**Boost to Investor Engagement through the Launch of Interactive Investor Hub**

Manuka Resources Limited ACN 611 963 225 (ASX: **MKR**) (**Company**) has launched its new interactive Investor Hub. The platform will allow dedicated investor engagement with the Company.

ASX announcements, presentations, business updates, questions and comments in response to news flow will be hosted on the Investor Hub.

The Company encourages Shareholders and interested parties to join the Investor Hub at <https://www.manukaresources.com.au/auth/signup> and then follow the prompts to create your investor hub account with Manuka.

Manuka is looking forward to entering its most exciting growth period as its Cobar Basin silver and gold assets progress to production together with the regulatory advancements of its VTM Project in New Zealand.

The Board views the new Investor Hub as providing a place for Company investors to stay up to date with the latest announcements and company-related news. The Company is committed to strengthening investor engagement through direct, transparent, and frequent communication and launching the interactive Investor Hub is a step to in that commitment.

This announcement has been approved for release by the Executive Chairman of Manuka Resources Limited Board.
