COURT CONVENED SCHEME MEETING

TO BE HELD AT 10:00AM (AEST) ON MONDAY, 4 August 2025

Nick Falloon, NON-EXECUTIVE DIRECTOR AND CHAIRMAN

SLIDE 0 – SCHEME MEETING COVER SLIDE (WELCOME)

Good morning everyone and welcome to the Scheme Meeting of Domain Holdings Australia Limited which has been convened pursuant to an order of the Supreme Court of New South Wales dated 30 June 2025. My name is Nick Falloon and I am the Chairman of the Domain Board. I will be chairing today's meeting.

Before we begin today, I would like to acknowledge the Traditional Custodians of the land on which we meet, the Gadigal people of the Eora nation. We pay our respects to them, their cultures and to their Elders past, present and emerging.

It is now just past 10:00am, the designated time for the meeting, and I am advised that the necessary quorum is present. I therefore declare the Domain Scheme Meeting **OPEN**.

On behalf of the Domain Board and the management team, I would like to welcome our shareholders and thank you all for attending today.

I am joined by Domain Board members, Diana Ellert, Greg Ellis, Geoffrey Kleemann, Matthew Stanton, Mickie Rosen and Peter Tonagh. Representatives of Domain's share registry, MUFG Corporate Markets, are also present to assist in the poll process of the Scheme Meeting.

Also present are our legal and financial advisers in relation to the Scheme, Gilbert + Tobin and UBS.

The purpose of this Scheme Meeting is for shareholders to vote on a proposed scheme of arrangement (which I will refer to as "the **Scheme**") under which CoStar Group, Inc. (which I will refer to as "**CoStar**") will acquire, through its indirect wholly-owned subsidiary, Andromeda Australia SubCo Pty Limited (which I will refer to as "**Bidder Sub**"), all of the shares in Domain held by Domain Shareholders (other than members of the CoStar Group who are described as "**Excluded Shareholders**").

This meeting has been called under the Notice of Scheme Meeting dated 30 June 2025 included in the Scheme Booklet sent to Domain Shareholders and which can be accessed on the ASX website and on Domain's shareholder website. I now table the Notice of Scheme Meeting, which I will take as read.

SLIDE 1 – EVACUATION AND EMERGENCY PROCEDURES

Before we proceed with the Scheme Meeting, I have a couple of quick housekeeping points.

In the unlikely event of an emergency or evacuation, please follow the green EXIT signs to evacuate, as displayed on the screen.

I also remind everyone that this is a shareholders' meeting and only Domain Shareholders, appointed proxies, corporate representatives and attorneys have a right to speak at the meeting. For those joining us today in person, if you have not already done so, I would appreciate it if all mobile phones could be switched to silent. Recording devices and cameras must not be used during the meeting.

SLIDES 2 & 3 – DISCLAIMER, AGENDA

I will first outline certain procedural matters including the logistics of the meeting, then provide an overview of the Scheme, before moving to the formal business of the meeting, which is the Scheme Resolution. There will also be an opportunity to ask questions relating to the Scheme Resolution later in the meeting.

SLIDE 4 – PROCEDURAL MATTERS (COVER SLIDE)

Today's meeting is being held as a hybrid meeting. This allows Domain Shareholders who are unable to join us in-person to attend the meeting virtually via the online platform. All attendees can watch a live webcast of the meeting.

SLIDE 5 – ATTENDANCE CARDS

Those attending in person would have received an attendance card at the time of registration. Shareholders and shareholders' attorneys, proxyholders and corporate representatives holding a YELLOW card may vote by paper and are also entitled to speak. Non-voting shareholders holding a BLUE card are not entitled to vote but may ask questions and make comments. Visitors holding a RED card may not speak or vote. If you believe you have an incorrect admission card, please see MUFG staff at the registration desk for assistance.

SLIDE 6 – ASKING QUESTIONS ONLINE

At the appropriate time, Domain Shareholders and their proxies, attorneys or representatives may ask questions. Those who are in the room can address the meeting directly, and those who are online can ask questions via the platform by clicking the "Ask a Question" button. The process for submitting a written question or asking an audio question is shown on the screen.

As shown on the left hand side of the screen, for those wishing to ask a written question, please select the category 'Approval of Scheme of Arrangement' in the 'Regarding' section, and click 'Submit Question' once you have entered your question.

As shown on the right hand side of the screen, for those wishing to ask an audio question, please click on 'Go to web phone', type in your name and hit the green call button, and select 'Start call' to enter the meeting. You may press *1 on the keypad to raise your hand to ask a question or make a comment, and *2 to lower your hand. When it is time to ask your question, the moderator will introduce you and prompt you to speak. If you have also joined the online webcast from another device, please mute the webcast audio to avoid feedback or similar issues.

If you need to return to these guidelines during the meeting, you can refer to the Online Platform Guide included in the Scheme Booklet. If you experience any difficulties, the Help line number is displayed at the top of the webpage: 1800 990 363.

As a courtesy to all present, I ask that questions and comments be limited to the Scheme Resolution which is being put to this meeting, and be submitted in an orderly manner.

As Chairman, I reserve the right to rule out of order all questions not pertaining to the Scheme Meeting.

SLIDE 7 – VOTING ONLINE

I will now briefly summarise the voting procedures which apply to this meeting.

As outlined in the Notice of Scheme Meeting included in the Scheme Booklet, the vote on the Scheme Resolution will be conducted by a poll. I now declare the poll **OPEN**. You may submit your votes at any time until I close the poll. I will provide notice before closing the poll. The result of the poll will be declared and released to the ASX later today.

As Chairman of today's meeting, I will vote all available proxies in favour of the Scheme Resolution.

Shareholders participating via the online platform may vote during the meeting using the 'Get a Voting Card' button. Instructions on how to do this are displayed on the screen.

Please note that if you cast a live vote at today's Scheme Meeting any vote by proxy previously submitted will be overridden.

If you have previously appointed a proxy, when logging in to the live webcast of the Scheme Meeting, you would have been presented with the option to either revoke your proxy or view the Scheme Meeting as a 'non-voting shareholder'. If you revoked your proxy when logging in, you will be able to participate in and vote at the Scheme Meeting. However, if you did not revoke your proxy, then you will only be able to view the live webcast of the Scheme Meeting and ask questions. You will not be able to vote on the Scheme Resolution.

SLIDE 8 – VOTING IN-PERSON

Shareholders and their appointed attorneys, proxies and corporate representatives who are entitled to vote on the Scheme Resolution and are attending today's meeting in person have received a YELLOW admission card. On the reverse of your YELLOW admission card is your voting paper and instructions, as shown on the screen.

Proxyholders have attached to their admission card a Summary of Proxy Votes, which details the voting instructions for the Scheme Resolution.

By completing the voting paper, when instructed to vote in a particular manner, you are deemed to have voted in accordance with those instructions.

In respect of any open votes a proxyholder may be entitled to cast, please mark a box beside the resolution to indicate how you wish to cast your open votes.

Proxyholders should refer to the Summary of Proxy Votes form attached to their admission card for further information.

Shareholders are required to mark a box beside the resolution to indicate how you wish to cast your votes.

When you have finished filling in your voting paper, please lodge it in the ballot box to ensure your votes are counted.

SLIDE 9 – CHAIRMAN'S ADDRESS (COVER PAGE)

Before we move onto the Scheme Resolution, I would like to say a few words about the proposed scheme of arrangement.

SLIDE 10 – OVERVIEW OF THE SCHEME

On 9 May 2025, Domain announced that it had entered into a Scheme Implementation Deed with CoStar and Bidder Sub, under which Bidder Sub agreed to acquire all of the shares in Domain (other than shares held by Excluded Shareholders) pursuant to a scheme of arrangement.

CoStar is a US-based global leader in real estate information, analytics, online marketplaces and 3D digital twin technology and is publicly listed on Nasdaq.

A detailed Scheme Booklet, including a copy of the Independent Expert Report prepared by Grant Samuel, was sent to shareholders in accordance with the orders of the Supreme Court of New South Wales made on 30 June 2025. I will take these documents as read.

If the Scheme is approved and implemented, Domain Shareholders will receive \$4.43 cash per Domain Share held at the Scheme Record Date less the amount of the Special Dividend determined and paid by Domain. This morning, the Domain Board determined to pay a fully franked Special Dividend of 8.8 cents per Domain Share prior to implementation of the Scheme, subject to the Scheme becoming effective.

The Scheme Consideration of \$4.43 per Domain Share represents a 42% premium to the undisturbed trading price of Domain shares on 20 February 2025, prior to Domain's announcement that it had received an unsolicited non-binding indicative proposal from CoStar to acquire Domain.

If the Scheme becomes effective, Domain Shareholders will receive a fully franked Special Dividend of 8.8 cents per Domain Share prior to implementation of the Scheme. Certain Domain Shareholders may be able to realise the benefit of up to 3.77 cents of franking credits per Domain Share that will be attached to that Special Dividend.

SLIDE 11 – INDEPENDENT EXPERT'S CONCLUSIONS

The Domain Board appointed Grant Samuel as the Independent Expert to assess the merits of the Scheme. The Independent Expert has concluded that the Scheme is fair and reasonable and therefore is in the best interests of Domain Shareholders (other than Excluded Shareholders), in the absence of a superior proposal.

The Independent Expert assessed the underlying value of Domain Shares to be between \$4.06 and \$4.46 per Domain Share on a fully diluted basis. The Scheme Consideration of \$4.43 per Domain Share is close to the top end of the Independent Expert's value range.

SLIDE 12 – THE DOMAIN'S BOARD UNANIMOUS RECOMMENDATION AND THE DOMAIN DIRECTORS' VOTING INTENTIONS

The Domain Board unanimously recommends that Domain Shareholders (other than Excluded Shareholders) vote in favour of the Scheme in the absence of a Superior Proposal and the Independent Expert continuing to conclude that the Scheme is in the best interests of Domain Shareholders (other than Excluded Shareholders).

At the time of this Scheme Meeting, no such proposal has emerged, and the Domain Directors are not aware of any Superior Proposal that is likely to emerge. The Independent Expert's conclusion also has not changed.

Domain Shareholders should have regard to the interests of the Domain Directors when considering the recommendation of the Domain Directors. These interests are disclosed in section 9 of the Scheme Booklet. Prior to today's meeting, Domain Directors who hold or control Domain Shares have voted or procured the voting of all their Domain Shares in favour of the Scheme.

SLIDE 13 – REASONS WHY YOU MIGHT VOTE FOR OR AGAINST THE SCHEME

In reaching its recommendation, the Domain Board carefully considered the expected advantages and potential disadvantages of the Scheme. These are set out in section 1 of the Scheme Booklet and are summarised on the screen.

It should also be noted that Nine Entertainment Co. Holdings Limited (which I will refer to as “**Nine**”), is Domain’s controlling shareholder with a relevant interest in approximately 60% of Domain Shares. Nine has confirmed that it intends to vote all of the Domain Shares it holds or controls in favour of the Scheme. This is in the absence of a superior proposal (as determined by Nine) and subject to the Independent Expert continuing to conclude that the Scheme is in the best interests of Domain Shareholders (other than Excluded Shareholders).

Having regard to the significant premium to pre-announcement trading, the certainty of value which would be delivered by the Scheme Consideration and the support of Domain’s major shareholder, Nine, the Domain Board considers the Scheme to be in the best interests of Domain Shareholders.

SLIDE 14 – STATUS OF CONDITIONS PRECEDENT

The Scheme remains subject to a limited number of customary conditions which are set out in the Scheme Booklet, and your Directors are not aware of any circumstances which would cause any of the outstanding conditions precedent not to be satisfied. These conditions primarily include:

- Domain Shareholders (other than Excluded Shareholders) approving the Scheme Resolution at today’s Scheme Meeting; and
- approval of the Scheme by the Supreme Court of New South Wales.

The Scheme was subject to regulatory approval from the Foreign Investment Review Board which has now been obtained. The Scheme is also subject to other customary conditions precedent which must be satisfied or waived, as described in the Scheme Booklet.

SLIDE 15 – INDICATIVE IMPLEMENTATION TIMETABLE

The indicative timetable for implementation of the Scheme, if it is approved, is shown on the screen.

If the Scheme is approved by Domain Shareholders today at the Scheme Meeting, Domain will apply to the Supreme Court of New South Wales for a Court order approving the Scheme. The Court hearing to approve the Scheme is scheduled for 9:15am on Wednesday, 6 August 2025.

If the Court approves the Scheme, a copy of the Court orders will be lodged with ASIC, following which the Scheme will become Effective and Domain Shares will be suspended from official quotation on the ASX. This is expected to occur on 7 August 2025.

As announced this morning, the Domain Directors have determined to pay, conditional on the Scheme becoming Effective, a fully franked Special Dividend of 8.8 cents per Domain Share. It is expected that the Special Dividend Record Date for determining entitlements to the Special Dividend will be 7:00pm on 12 August 2025 and the Special Dividend will be paid on 19 August 2025.

The Scheme is expected to be implemented on 27 August 2025, on which date Domain Shareholders (other than Excluded Shareholders) will be paid the Scheme Consideration of \$4.43 cash per Domain Share held on the Scheme Record Date of 7:00pm on 20 August 2025, less the amount of the Special Dividend paid by Domain.

Each of these dates and times are in Australian Eastern Standard Time, are indicative only and are subject to change. Domain will announce any changes to the ASX.

If the Scheme is not approved by Domain Shareholders or the Court, or any of the other outstanding conditions precedent are not satisfied or waived, the Scheme will not proceed, Domain will continue as a standalone entity listed on the ASX and Domain Shareholders will not receive the Scheme Consideration.

SLIDE 16 – FORMAL BUSINESS (COVER SLIDE)

I will now turn to the formal business of today's Scheme Meeting.

SLIDE 17 – SCHEME RESOLUTION

The sole item of business for consideration today is the Scheme Resolution as set out in the Notice of Scheme Meeting and shown on the screen.

For the Scheme to proceed, the Scheme Resolution must be approved by:

- a majority in number of Domain Shareholders (other than Excluded Shareholders) present and voting (including by proxy) at today's Scheme Meeting; and
- at least 75% of the total number of votes cast on the Scheme Resolution by Domain Shareholders (other than Excluded Shareholders).

The Excluded Shareholders are not entitled to vote on the Scheme Resolution. As mentioned earlier, I am advised that Bidder Sub is the only Excluded Shareholder.

SLIDE 18 – Q&A (COVER SLIDE)

We will now take questions in relation to the Scheme and the Scheme Resolution. A reminder that this is a shareholders' meeting, so only Domain Shareholders or their appointed proxies, attorneys or representatives are entitled to ask questions.

Our Company Secretary has advised that no questions have been submitted prior to the meeting. We will now take questions from the room and address the written questions that have been submitted during the meeting. I will either answer the questions, will pass those questions onto the most appropriate person from Domain to answer, or I may take a question on notice if necessary. If you have any questions, please submit them now if you have not already done so.

Thank you for your questions.

SLIDE 19 – PROXY VOTES

The details of the proxy results on the Scheme Resolution prior to the Scheme Meeting are shown on the screen.

SLIDE 20 & 21 – VOTE (COVER SLIDE), SCHEME RESOLUTION

We will now proceed to the vote. Please select “For”, “Against” or “Abstain” next to the Scheme Resolution on your electronic voting card or your paper voting card.

For those who are attending today's meeting in person, would you please indicate by raising your hand if you require more time to complete and lodge your voting paper.

That completes the formal part of the meeting. I now declare the Scheme Meeting closed, subject to the finalisation of the poll. The poll will remain open for a further five minutes to allow you to complete your voting.

SLIDE 22 – THANK YOU

I would like to take this opportunity to thank you all for your attendance today as well as for your continued support of Domain. I would also like to acknowledge my fellow Directors and the management team and all employees for their commitment and support including during the Scheme process.

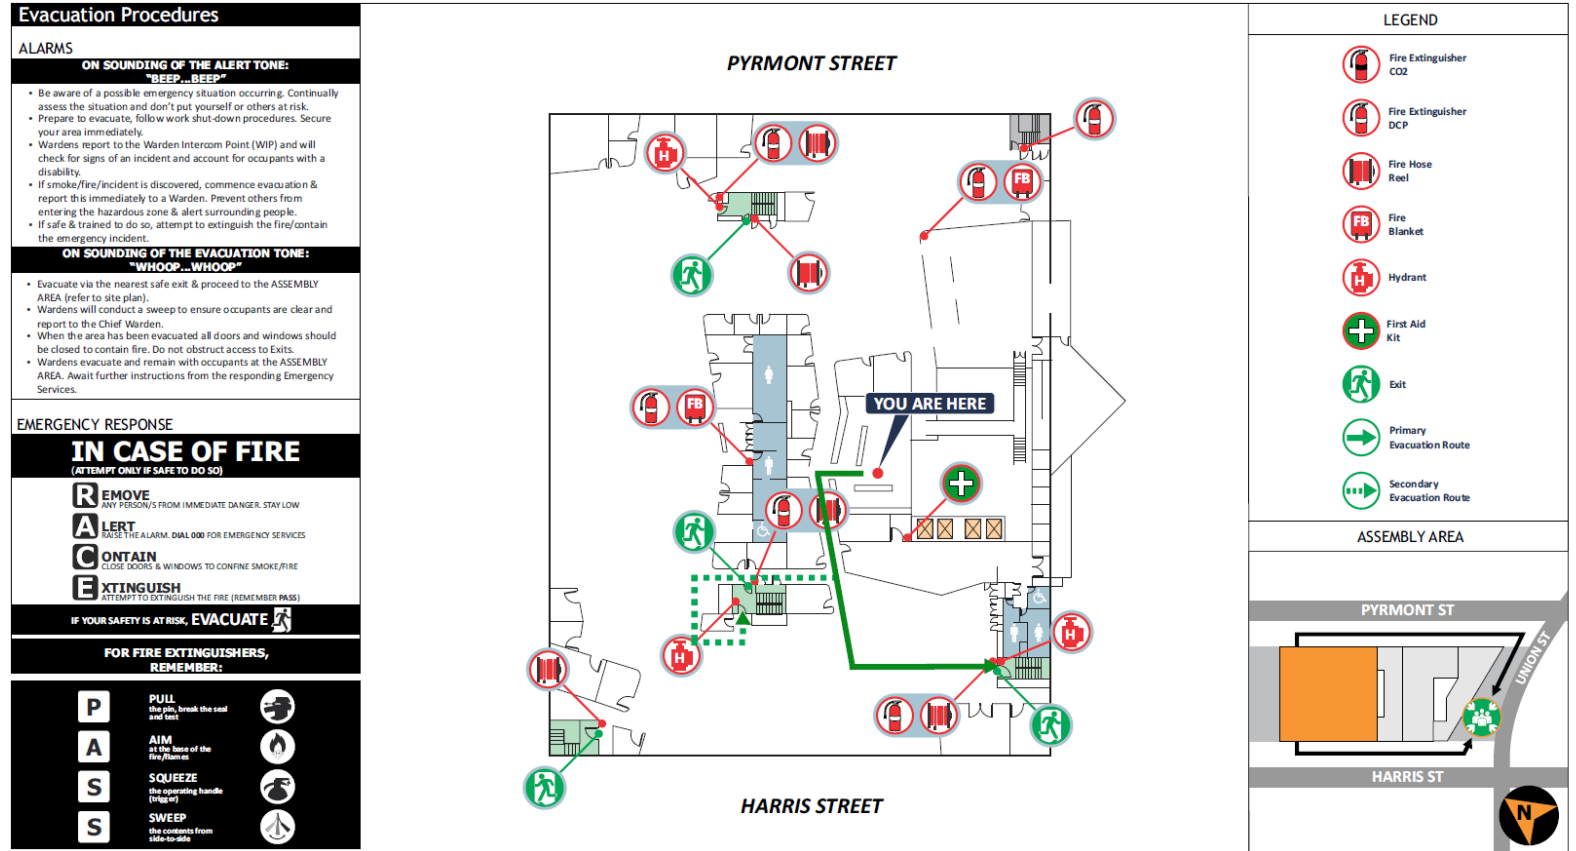

For those attending in-person, I invite you to join me, my fellow Directors and Domain management, for morning tea.
