

ASX Announcement

11 August 2025

Successful \$500,000 Placement and Launch of Security Purchase Plan

Litchfield Minerals Limited (ASX: LMS) (“Litchfield” or “the Company”) is pleased to announce it has successfully undertaken a company-led placement (“**Placement**”) to raise **\$500,000** before costs, utilising the Company’s 7.1 (2,450,864 shares and 2,025,000 options) and 7.1A (1,599,136 shares) placement capacity. The Placement was conducted at **\$0.10 per share**, with one free attaching option (exercise price \$0.10, expiring 31 August 2027) for every two shares subscribed. Any of the funds raised by Brokers will attract a capital raising fee of 6% plus GTS paid in cash. Details of the options are attached in Appendix A.

In recognition of the ongoing support from our shareholders, the Company also intends, subject to shareholder approval, to undertake a **Security Purchase Plan (SPP)** to raise up to \$1,000,000 with free attaching options, on the same terms as the Placement, allowing eligible shareholders to participate on the same terms as the Placement. The timetable for the placement and the SPP is as follows:

Recorded Date	Friday 8 August 2025
Announcement of Placement and SPP	11 August 2025
Lodgement of SPP and Prospectus with ASIC and ASX, SPP offer opens	19 August 2025
SPP close	12 September 2025
General meeting to approve related party placement and SPP	15 September 2025
Announce results of SPP and issue securities	19 September 2025

The Placement was intentionally kept small and offered to a select group of sophisticated investors. The Board and members of the Litchfield Minerals team subscribed for **\$105,000** (subject to shareholder approval for the Board), representing approximately **21%** of the total funds raised in the Placement demonstrating confidence in the Company’s exploration programme.

Placement Shares and attaching options (excluding to the Board) are expected to be issued on or around 14 August 2025. Shareholder approval for the Board to subscribe for \$95,000 of the Placement, and to issue the options under the SPP, will be sought at a shareholder meeting scheduled for mid-September 2025.

Proceeds from the Placement and the forthcoming SPP will be applied towards:

- Funding end-of-year drilling campaigns; and
- Working capital requirements.

Litchfield’s Managing Director, Matthew Pustahya, said:

“We’re pleased to have secured this funding on tight terms while maintaining strong insider participation. This capital allows us to push ahead with our planned drilling programs and exploration activities into year-end, while also giving our existing shareholders the opportunity to participate on the same terms through the SPP.”
