INTRODUCTION

In order to comply with the provision of POJK 17/2020 and POJK 31/2015, the Company's Board of Directors announces this Information Disclosure to provide information to the Company's Shareholders that the Company has entered into a facilities agreement for up to US\$500,000,000 term and revolving credit facilities dated 1 August 2025 (such agreement as may be amended, modified, supplemented or novated from time to time however fundamentally, including the alteration of its nature, purpose or period or the change of its parties, increase of any size in the amount of the facility made under it, hereinafter referred to as the "**Facilities Agreement**") made by and among (i) the Company as borrower, (ii) DBS Bank Ltd., MUFG Bank, Ltd., PT Bank SMBC Indonesia Tbk, Sumitomo Mitsui Banking Corporation Singapore Branch and United Overseas Bank Limited as mandated lead arrangers, underwriters and bookrunners and creditors, (iii) PT Bank DBS Indonesia as agent of the Finance Parties (other than itself) and (iv) United Overseas Bank Limited as sole coordinator (the "**Transaction**").

The Transaction is a Material Transaction as referred to in POJK 17/2020 and is considered Material Information or Fact as referred to in POJK 31/2015. Further, the Transaction is not an Affiliated Transaction or a Conflict of Interest Transaction as referred to in POJK 42/2020.

The Transaction is exempted from the obligation to comply with part of the provisions of Article 6 of POJK 17/2020.

The Company's Board of Directors announces this Information Disclosure through the Company's website and the Indonesia Stock Exchange website with the intention of providing comprehensive information and insights to the Company's Shareholders regarding the Transaction. Additionally, the Company has submitted the supporting documents for this Information Disclosure to the OJK in accordance with the provisions of POJK 17/2020.

EXPLANATION, CONSIDERATIONS, AND REASONS FOR CONDUCTING MATERIAL TRANSACTION

On 16 April 2025, the Company has signed a mandate letter which provided the appointment and the granting of exclusive mandate for (i) United Overseas Bank Limited to act as the sole coordinator; and (ii) DBS Bank Ltd., MUFG Bank, Ltd., PT Bank SMBC Indonesia Tbk, Sumitomo Mitsui Banking Corporation Singapore Branch and United Overseas Bank Limited to act as the mandated lead arrangers, underwriters and bookrunners (the "**MLAUBs**") to arrange, manage the primary syndication of and underwrite the loan facilities. In light of this, the Company has signed the Facilities Agreement on 1 August 2025. The purpose of the loan facilities is to fund the Company's general corporate purposes including but not limited to capital expenditures, acquisitions, working capital needs and payment of fees and expenses related to the loan facilities. Further details regarding the Facilities Agreement are set out in the next section.

DESCRIPTION OF THE TRANSACTION

A. Scope of the Transaction

Facilities amount:

- up to US\$250,000,000 term credit facility ("**Facility A**"); and
- up to US\$250,000,000 revolving credit facility ("**Facility B**").

Interest:

The aggregate of Margin (being 1.025% for any Offshore Lender and 1.075% for any Onshore Lender) and Reference Rate (being the term SOFR reference rate administered by CME Group Benchmark Administration Limited).

Availability Period and Final Repayment Date:

- **Availability Period:**
 - in relation to Facility A, the period from and including the date of the Facilities Agreement to and including the date falling 18 Months after the date of the Facilities Agreement; and
 - in relation to Facility B, the period from and including the date of the Facilities Agreement to and including the date falling 59 Months after the date of the Facilities Agreement.
- **Maturity:** in relation to each of Facility A and Facility B, the date falling 60 months from the date of the Facilities Agreement.

Repayment:

Facility A:

- Instalment repayment in the amount equal to the applicable percentage of the aggregate outstanding Facility A Loans as at the end of the Availability Period applicable to Facility A, which percentage is set out under the Facilities Agreement.
- In addition to the requirements above, the Company shall repay all other amounts accrued or outstanding under the Finance Documents on the Final Repayment Date.
- The Company may not reborrow any part of Facility A which is repaid.

Facility B:

The Borrower shall repay each Facility B Loan on the last day of its Interest Period.

Governing law and dispute resolution:

The Facilities Agreement is governed by English law and any dispute arising out of or in relation thereto shall be referred to arbitration by the Singapore International Arbitration Centre.

B. Materiality of Transaction

The Transaction is exempted from the obligation to comply with some provisions of Article 6 of POJK 17/2020. The exemptions applicable to the Transaction and the reasoning therefore are explained below:

a. Exemption from having to use an Appraiser (Article 6 paragraph 1(a) of POJK 17/2020)

Under Article 6 paragraph 1(a) of POJK 17/2020, any listed company conducting a Material Transaction is required to employ an Appraiser to determine the fair value of the Material Transaction's objects and/or the reasonableness of the transaction concerned. However, based on Article 11 paragraph (b) of POJK 17/2020, this requirement is exempt if the material transaction is a loan transaction directly received from banks, venture capital companies, financing companies, or infrastructure financing companies, both domestic and foreign. As the Transaction is a direct loan or facilities transaction given by banks, the Company is exempted from the requirement to use an Appraiser under POJK 17/2020.

b. Exemption from having to obtain prior approval from the GMS (Article 6 paragraph 1(d) of POJK 17/2020)

Based on Article 6 paragraph 1(d) of POJK 17/2020, any listed company conducting a Material Transaction is required to obtain prior approval from the GMS in the case that: (i) the transaction value exceeds 50% of the listed company's equity; (b) in the case of a listed company with negative equity, the transaction value exceeds 25% of its total assets; or (c) the appraisal report states that the Material Transaction is unreasonable. However, based on Article 11 paragraph (b) of POJK 17/2020, this requirement is exempt if the material transaction is a loan transaction directly received from banks, venture capital companies, financing companies, or infrastructure financing companies, both domestic and foreign. As the Transaction is a direct loan or facilities transaction given by banks, the Company is exempted from the requirement to obtain prior GMS approval for the Transaction.

C. Parties Carrying Out the Transaction

The parties to the Transaction are as follows.

1. Company

General Explanation

The Company was formerly a State-Owned Enterprise, established under the name "Perusahaan Negara (PN) Aneka Tambang" in the Republic of Indonesia on 5 July 1968, based on Government Regulation No. 22 of 1968 as a result of the merger of the General Leadership Body of State-Owned Mining Companies, the State-Owned Company for Bauxite Mining in Indonesia, the State-Owned Company for Tjikotok Gold Mining, the State-Owned Company for Precious Metals, PT Nikel Indonesia, the South Kalimantan Diamond Mining Project, and former Bapetamb Projects. This establishment was announced in the Supplement to the State Gazette of the Republic of Indonesia No. 36 of 1968 on 5 July 1968.

On 14 June 1974, based on GR 26/1974, the Company's form was changed from a State-Owned Company to a Limited Liability Company (Persero) and since then became known as "Perusahaan Perseroan (Persero) PT Aneka Tambang." The Company's name was later changed to "PT Aneka Tambang (Persero)" based on Notarial Deed No. 320 dated 30 December 1974, made before Warda Sungkar Alurmei, S.H., as a replacement for Abdul Latief, a Notary in Jakarta, through Deed of Amendment No. 55 dated 14 March 1975, made before Abdul Latief, a Notary in Jakarta, to comply with the provisions stipulated in Law 9/1969, GR 12/1969, GR 26/1974, Presidential Instruction 11/1973, and Minister of Finance Decree No. 1768 of 1974. These deeds received approval from the MoLHR in Decree No. Y.A. 5/170/4 dated 21 May 1975, were registered in the register book at the South Jakarta District Court under No. 1736 and No. 1737 dated 27 May 1975, and were announced in the State Gazette No. 312, Supplement to the State Gazette No. 52 dated 1 July 1975.

In 1997, the Company conducted its initial public offering to the public with 430,769,000 (four hundred thirty million seven hundred sixty-nine thousand) shares at a nominal value of Rp1,000.00 (*one thousand Rupiah*) per share at an offering price of Rp1,400.00 (one thousand four hundred Rupiah) per share. Consequently, since 27 November 1997, all Company shares have been listed on the Jakarta and Surabaya Stock Exchanges (now Indonesia Stock Exchange). Subsequently, the Company's name was changed to Perusahaan Perseroan (Persero) PT Aneka Tambang Tbk, abbreviated as PT Aneka Tambang (Persero) Tbk based on the Declaration Deed of the Extraordinary General Meeting of Shareholders of Perusahaan

Perseroan (Persero) PT Aneka Tambang Tbk No. 48 dated 15 September 1997. In 1999, the Company also listed its shares in the form of Chess Depository Interests on the ASX as a Foreign-Exempt Listing and later upgraded its listing status to ASX Listing in 2002.

Furthermore, in 2017, following the establishment of the Mining Industry Holding by the Government of the Republic of Indonesia, there was a transfer of ownership of Series B shares in the Company by 65% (sixty-five percent) in accordance with GR 47/2017. Pursuant to GR 47/2017, the ownership of the Republic of Indonesia over 15,619,999,999 (fifteen billion six hundred nineteen million nine hundred ninety-nine thousand nine hundred ninety-nine) Series B shares in the Company was transferred to Perusahaan Perseroan (Persero) PT Indonesia Asahan Aluminium ("**Inalum**") as an additional State capital participation in Inalum ("**Holding Transaction**").

The Holding Transaction did not result in a change in control within the Company as the Republic of Indonesia retained control through indirect share ownership in the Company. Subsequently, through ownership of Series A shares in the Company, the Republic of Indonesia retained specific rights not granted to the holders of Series B shares in accordance with the provisions in the Company's Articles of Association.

As a result of the Holding Transaction, Inalum became the direct holder of 65% (sixty-five percent) of Series B shares in the Company, while the public holds 35% (thirty-five percent) of Series B shares in the Company, whereas Dwiwarna Series A shares in the Company are still owned by the Republic of Indonesia. Therefore, the Company's status, initially a Persero (state-owned enterprise), changed to a Limited Liability Company (Non-Persero) as stated in the Deed No. 89 dated 29 November 2017, executed before Jose Dima Satria S.H., M.Kn., a Notary in South Jakarta, and obtained approval from the MoLHR through Decree No. AHU-0026147.AH.01.02. Year 2017 dated 13 December 2017, and acknowledgment notification from the MoLHR through Letter No. AHU-AH.01.03-0200027 dated 13 December 2017.

In accordance with (i) GR 47/2017; (ii) Minister of Finance Decree No. 887/KMK.06/2017; and (iii) Agreement on the Transfer of the Republic of Indonesia's Rights to Shares in the Company and in the context of Additional State Capital Participation of the Republic of Indonesia in the Share Capital of Inalum dated 27 November 2017, the total issued and fully paid-up shares in the Company amounted to Rp2,403,076,472,500.00 (*two trillion four hundred three billion seventy-six million four hundred seventy-two thousand five hundred Rupiah*) or 24,030,764,725 (twenty-four billion thirty million seven hundred sixty-four thousand seven hundred twenty-five) shares, consisting of one Dwiwarna Series A share and 24,030,764,724 (twenty-four billion thirty million seven hundred sixty-four thousand seven hundred twenty-four) Ordinary Series B shares.

In December 2022, the Indonesian Government issued GR 45/2022 regarding the reduction of state capital participation in Inalum and GR 46/2022 regarding state capital participation for the establishment of a state-owned limited liability company (Persero) in the mining sector. In line with the implementation of GR 45/2022, Inalum returned ownership of 15,619,999,999 (fifteen billion six hundred nineteen million nine hundred ninety-nine thousand nine hundred ninety-nine) Series B shares in the Company to the Government of the Republic of Indonesia for the purpose of reducing state capital participation.

Subsequently, in compliance with the implementation of GR 46/2022, concurrently with the effective reduction of state capital participation, the Government of the Republic of Indonesia transferred its ownership of 15,619,999,999 (fifteen billion six hundred nineteen million nine hundred ninety-nine thousand nine hundred ninety-nine) Series B shares in the Company to MIND ID as a state capital injection for the establishment of MIND ID. MIND ID is a state-owned

enterprise in which all shares are owned by the Government of the Republic of Indonesia. Commencing from 21 March 2023, the Company remains indirectly controlled by the Government of the Republic of Indonesia and is directly controlled by MIND ID.

Furthermore, the Company's Articles of Association have undergone several amendments and restatement. The most recent amendment and restatement was formalized in Deed No. 7 dated 11 July 2025, drawn before Titik Krisna Murti Wikaningsih Hastuti, S.H., M.Kn., Notary in South Jakarta, as approved by the MoL pursuant to Decree No. AHU-0049332.AH.01.02.TAHUN 2025 dated 25 July 2025 and registered in Company Register maintained by the MoL pursuant to Company Register No. AHU-0170132.AH.01.11.TAHUN 2025 dated 25 July 2025 ("**Company's Articles of Association**").

Business Activities

Based on Article 3, Paragraph (1) of the Company's Articles of Association, the purpose and objectives of the Company are to engage in mining activities involving various types of mineral resources, and to operate in industries, trade, transportation, and services associated with the mining of these various types of mineral resources. Additionally, the aim includes optimizing the utilization of the Company's resources to produce high-quality goods and/or services with strong competitiveness, pursuing profits to enhance the Company's value by adhering to the principles of a Limited Liability Company. To achieve these purposes and objectives, the Company may undertake the following main business activities:

- a. engaging in mining activities involving various mineral resources, including but not limited to: (i) bauxite ore mining; (ii) nickel ore mining; and (iii) gold and silver mining;
- b. operating in industries associated with the mining of various mineral resources, encompassing, but not limited to: (i) production of non-iron base metals; (ii) production of precious base metals; (iii) clay brick/ceramic manufacturing industry; (iv) tile manufacturing from clay/ceramics; (v) precious metal jewelry industry for personal use; (vi) precious metal jewelry industry not for personal use; (vii) precious metal goods industry for technical and/or laboratory use; (viii) Other Precious Metal Goods Industry;
- c. conducting trade activities related to various mineral resources, including processed/refined mineral commodities, both in physical (including digital physical gold) and non-physical trading (including hedging), such as: (i) wholesale trade of jewelry and watches; (ii) wholesale trade of metals and metal ores; (iii) physical commodity traders; (iv) web portals and/or digital platforms for commercial purposes; (v) wholesale trade of tiles, bricks, roof tiles, and similar products made from clay, limestone, cement, or glass; (vi) wholesale trade of cement, limestone, sand, and stones; (vii) other business support service activities; (viii) warehousing and storage services; (ix) retail trade through various media for various goods;
- d. operating transportation services for both its own purposes and other parties related to the mining of various mineral resources, including: (i) motorized transport for specialized goods; (ii) railway transport for goods; (iii) domestic maritime transport for specialized goods; (iv) port services activities; (v) river and lake transport for specialized goods; (vi) river and lake port services activities;
- e. providing services associated with the mining of various mineral resources (excluding legal and tax consultancy services), including: (i) other support activities for mining and quarrying; (ii) laboratory testing services; (iii) other management consultancy activities; (iv) engineering activities and associated technical consultancy; (v) activities in the field of

education, not limited to private technical education, other private education, and educational support activities; (vi) other technical analysis and testing; (vii) technical installation inspection services; (viii) industrial process commissioning, quality assurance, and quality control services.

Furthermore, as per Article 3 paragraph (3) of the Company's Articles of Association, the Company may also engage in supportive/complementary activities aimed at optimizing the utilization of owned resources, including but not limited to:

- a. optimization activities and utilization of assets, whether it be land, buildings, or other asset forms, including but not limited to real estate owned or leased;
- b. industrial estates;
- c. plantation, agriculture, and forestry, encompassing all economic/business activities, including food crop farming, plantations, horticulture, forest harvesting, and this category also includes support services for each of these economic activities;
- d. properties, including (i) star-rated hotels; (ii) hotel apartments; (iii) owned or leased real estate; (iv) health center activities; (v) private hospital activities; (vi) private clinic activities;
- e. optimization and utilization of owned resources, including but not limited to power plants and energy, not restricted to electricity generation activities;
- f. waste management, encompassing all activities related to wastewater, garbage, hazardous and toxic waste management, including collection, transportation, storage, and utilization; including but not limited to (i) collection of non-hazardous wastewater; (ii) collection of hazardous wastewater; (iii) treatment and disposal of non-hazardous wastewater; (iv) treatment and disposal of hazardous wastewater; (v) collection of non-hazardous waste and garbage; (vi) collection of hazardous waste; (vii) treatment and disposal of non-hazardous waste and garbage; (viii) treatment and disposal of hazardous waste; (ix) recovery of metal material goods; (x) recovery of non-metal material goods;
- g. tourist areas;
- h. privately managed museums;
- i. information and communication, including but not limited to (i) private radio broadcasting; (ii) telecommunications activities for self-use; (iii) cableless telecommunications activities in compliance with applicable laws and regulations;
- j. provision of clean water and distribution of clean water for industrial activities, including: (i) collection, purification, and distribution of drinking water; (ii) collection and distribution of raw water;
- k. land preparation, sand excavation, and other building constructions;
- l. operation of storage and warehousing facilities for (i) oil and natural gas storage; and (ii) hazardous and toxic waste storage activities.

Capital Structure and Shareholders Composition of the Company
