Euro Manganese Announces Appointment of Sherry Roberge as Interim Chief Financial Officer and Martina Blahova as Director

VANCOUVER, British Columbia (July 15 , 2025/July 16, 2025 Australia) – Euro Manganese Inc. (TSX-V and ASX: EMN; Frankfurt: E060) (the “**Company**” or “**Euro Manganese**”) today announced the appointment of Ms. Sherry Roberge as Interim Chief Financial Officer effective July 15, 2025.

Ms. Roberge is a Chartered Professional Accountant and a Chartered Accountant with more than 15 years of experience in the resource sector. She brings extensive public company management experience with international operations, encompassing corporate governance, regulatory compliance, corporate finance and financial reporting, investor relations and marketing, public company financing, and merger transactions. Her experience includes acting as Chief Financial Officer and Corporate Secretary of NorthX Nickel Corp., a Canadian base metals exploration and development company and Chief Financial Officer and Corporate Secretary of Defiance Silver Corp., a Mexico-based precious metals exploration and development company. Ms. Roberge is a member of the Institute of Chartered Professional Accountants of British Columbia and holds a Bachelor of Commerce degree from Royal Roads University and a Master of Professional Accounting from the University of Saskatchewan.

Martina Blahova, CEO of Euro Manganese, commented, “I am delighted to welcome Sherry to Euro Manganese. Her broad expertise across finance, governance, and capital markets, coupled with her experience in the resource sector, will be a valuable asset to the Company as we continue to execute on our strategic priorities.”

Euro Manganese also announced today the appointment of Ms. Martina Blahova, President and Chief Executive Officer, to the Board of Directors (the “**Board**”) of the Company, effective July 15, 2025. As [previously announced](#), Ms. Blahova’s official appointment follows her successful acquisition of a Director Identification Number (DIN) from the Australian Business Registry Services.

About Euro Manganese

Euro Manganese is a battery materials company focused on becoming a leading producer of high-purity manganese for the electric vehicle industry. The Company is advancing development of the Chvaletice Manganese Project in the Czech Republic and an early-stage opportunity to produce battery-grade manganese products in Bécancour, Québec.

The Chvaletice Project is a unique waste-to-value recycling and remediation opportunity involving reprocessing old tailings from a decommissioned mine. It is also the only sizable resource of manganese

in the European Union, strategically positioning the Company to provide battery supply chains with critical raw materials to support the global shift to a circular, low-carbon economy.

Euro Manganese is dual listed on the TSX-V and the ASX.

Authorized for release by the CEO of Euro Manganese Inc.

Neither TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) or the ASX accepts responsibility for the adequacy or accuracy of this release.

Forward-Looking Statements

Certain statements in this news release constitute “forward-looking statements” or “forward-looking information” within the meaning of applicable securities laws. Such statements and information involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance, or achievements of the Company, its Chvaletice Project, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or information. Such statements can be identified by the use of words such as “may”, “would”, “could”, “will”, “intend”, “expect”, “believe”, “plan”, “anticipate”, “estimate”, “scheduled”, “forecast”, “predict” and other similar terminology, or state that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved.

Readers are cautioned not to place undue reliance on forward-looking information or statements. Forward-looking statements are subject to a number of risks and uncertainties that may cause the actual results of the Company to differ materially from those discussed in the forward-looking statements and, even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on, the Company.

Forward looking statements include statements about benefits of leadership changes, and ability to navigate current market conditions. All forward-looking statements are made based on the Company's current beliefs including various assumptions made by the Company including that the Chvaletice Project will be developed and operate in accordance with current plans, that the Company will be able to raise the financing that it requires, and that it will meet conditions of its secured credit facility. Factors that could cause actual results or events to differ materially from current expectations include, among other things: risks and uncertainties related to maintaining necessary licenses or permits; risks related to acquisition of surface rights; securing sufficient offtake agreements; the availability of acceptable financing; the potential for unknown or unexpected events to cause contractual conditions to not be satisfied; developments in EV (Electric Vehicles) battery markets and chemistries; and risks related to fluctuations in currency exchange rates, changes in laws or regulations; and regulation by various governmental agencies. For a further discussion of risks relevant to the Company, see "Risk Factors" in the Company's annual information form for the year ended September 30, 2024, available on the Company's SEDAR+ profile at www.sedarplus.ca.

Although the forward-looking statements contained in this news release are based upon what management of the Company believes are reasonable assumptions, the Company cannot assure investors that actual results will be consistent with these forward-looking statements. These forward-looking statements are made as of the date of this news release and are expressly qualified in their entirety by this cautionary statement. Subject to applicable securities laws, the Company does not assume any obligation to update or revise the forward-looking statements contained herein to reflect events or circumstances occurring after the date of this news release.
