Investor Update
Etherstack plc (ASX:ESK)
11th August 2025

Authorised for release by David Deacon, CEO and David Carter, CFO

Disclaimer

This presentation has been prepared by Etherstack plc (ARBN 156 640 532) (“Etherstack” or “the Company”). The information in this presentation is for information purposes only and is not investment, financial product, legal or tax advice.

This presentation contains summary information about the activities of Etherstack and subsidiaries. The information in this presentation does not purport to be complete nor does it purport to contain all the information that a prospective investor may require in evaluating a possible investment in Etherstack. This presentation should be read in conjunction with Etherstack’s other periodic and continuous disclosure announcements lodged with the Australian Securities Exchange (ASX), which are available at www.asx.com.au or at www.etherstack.com

Statements in this presentation are made only as of the date of this presentation unless otherwise stated and the information in this presentation remains subject to change without notice. Etherstack is not responsible for providing updated information to any prospective investors.

Past performance information given in this presentation is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance. The historical information in this presentation is, or is based upon, information that has been released to the market. For further information, please see past announcements released to the ASX.

This presentation may contain forward-looking statements with respect to the financial condition, results of operations, business of Etherstack and certain plans and objectives of management. Actual outcomes may differ materially from forward-looking statements. Forward-looking statements, opinions and estimates provided in this presentation are likely to involve uncertainties, assumptions, contingencies and other factors. As a result, unknown risks may arise, many of which are outside the control of Etherstack. Forward-looking statements including projections, guidance on future earnings and estimates are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. Etherstack disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise.

Should you have any specific queries in respect of this disclaimer please contact Etherstack directly.
