their Scheme Shares / Scheme CDIs at or before 11.45am on 21 September 1999 may choose to apply indexation based on the CPI movement from the date of their acquisition of the Scheme Shares / Scheme CDIs to 30 September 1999 to increase the cost base of their Scheme Shares / Scheme CDIs.

Securityholders who choose to apply indexation forego the opportunity to apply the CGT discount, where it might otherwise be available.

CGT discount

Individuals, complying superannuation entities or and trusts may be entitled to reduce the amount of any capital gain made on the disposal of their Scheme Shares / Scheme CDIs under the "CGT discount" if, among other things, they have held their Scheme Shares / Scheme CDIs for at least 12 months before the Implementation Date.

The CGT discount is applied only after any available capital losses have been applied to reduce the capital gain.

The CGT discount rules will enable Securityholders to reduce their capital gains by 50 percent for individuals and trusts and 33⅓ percent for complying superannuation entities. The CGT discount rules are complex for trusts. However, generally the CGT discount may flow through to presently entitled beneficiaries where the beneficiaries would be entitled to apply the CGT discount. The CGT discount is not available to Securityholders that are companies.

Notification requirement

In addition to choosing roll-over relief as noted above, Securityholders of the Company are required to inform Aus NewCo of their cost base in their Scheme Shares / Scheme CDIs to obtain roll-over where Subdivision 124-M of the ITAA 1997 applies. This can be done by completing Part B of the Roll-over Election Form in Annexure G of this Scheme Document.

Please note that roll-over is not available under Subdivision 124-M of the ITAA 1997 if the Securityholder does not notify Aus NewCo of their cost base in their Scheme Shares / Scheme CDIs.

6.3.1 Australian tax implications on future dividends paid by Aus NewCo

Generally, dividends received from Aus NewCo should be included in an Aus NewCo Shareholder's assessable income together with any franking credit attached to the dividend.

To be eligible for a tax offset for the franking credits, Aus NewCo Shareholders must satisfy the holding period rule including, if necessary, the related payment rule. In general terms, the holding period rule requires Aus NewCo Shareholders to have held Aus NewCo Shares at risk for a period of at least 45 days (not including the date of acquisition or the date of disposal) and free of any related payment obligations during the primary qualification period. An Aus NewCo Shareholder will not be taken to have held Aus NewCo Shares at risk where the Aus NewCo Shareholder or an associate holds a position (such as an option or other hedging arrangement) which materially diminishes the risks of loss or opportunity for gain in respect of those Aus NewCo Shares.

The holding period rule should not apply to an Aus NewCo Shareholder who is an individual whose tax offset entitlement (for all franked distributions received in the income year) does not exceed A\$5,000 for the income year in which the franked dividend from Aus NewCo is received.

Under the related payment rule, a different testing period applies where the Aus NewCo Shareholder has made, or is under an obligation to make, a related payment in relation to a particular dividend. A related payment is one where the Aus NewCo Shareholder or their associate passes on the benefit of the dividend to another person. The related payment rule requires the Aus NewCo Shareholder to have held Aus NewCo Shares at risk for a period commencing on the 45th day before and ending on the 45th day after the day the Aus NewCo Shares become ex-dividend. This should not affect any Aus NewCo Shareholder who does not pass on the benefit of the dividend to another person.

Where the Aus NewCo Shareholder is an Australian tax resident individual, complying superannuation entity, or registered charity (in certain circumstances) and satisfies the above requirements, the Aus NewCo Shareholder should generally be entitled to a refund of tax to the extent that the franking credits attached to the Aus NewCo Shareholder's dividends exceed the Aus NewCo Shareholder's income tax liability for the relevant income year. Where the Aus NewCo Shareholder is an Australian tax resident company, franked dividends received by the Aus NewCo Shareholder should generally give rise to a franking credit in the Aus NewCo Shareholder's franking account. No refund of tax is available for companies for excess franking credits.

6.3.2 Australian tax implications on the future disposal of Aus NewCo Shares

Any subsequent disposal of Aus NewCo Shares received pursuant to the Proposed Transaction should give rise to a CGT event. The amount of the capital gain or capital loss should depend on the cost base, or reduced cost base, of the Aus NewCo Shares received by the Scheme CDI Holder / Scheme Shareholder. This, in turn, should depend on whether the Scheme CDI Holder / Scheme Shareholder elected roll-over relief (refer above).

In particular if:

- CGT roll-over relief is available and chosen, for the purposes of calculating the cost base and claiming the CGT discount by the Scheme Shareholder / Scheme CDI holder to the subsequent disposal of its Aus NewCo Shares, the Scheme CDI Holder / Scheme Shareholder should be deemed to have acquired the Aus NewCo Shares at the time the Scheme CDI Holder / Scheme Shareholder originally acquired their Scheme CDIs / Scheme Shares. The cost base of each Aus NewCo Share is worked out by reasonably attributing the Scheme CDI Holder's / Scheme Shareholder's original cost base in its Scheme CDI / Scheme Share to the Aus NewCo Shares plus incidental costs; or
- CGT roll-over relief is not available or chosen, for the purposes of calculating the cost base and claiming the CGT discount by the Scheme Shareholder / Scheme CDI Holder to a subsequent disposal of its Aus NewCo Shares, the acquisition date should be the Implementation Date. The cost base of each Aus NewCo Share should be equal to the market value of the Aus NewCo Share exchanged as determined at Implementation Date.

6.4 Non-resident Scheme Shareholders and Scheme CDI Holders – Australian tax considerations

Non-Australian residents who derive a capital gain on the disposal of their Scheme CDIs or Scheme Shares should broadly not be subject to CGT unless the Scheme Shares or Scheme CDIs are "taxable Australian property". The Scheme Shares or Scheme CDIs should be considered taxable Australian property where both the following conditions are satisfied:

- The Securityholder held 10% or more of the issued capital or certain voting or distribution rights of the Company (on an associate inclusive basis) at the date of the disposal of the Scheme Shares / Scheme CDIs or throughout a 12-month period that began no earlier than 24 months before the date of disposal and ended no later than the date of disposal; and

- more than 50% of the market value of the underlying assets of the Company relates to taxable Australian real property (being direct and indirect interests in Australian real property, including leases of Australian land, as well as certain Australian mining, quarrying and prospecting rights).

If the Scheme CDIs or Scheme Shares are “taxable Australian property”, roll-over relief under Subdivision 124-M of the ITAA 1997 in relation to a capital gain or loss on disposal of those shares and CDIs should apply as discussed in Section 6.3 in relation to Australian Shareholders or Australian CDI Holders, subject to the notification requirements outlined in Section 6.3. Where the Scheme CDIs and Scheme Shares are taxable Australian property and roll-over relief is not chosen, the Australian tax implications for non-resident Securityholders should also be the same as discussed in Section 6.3 above. However, no CGT discount is generally available for Securityholders who are not Australian tax residents.

It is also recommended that Securityholders who are non-Australian residents should seek their own independent tax advice regarding the tax implications of the Scheme in their country of tax residence.

6.4.1 Australian tax implications on future dividends paid by Aus NewCo (to non-Australian tax resident shareholders)

Franked dividends received by Aus NewCo Shareholders who are non-Australian tax residents should not generally be subject to dividend withholding tax. Unfranked dividends will be subject to dividend withholding tax. The withholding tax rate is 30% but may be reduced for dividends which are paid to residents of countries which have entered into tax treaties with Australia. Aus NewCo Shareholders are advised to obtain their own tax advice regarding the tax implications of any dividends paid by Aus NewCo.

6.4.2 Australian tax implications on the future disposal of Aus NewCo Shares (by non-Australian tax resident shareholders)

Aus NewCo Shareholders who are non-residents of Australia need to consider both the Australian income tax implications of any future disposal of Aus NewCo Shares and the tax implications of such a disposal in their own jurisdiction.

Broadly, a capital gain or loss may arise for Aus NewCo Shareholders who are not Australian tax residents from the disposal of their Aus NewCo Shares if the shares are taxable Australian property as defined in Section 6.4.

No CGT discount is generally available for Aus NewCo Shareholders who are not Australian tax residents.

6.5 Australian Goods and Services Tax (GST) implications

Scheme Shareholders will not be liable for (nor be required to pay) GST on the disposal of their Scheme Shares or Scheme CDIs or the acquisition of the Aus NewCo Shares. An Australian resident securityholder registered for GST may not be entitled to claim full input tax credits in respect of GST on any expenses incurred relating to the disposal of their Scheme Shares or Scheme CDIs under the Scheme or the acquisition of the Aus NewCo Shares (e.g. lawyers' and accountants' fees). This will depend on the Securityholder's personal circumstances.

6.6 Australian Stamp Duty implications

No stamp duty should be payable in any Australian State or Territory by Scheme CDI Holders and Scheme Shareholders in relation to their participation in the Scheme.

The Scheme will give rise to stamp duty in Victoria which will be payable by Aus NewCo (no stamp duty liability should arise in any other Australian State or Territory). In this respect, the Company has sought and received a private ruling confirming that a stamp duty concession should apply to Aus NewCo's acquisition Scheme Shares.

Importantly, even with the stamp duty concession, there will be a stamp duty cost (imposed at the concessional rate) in Victoria associated with implementing the Scheme. The actual stamp duty cost in Victoria will be based on the applicable values of the Company's assets when the Scheme is implemented.

7. ADDITIONAL INFORMATION

7.1 ASX listing of the Company and Aus NewCo

Aus NewCo will apply to the ASX for admission to ASX's Official List, conditional upon the Scheme becoming Effective. Approval by the ASX of the listing of Aus NewCo is a condition to implementation of the Scheme.

The fact that the ASX may admit Aus NewCo to its Official List is not in any way an indication of the merits of Aus NewCo. The ASX does not take any responsibility for the contents of this Scheme Document.

It is expected that the CDIs will cease trading on the ASX from the date on which the Company confirms to the ASX (prior to 1:00pm AEST) that the Scheme has become Effective, which will therefore be the last day for trading the Company's CDIs prior to the Redomicile under the Scheme. The Company will then apply for termination of the official quotation of its CDIs on the ASX after the Implementation Date.

7.2 The Company's CDI price – 12 months prior to the Last Practicable Date

7.3 Interests of Directors

7.3.1 Directors' interests in the Company

Each of the Directors' relevant interests in Shares, CDIs, options and performance rights, as at the Last Practicable Date, is set out in the table below.

Director Name	Number of unquoted ordinary Shares	Number of CDIs	Number of options (unquoted)	Number of performance rights (unquoted)
George Lloyd		732,254	400,000	800,000
Tiger Brown		97,882,480	-	-
Kang Rong		5,048,407	-	400,000
Gerard King	100	2,059,298	400,000	400,000
Mark Elliott		1,205,576	-	400,000

As at the Last Practicable Date and except as stated above, no Director holds a beneficial interest in any other Shares or securities of the Company.

Other than as set out below, the Directors will not receive any further consideration under the Proposed Transaction, other than as existing Shareholders, CDI Holders, option holders and/or performance rights holders under the Scheme. All of the directors of Aus NewCo will receive remuneration consistent with existing remuneration arrangements with the Company.

7.3.2 Directors' interests in Aus NewCo

Prior to the Proposed Transaction, none of the Directors hold any interests in Aus NewCo.

The following table sets out the relevant interests of each Aus NewCo director in securities of Aus NewCo upon implementation of the Proposed Transaction. The Directors will hold the same proportionate interest in Aus NewCo as they currently hold in the Company, however as Shares and CDIs held in the Company will be replaced with shares in Aus NewCo in the ratio of two new shares in Aus NewCo for every CDI or Share in the Company, the number of shares, options and performance rights held by each Director (and each Scheme Shareholder and Scheme CDI Holder) will double upon implementation.

Director Name	Number of Aus NewCo Shares	Number of options (unquoted)	Number of performance rights (unquoted)
George Lloyd	1,464,508	800,000	1,600,000
Tiger Brown	195,764,960	-	-
Kang Rong	10,096,814	-	800,000
Gerard King	4,118,796	800,000	800,000
Mark Elliott	2,411,152	-	800,000

7.4 Termination payments or other benefits to directors, secretaries or executive officers

Other than as set out in this Scheme Document, no payment or other benefit is proposed to be made or given to any Director, secretary or executive officer of the Company or of its associated companies as compensation for loss of, or as consideration for or in connection with their retirement from, office with the Company or any related body corporate or as a result of the Scheme becoming Effective.

7.5 Other payments and benefits

Other than as disclosed in this Scheme Document, no Director or Aus NewCo director has any other interest, whether as a director, member or creditor of the Company or otherwise, which is material to the Proposed Transaction.

Neither the Company, Aus NewCo nor any of their respective directors has given, or offered or agreed to give, a benefit to another person where the benefit was likely to induce the other person to vote in favour of the Scheme, where that benefit has not been offered to all Shareholders and CDI Holders (other than Excluded Securityholders who, for example, will not be offered Aus NewCo Shares for the reasons set out in Section 1.5).

7.6 Agreements or arrangements with directors

No Director or Aus NewCo director, as at the Last Practicable Date, has entered into an agreement or arrangement with another person in connection with or conditional on the outcome of the Scheme.

7.7 Directors' and officers' interests in contracts with the Company

Save for the service agreements entered into between the Company and the Directors and executive officers, the terms of which are described below, no Directors or Aus NewCo director or executive officers have any interest in any contracts with the Company or Aus NewCo.

Service contracts (or letters of engagement) have been entered into by certain Astron Group entities (being, Astron Corporation Limited, Astron Australia Pty Ltd or Astron Mineral Sands Pty Limited), with all Directors (or Director related entities) and key management personnel, describing the components and amounts of remuneration applicable on their initial appointment. These contracts do not fix the amount of remuneration increases from year to year. Remuneration levels are reviewed generally each year by the Nomination and Remuneration Committee to align with changes in job responsibilities and market salary expectations.

The services of the Managing Director, Tiger Brown, are provided to the Astron Group under a service contract. As at the date of this Scheme Document, Mr Brown's annual fixed remuneration is A\$325,000 excluding superannuation, subject to annual review by the Board, and reimbursement of all reasonable out-of-pocket expenses properly incurred by Mr Brown in connection with the performance of his duties as an executive. Mr Brown is also eligible to participate in the Company's Short-Term and Long-Term Incentive Plans (**STIP** and **LTIP** respectively). Mr Brown does not have a motor vehicle allowance. The period of notice to terminate this contract is six months.

The services of the Chief Financial Officer, Greg Bell, are provided to the Group under a service contract. As at the date of this Scheme Document, Mr Bell's annual salary is A\$367,500 excluding superannuation, subject to annual review by the Board, and reimbursement of all reasonable out-of-pocket expenses properly incurred by Mr Bell in connection with the performance of his duties as an executive. Mr Bell is also eligible to participate in the Company's STIP and LTIP. Mr Bell does not have a motor vehicle allowance. The period of notice to terminate this contract is three months.

The services of the Project Manager, Sean Chelius, are provided to the Group under a service contract. As at the date of this Scheme Document, Mr Chelius' annual salary is A\$422,300 excluding superannuation, subject to annual review by the Board, and reimbursement of all reasonable out-of-pocket expenses properly incurred by Mr Chelius in connection with the performance of his duties as an executive. Mr Chelius is also eligible to participate in the Company's STIP and LTIP. Mr Chelius does not have a motor vehicle allowance. The period of notice to terminate this contract is three months.

The services of the General Manager of Operations, Grant Huggins, are provided to the Group under a service contract. The service contract provides for an annual salary of A\$435,000 including superannuation, subject to annual review by the Board, and reimbursement of all reasonable out-of-pocket expenses properly incurred by Mr Huggins in connection with the performance of his duties as an executive. Mr Huggins is also eligible to participate in the Company's STIP and LTIP. Mr Huggins does not have a motor vehicle allowance. The period of notice to terminate this contract is three months.

The services of the General Counsel and Australian Company Secretary, Joshua Theunissen, are provided to the Group under a consulting service agreement. The service contract provides for an hourly rate of \$330 per hour (excluding GST) with no minimum monthly retainer and reimbursement of all reasonable out-of-pocket expenses properly incurred by Mr Theunissen in connection with the performance of his duties. Mr Theunissen is not eligible to participate in the Company's STIP, however he has been granted performance rights under the LTIP on an ad hoc basis at the Board's discretion. The period of notice to terminate the consulting service agreement is one month.

At the discretion of the Nomination and Remuneration Committee, from time-to-time securities may be issued to executives to reflect their achievements. The Board of the Company approved the ESOP and PRP and, following Securityholder approval of both plans, options and performance rights were issued to certain Directors, key management personnel and other employees. Details of the options and performance rights currently issued to the Directors are set out in Section 7.3.1.

The Company has a formal STIP based on key performance indicators (**KPIs**) set at the beginning of the performance period (1 April) and assessed at the end of the performance period (31 March). Annexure B – Summary of rights attaching to Aus NewCo Shares

Aus NewCo has adopted a constitution which sets out the rights of its shareholders.

A general summary of some of the important features and rights attaching to the shares in Aus NewCo and other key provisions of the Aus NewCo Constitution is set out below. This summary is not intended to be exhaustive and is qualified by the terms of the Aus NewCo Constitution, the Corporations Act, the ASX Listing Rules and the general law.

From the Effective Date, a copy of the Aus NewCo Constitution will be available free of charge from Aus NewCo's registered office during normal business hours.

Rights attaching to shares

The rights attaching to shares in Aus NewCo are set out in the Aus NewCo Constitution and are, in certain circumstances, regulated by the Corporations Act, the ASX Listing Rules, the ASX Settlement Operating Rules and the general law. The principal rights, liabilities and obligations of the shareholders are summarised below.

Voting at general meetings

At a general meeting of Aus NewCo, every shareholder present in person or by proxy, attorney or, where the member is a body corporate, by representative has one vote on a show of hands (unless a shareholder has appointed more than one proxy) and one vote on a poll for each share held (with adjusted voting rights for partly paid shares). If the votes are equal on a proposed resolution, the chairperson of the meeting has a casting vote, in addition to any deliberative vote.

General meetings

Each shareholder of Aus NewCo is entitled to receive notice of, attend and vote at general meetings of Aus NewCo and to receive all notices, accounts and other documents required to be sent to shareholders under the Aus NewCo Constitution, Corporations Act and ASX Listing Rules. Aus NewCo general meetings may be held as physical, hybrid or virtual only meetings. Aus NewCo must give at least 28 days' written notice of a general meeting.

Dividends

The Aus NewCo board may pay any interim and final dividends that, in its judgment, the financial position of Aus NewCo justifies. The Aus NewCo board may also pay any dividend required to be paid under the terms of issue of a share and fix a record date for a dividend and the timing and method of payment.

Issue of further securities

The Aus NewCo board may (subject to the Aus NewCo Constitution, the ASX Listing Rules and the Corporations Act) issue, allot or grant options for, or otherwise dispose of, shares in Aus NewCo on such terms as the Aus NewCo board decides.

Variation of class rights

The procedure set out in the Aus NewCo Constitution must be followed for any variation of rights attached to Aus NewCo shares. Under the Aus NewCo Constitution, the rights attached to any class of shares may, unless their terms of issue state otherwise, be varied:

- with the written consent of the holders of at least 75% of the shares of the class; or
- by a special resolution passed at a separate meeting of the holders of shares of the class.

Transfer of shares

Subject to the Aus NewCo Constitution and to any restrictions attached to Aus NewCo shares, shares may be transferred via a proper ASTC transfer (effected in accordance with the Corporations Regulations, ASX Listing Rules and the ASX Settlement Operating Rules, any other ASX requirements and the Corporations Act), or via a written transfer in any usual form or in any other form approved by the Aus NewCo board and permitted by the relevant laws and ASX requirements. The Aus NewCo board may decline to register a transfer of shares or apply a holding lock to prevent a transfer in accordance with the Corporations Act, ASX Listing Rules or ASX Settlement Operating Rules.

Winding up

Subject to the Aus NewCo Constitution, the Corporations Act and any preferential rights attaching to any class or classes of shares in Aus NewCo, shareholders of Aus NewCo will be entitled on a winding up to a share in any surplus assets of Aus NewCo in proportion to the number of shares held by them. If Aus NewCo is wound up, the liquidator may with the sanction of a special resolution, divide the whole or part of Aus NewCo's property among shareholders in Aus NewCo and decide how the division is to be carried out as between shareholders or different classes of shareholders.

Unmarketable parcels

In accordance with the ASX Listing Rules, the Aus NewCo board may sell shares in Aus NewCo which constitute less than a marketable parcel by following the procedures set out in the Aus NewCo Constitution. The Aus NewCo board may only sell shares in Aus NewCo held under these provisions on one occasion in any 12-month period. This right only arises if the shareholder is given at least six weeks' notice of the Aus NewCo board's intention and does not, in that period, tell the Aus NewCo board that the shareholder wishes to retain the shares.

Proportional takeover provisions

The Aus NewCo Constitution requires approval of Aus NewCo shareholders in relation to any proportional takeover bid. These provisions will cease to apply unless they are renewed by shareholders passing a special resolution by the third anniversary of either the date that the provisions were adopted or the date these provisions were last renewed.

Directors – appointment and removal

Under the Aus NewCo Constitution, the Aus NewCo board is comprised of a minimum of three and a maximum of nine directors, unless Aus NewCo's shareholders pass a resolution varying that number at a general meeting. Directors are elected or re-elected at general meetings of Aus NewCo.

No director (excluding any managing director) may hold office without re-election beyond the third annual general meeting following the meeting at which the director was last elected or re-elected. The Aus NewCo board may also appoint a director in addition to the existing directors or to fill a casual vacancy on the Aus NewCo board, and that director (apart from the managing director) will then hold office until the conclusion of the next annual general meeting of Aus NewCo.

Directors – voting

Questions arising at a meeting of the Aus NewCo board must be decided by a majority of votes cast by the directors present at the meeting and entitled to vote on the matter. If the votes are equal on a proposed resolution, the chairperson of the meeting has a casting vote in addition to his or her deliberative vote, unless there are only two directors present or entitled to vote (in which case the chairperson of the meeting does not have a second or casting vote and the proposed resolution is taken as lost).

Directors – remuneration

See Section 7.7 for a description of the remuneration arrangements for Aus NewCo directors.

Powers and duties of directors

The business and affairs of Aus NewCo are to be managed by or under the direction of the Aus NewCo board, which (in addition to the powers and authorities conferred on it by the Aus NewCo Constitution) may exercise all powers and do all things that are within Aus NewCo's power and the powers that are not required by law or by the Aus NewCo Constitution to be exercised by Aus NewCo in general meeting.

Preference shares

Aus NewCo may issue preference shares in Aus NewCo including preference shares which are, or at the option of Aus NewCo or the holder are, liable to be redeemed or convertible to ordinary shares. The rights attaching to preference shares are those set out in the Aus NewCo Constitution unless other rights have been approved by special resolution of Aus NewCo.

Indemnities and access to records

Aus NewCo indemnifies each director, alternate director and executive officer of Aus NewCo on a full indemnity basis and to the full extent permitted by law against all losses, liabilities, costs, charges and expenses incurred by that person as an officer of Aus NewCo or its related bodies corporate. Aus NewCo, to the extent permitted by law, may purchase and maintain insurance, or pay or agree to pay, a premium for insurance for each director, alternate director and executive officer of Aus NewCo against any liability incurred by that person as an officer of Aus NewCo or its related bodies corporate, including but not limited to a liability for negligence or for reasonable costs and expenses incurred in defending or responding to proceedings (whether civil or criminal and whatever their outcome). Aus NewCo may enter into contracts with an Aus NewCo director or former director agreeing to provide continuing access to board papers, books, records and documents of Aus NewCo which relate to the period during which the director or former director was a director. Aus NewCo may procure that its subsidiaries provide similar access to board papers, books, records or documents.

Amendment

The Aus NewCo Constitution may be amended only by a special resolution passed by shareholders of Aus NewCo.

Annexure C – Comparison of Hong Kong and Australian legal regimes

Rights attaching to shares		
Share Capital	<p>The Companies Ordinance (Cap. 622 of the Laws of Hong Kong) does not prescribe any minimum share capital requirement or any maximum limit on the share capital for which the Company's members may subscribe. Issue of additional shares	<p>Under the Companies Ordinance, the Directors of the Company cannot allot shares without an ordinary resolution of the Company's shareholders, unless such shares are issued to present members in proportion to their shareholdings.</p> <p>The approval granted at a general meeting may be specific (i.e. confined to a particular allotment) or may also be general and such approval expires, in the case of the Company which is required to hold an annual general meeting, on (i) the conclusion of the next annual general meeting, or (ii) the end of the period within which the next annual general meeting is required to be held, whichever is earlier.</p> <p>The ASX Listing Rules apply to the Company.</p>	<p>Subject to the ASX Listing Rules and the Corporations Act, Aus NewCo's Constitution authorises the board to allot and issue shares in Aus NewCo to persons, including members, directors or employees of Aus NewCo on such terms and with such rights as the board determines.</p> <p>Under the ASX Listing Rules, Aus NewCo is prohibited from issuing or agreeing to issue securities in any rolling 12-month period which amount to more than 15% of Aus NewCo's fully paid ordinary securities unless it obtains shareholder approval or unless one of a number of specified exceptions applies.</p> <p>There are also restrictions on issuing securities where Aus NewCo is subject to a takeover or where a majority shareholder has notified Aus NewCo of its intention to call a general meeting to appoint/remove directors.</p> <p>The issue of securities to directors and other related parties of Aus NewCo is regulated under the Corporations Act and the ASX Listing Rules. Share Certificates	<p>The Companies Ordinance provides that every person whose name is entered as a member in the Register of Members shall be entitled to receive a share certificate without payment within two months after allotment (unless the conditions of issue of the shares otherwise provide) or 10 business days from lodgement of a transfer.</p>	<p>As Aus NewCo Shares will be held in uncertificated holdings under the ASX Settlement Operating Rules, Aus NewCo will not issue share certificates.</p>
Buy-back of shares	<p>Since the Company is not a company listed on a recognised stock exchange under the Companies Ordinance (i.e. The Stock Exchange of Hong Kong Limited), it may only repurchase its own shares under a contract approved in advance by a special resolution, and cannot conduct on-market buy-backs of either its shares or CDIs.</p> <p>Further, subject to the conditions in the Companies Ordinance, such buy-backs are to be made out of distributable profits, the proceeds of a new issue of shares, or out of capital.</p>	<p>The Corporations Act allows Aus NewCo to buy-back its own shares through a specific buy-back procedure provided that:</p> <ul style="list-style-type: none"> the buy-back does not materially prejudice Aus NewCo's ability to pay its creditors; and Aus NewCo follows the procedures set out in the Corporations Act. <p>The buy back procedure which includes the form of shareholder approval (for example, ordinary, special or unanimous resolutions), notice period and disclosure to be given to the shareholders, depends on the type of buy back.</p> <p>In accordance with the Corporations Act and the ASX Listing Rules, Aus NewCo may buy back shares.</p>

In particular, the Company may not prevent the registration of a proper transfer of quoted securities except in certain circumstances, including a disposal of any restricted securities unless permitted under the ASX Listing Rules (i.e. securities subject to escrow for a specified period).</p>	<ul style="list-style-type: none"> the Corporations Act, the ASX Listing Rules or the ASX Settlement Operating Rules forbid the registration; subject to section 259C of the Corporations Act, registration of the transfer would result in a transfer to a controlled entity of Aus NewCo; or the securities the subject of the transfer notice are classified as restricted securities under the ASX Listing Rules (i.e. securities subject to escrow for a specified period).
Dividends and distributions	<p>The Articles provide that the Company by ordinary resolution may declare dividends but no dividend shall exceed the amount recommended by the directors.</p> <p>The Articles also provide that the directors may from time to time pay to members interim dividends, if such interim dividends appear to the directors to be justified by the profits of the Company.</p> <p>The Articles specify that no dividend shall be paid otherwise than out of profits. Interest is not payable by Aus NewCo in respect of a dividend.</p> <p>In accordance with section 254T of the Corporations Act, before declaring a dividend, the directors should be satisfied that:</p> <ul style="list-style-type: none"> Aus NewCo's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend; the payment of the dividend is fair and reasonable to Aus NewCo's shareholders as a whole; the payment of the dividend does not materially prejudice Aus NewCo's ability to pay its creditors.
Voting rights	<p>The Company's Articles provide that, subject to the rights or restrictions as to voting which may be attached to or imposed on any class of shares, at a general meeting:</p> <ul style="list-style-type: none"> on a show of hands, every member present in person, by proxy or by its duly authorised representative shall have one vote; on a poll every member present in person, by proxy or by its duly 	<p>Aus NewCo's Constitution provides that:</p> <ul style="list-style-type: none"> on a show of hands each individual present who is a member or representative of a member entitled to vote has one vote; on a poll each shareholder has one vote for every fully paid share held and a fraction of a vote for each partly paid share held, with the fraction of the vote

(Chapter 622 of the Laws of Hong Kong)

SCHEME OF ARRANGEMENT
under section 673 of the Companies Ordinance
(Chapter 622 of the Laws of Hong Kong)

NOTICE OF COURT MEETING

NOTICE IS HEREBY GIVEN that, by an order (the “**Order**”) dated 27 June 2025 made in the above matters, the High Court (the “**Court**”) of the Hong Kong Special Administrative Region of the People’s Republic of China (“**Hong Kong**”) has directed that a meeting (the “**Court Meeting**”) of the holders of ordinary shares (“**Shares**”) (the “**Shareholders**”) in the share capital of Astron Corporation Limited (the “**Company**”) be convened for the purpose of considering and, if thought fit, approving (with or without modification) a scheme of arrangement (the “**Scheme**”) proposed to be made between the Company and the Scheme Shareholders (as defined in the Scheme), and that the Court Meeting will be held at The Executive Centre, Level 15, AIA Central, No. 1 Connaught Road Central, Hong Kong, with access through online platform, on 30 July 2025 at 10:00am (Hong Kong Time, “**HKT**”) / 12:00pm (Australian Eastern Standard Time, “**AEST**”) at which place and time all Shareholders are requested to attend.

A copy of the Scheme and a copy of the explanatory statement (the “**Explanatory Statement**”) explaining the effect of the Scheme, required to be furnished pursuant to section 671 of the Companies Ordinance (Chapter 622 of the Laws of Hong Kong), are incorporated in the scheme document dated 2 July 2025 of which this notice forms part (the “**Scheme Document**”), a printed English version of which has been sent to the Shareholders and holders of CHESS Depository Interests (“**CDI(s)**”) (the “**CDI Holders**”) of the Company, based on the information stated in the register of members and the register of CDI Holders as at the last practicable date before the date of the Scheme Document, by pre-paid registered mail.

By virtue of article 49 of the Company's articles of association, for joint holders of Shares and CDIs, the Scheme Document and the notice of the Court Meeting (as contained in the Scheme Document) will be sent to that one of the joint holders whose name stands first in the register of members or CDI register, and notice so given shall be sufficient notice to all the joint holders of Shares or CDIs.

A copy of the Scheme Document can also be obtained by any person entitled to attend the Court Meeting during usual business hours from 9:00 am to 5:00 pm (HKT or AEST as the case may be) on any day prior to the day appointed for the Court Meeting (other than a Saturday, Sunday or a public holiday in Hong Kong or Melbourne, Australia, as the case may be) from (i) the registered office of the Company at 31/F., 148 Electric Road, North Point, Hong Kong, (ii) the Company's Hong Kong share registry, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong; (iii) the Company's Australian share registry, Computershare Investor Services Pty Limited at Yarra Falls, 452 Johnston Street, Abbotsford, Victoria 3067, Australia or (iv) at the office of the Company's legal adviser, Herbert Smith Freehills Kramer, at 23rd Floor, Gloucester Tower, 15 Queen's Road Central, Hong Kong. Voting by proxy for Shareholders

The Shareholders entitled to attend and vote at the Court Meeting are entitled to appoint one or more persons (whether such person is a Shareholder or not) as his/her proxy or proxies to attend and vote on his/her behalf. A proxy need not be a Shareholder. If more than one proxy is appointed, the number of Shares in respect of which each such proxy is so appointed must be specified in the relevant proxy form. Every Shareholder present in person or by proxy shall be entitled to have one vote for each Share held by him/her/it. A form of proxy for use at the Court Meeting (the **"Proxy Form"**) is enclosed with the Scheme Document.

It is requested that Proxy Forms, together with any power of attorney or other authority under which the Proxy Form is signed or a certified copy of that power or authority, and a declaration or statement by the proxy that he or she has not received any notice of revocation of appointment, be received by the Company's Hong Kong share registry, Computershare Hong Kong Investor Services Limited:

- by post or hand delivery at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong; or

The completed Proxy Form needs to be received by the Company's Hong Kong share register no later than 10:00am (HKT) / 12:00pm (AEST) on 28 July 2025, or in any case of any adjournment thereof, not less than 48 hours (exclusive of any part of a day that is a public holiday) before the time appointed for the holding of such adjourned meeting. If the Proxy Form is not so lodged, it may also be handed to the Chair of the Court Meeting before taking the poll, who shall have absolute discretion as to whether or not to accept it.

Where there are joint registered holders of any Shares of the Company, only the vote of the most senior holder who votes (and any proxies duly authorised by the holder) may be counted. The seniority of a holder of Shares is determined by the order in which the names of the joint holders appear in the Company's register of members.

Voting instructions for CDI Holders

The CDI Holders are invited to attend at the Court Meeting but are not entitled to vote personally at the Court Meeting. Alternatively, holdings in CDIs may be converted to a holding of Shares to vote at the Court Meeting. In order to direct CHESS Depositary Nominees Pty Ltd (“CDN”) to cast votes in respect of the underlying Shares at the Court Meeting on their behalf, CDI Holders must complete, sign and return the voting instruction form (the “**CDI Voting Instruction Form**”) enclosed with the Scheme Document to the Company’s Australian share registry, Computershare Investor Services Pty Limited:

- by hand: Yarra Falls, 452 Johnston Street, Abbotsford, Victoria 3067, Australia;
- by post: GPO Box 1282, Melbourne VIC 3001 Australia;
- by fax: 1800 783 447 (within Australia) or +61 3 9473 2555 (outside Australia); or
- through the designated website www.investorvote.com.au.

The completed CDI Voting Instruction Form needs to be received by the Company’s Australian share registry no later than 10:00am (HKT) / 12:00pm AEST on 24 July 2025, or in any case of any adjournment thereof, not less than 48 hours (exclusive of any part of a day that is a public holiday) before the time appointed for the holding of such adjourned meeting.

Where there are joint registered holders of any CDIs of the Company, all CDI Holders should sign the CDI Voting Instruction Form. If more than one of the joint CDI Holders gives an instruction, the latest dated, jointly signed CDI Voting Instruction Form received will be valid.

Voting record date

The record date for determining the entitlement of members of the Shares to attend and vote at the Court Meeting will be fixed on 24 July 2025 (the “**Voting Record Date**”). In order to be eligible to attend and vote at the Court Meeting, all transfer documents accompanied by the relevant share certificates (if any) must be lodged with the Company’s Hong Kong share registry, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong for registration not later than 4:30pm (HKT) / 6:30pm (AEST) on 24 July 2025 (or such other date as the Shareholders and the CDI Holders may be notified by announcement).

Automatic postponement of the Court Meeting for Bad Weather and Extreme Conditions

If there is a “black” rainstorm warning or a tropical cyclone warning signal number 8 or above or extreme conditions in force at or after 8:00am (HKT) on 30 July 2025 and/or the Hong Kong Observatory has announced at or before 8:00am (HKT) on 30 July 2025 that any of the above mentioned warnings are to be issued within the next two hours, the Court Meeting shall automatically be postponed to the next Business Day (as defined in the Scheme Document) on which no “black” rainstorm warning or tropical cyclone warning signal number 8 or above is hoisted and no extreme conditions are in force between the hours of 8:00am (HKT) to 10:00am (HKT) and in such case the Court Meeting shall be held at 10:00am (HKT) on that Business Day at The Executive Centre, Level 15, AIA Central, No. 1 Connaught Road Central, Hong Kong. For the avoidance of doubt, the Court Meeting will be held as scheduled even when a tropical cyclone warning signal number 3 or below is hoisted or an amber or red rainstorm warning signal is in force. Shareholders should make their own decision as to whether to attend the Court Meeting under bad weather conditions bearing in mind their own situation and, if they should choose to do so, they are advised to exercise care and caution.

Other important information

By the Order, the Court has appointed George Lloyd (the Chair of the Company), and failing him, Gerard King, both being directors of the Company, to act as chair of the Court Meeting and has directed the chair of the Court Meeting to report the result thereof to the Court.

If approved at the Court Meeting, the Scheme will be subject to the subsequent sanction of the Court as set out in the Explanatory Statement contained in the Scheme Document.

ROLL-OVER ELECTION FORM

Use a black pen.

Where a choice is required mark the box with an ☒

IMPORTANT – This is an important document and requires your attention. Please use this Roll-over Election Form if you intend to obtain rollover relief under the Scheme. Where roll-over relief applies, you may be eligible to defer capital gains tax (see Section 6 of the Scheme Document for further details).

THIS ROLL-OVER ELECTION FORM CANNOT BE USED BY INELIGIBLE OVERSEAS SECURITYHOLDERS OR OWNERS OF PRE-CAPITAL GAINS TAX (CGT) SHARES AND/OR CHESS DEPOSITARY INTERESTS (CDIS) IN ASTRON CORPORATION LIMITED (ASC) (SHARES AND/OR CDIS THAT WERE ACQUIRED BEFORE 20 SEPTEMBER 1985).

Do not complete this Roll-over Election Form until you have read the accompanying Scheme Document, in particular Section 6, and the instructions on this Roll-over Election Form.

If you are unsure whether you can obtain roll-over relief you should seek independent tax advice.

To be a valid choice for roll-over relief, you must choose to obtain roll-over relief by the time your income tax return for the year ending 30 June 2026 is lodged (no specific notice seeking to claim the rollover needs to be lodged with the Australian Taxation Office). You must also notify Astron Limited (Aus NewCo) of your cost base of your original interest in your ASC Shares and/or CDIs.

A. ELECTION FOR ROLL-OVER RELIEF

Is it your intention to obtain roll-over relief in respect of the Aus NewCo Shares that you receive under the Scheme? If so, please mark the box with an "X". As the roll-over relief is a joint choice by you and Aus NewCo, Aus NewCo will choose to obtain roll-over relief to the extent that the choice is made by you. If you do not mark the box below, Aus NewCo will not make a joint election for roll-over relief with you and you may be liable for capital gains tax on disposal of your ASC Shares and/or CDIs.

IMPORTANT NOTES

- Securityholders (other than Ineligible Overseas Securityholders or owners of pre-CGT shares – see below) are entitled to choose whether they obtain roll-over relief under the Scheme.
- Defined terms in the accompanying Scheme Document have the same meanings where used in this Roll-over Election Form, unless otherwise defined in this form.
- If you are in any doubt as to how to deal with this Roll-over Election Form, please contact your legal, financial or other professional adviser.

INELIGIBLE OVERSEAS SECURITYHOLDERS

No Aus NewCo Shares will be issued to Ineligible Overseas Securityholders under the Scheme. If you are an Ineligible Overseas Securityholder, you cannot make a choice for roll-over relief and Aus NewCo will instead issue and allot Aus NewCo Shares in respect of your entitlement to a Sales Agent who will sell your Aus NewCo Shares and account to you for the net proceeds (as described in Section 1.5 of the Scheme Document).

PRE-CGT SHARES

Rollover relief is not available in respect of pre-CGT shares and/or CDIs (i.e. shares and/or CDIs acquired before 20 September 1985). Any gain or loss incurred by you in respect of the transfer of pre-CGT shares and/or CDIs to Aus NewCo under the Scheme will be disregarded for CGT purposes.

HOW TO COMPLETE THIS ROLL-OVER ELECTION FORM

STEP 1 – Read the Scheme Document (in particular Section 6) that accompanied this Roll-over Election Form.

STEP 2 – Decide whether you intend to obtain roll-over relief under the Scheme.

If you intend to obtain roll-over relief:

STEP 3 – Complete sections A, B and C of this Roll-over Election Form. More details on these sections are set out below.

STEP 4 – Return this completed Roll-over Election Form to Computershare as described under “Where to return this form” below.

STEP 5 – Prepare your tax return for the year ended 30 June 2026 in a manner that reflects this choice, by not including any capital gain relating to the disposal of your Shares and/or CDIs.

A. Roll-over Election

Choosing roll-over relief – If you intend to obtain roll-over relief under the Scheme, please mark the box “YES” in the Roll-over Election Form. You must then complete sections B and C of this Roll-over Election Form and return it to Computershare as described under “Where to return this form” below. You must also ensure you prepare your tax return for the year ended 30 June 2026 in a manner that reflects this choice, by not including any capital gain relating to the disposal of your Shares and/or CDIs.

Not choosing roll-over relief – if you choose not to obtain roll-over relief under the Scheme, you do not need to complete or submit this Roll-over Election Form. In this case, Aus NewCo will not make a joint election for roll-over relief with you and you may be liable for capital gains tax on disposal of your ASC Shares and/or CDIs.

B. Notification of cost base

If you intend to obtain roll-over relief, you must notify Aus NewCo of your cost base in your original interest in ASC. Please provide the cost base of your original interest in ASC Shares and/or CDIs immediately before you received Aus NewCo Shares. The cost base is broadly made up of the amount you paid for your original interest in ASC Shares and/or CDIs including, for example, brokerage and stamp duty costs, or the cost base determined for the ASC Shares / CDIs under a previous CGT roll-over (where applicable).
