G6M Releases 31 December 2024 Consolidated Interim Financial Statements

Group 6 Metals Limited (G6M or the Company) is pleased to announce the release of its Consolidated Interim Financial Statements for the 6-month period ending 31 December 2024. Having very recently released the Company's 30 June 2024 Annual Report, the release of the Interim Financial Statements brings the Company up to date with its corporate reporting requirements and marks another significant milestone in the Board and management's focus on achieving long term stability and success for the Company, and tungsten mining on King Island.

Group 6 Metals Limited now wishes to inform shareholders of the following key events and milestones that the Company expects to achieve in the coming weeks:

- FY25 Interim Financial Statements now released;
- A Notice of Meeting to re-convene the FY24 Annual General Meeting to finalise shareholder voting on several key items of business for the Company's administration and compliance;
- June 2025 Quarterly Activity Report expected to be released before the end of July 2025 at which time an operational update will be available and provided to the market.

The Company has been in consultation with the ASX in relation to seeking clarity on any further requirements that will need to be met for lifting the suspension of trading of the Company's shares on ASX and will continue to progress this objective in parallel to the above activities.
