DETAILS OF THE SPP AND KEY INFORMATION

You should read this section in conjunction with the attached Terms and Conditions.

1. What is the share purchase plan or SPP?

The SPP is an opportunity for Eligible Shareholders to purchase additional Shares in the Company without incurring brokerage, commission, or other transaction costs.

Eligible Shareholders may subscribe for up to \$30,000 worth of New Shares in parcels of \$1,000, \$2,500, \$5,000, \$10,000, \$15,000, \$20,000, \$25,000 or \$30,000, and must be for a minimum of \$1,000 and a maximum of \$30,000. Applications may be scaled back at the absolute discretion of Silver Mines.

2. How much is Silver Mines raising under the SPP?

Silver Mines is looking to raise up to \$3,000,000 under the SPP.

At Silver Mines' absolute discretion, it may issue more or less New Shares under the SPP. However, Silver Mines will not issue New Shares to an applicant, either alone or in conjunction with the issue of other New Shares under the SPP, if doing so would contravene any law or the ASX Listing Rules.

Funds raised under the SPP will be allocated in the same manner as the Company's Placement which was announced on 5 August 2025 ("**August Placement**"). The proceeds of the August Placement, SPP (and any Shortfall) will be utilised predominately for the following:

- progression of the Bowdens Silver Project development consent approvals and engineering studies;
- ongoing community and freehold purchases including property purchases, and land access agreements;
- continued exploration aimed at Mineral Resource growth across the Calico North Project and Kramer Hills Project located in the United States as well as the Company's New South Wales projects including the Bara Creek Prospect and Tuena Project; and
- business development opportunities.

The proceeds will also be used for costs of the Placement and SPP, and for corporate and general working capital purposes.

3. Do I have to participate in the SPP?

No, participation in the SPP is entirely voluntary. Silver Mines recommends you seek independent financial advice from your stockbroker, accountant or other professional adviser, prior to deciding whether to take part in the SPP.

If you do not wish to participate in the SPP, do nothing.

4. What is the Issue Price of the New Shares?

The Issue Price of the New Shares will be \$0.12 per New Share, which is the same issue price as the August Placement.

In accordance with the requirements of *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* ("**ASIC CI 2019/547**"), the Company notes that:

- (a) On the last trading day immediately prior to the announcement date of the SPP Offer (being Thursday, 31 July 2025), the closing price of the Shares traded on the ASX was \$0.13 per Share. The Issue Price is a 7.7% discount to that closing price.
- (b) The volume weighted average market price ("**VWAP**") of the Company's Shares over the last 5 trading days up to and including Thursday, 31 July 2025 was \$0.143 ("**5 Day VWAP**"). The Issue Price represents a 16.3% discount to the 5 Day VWAP.
- (c) The Issue Price is less than the market price of Shares during a 'specified period' in the 30 days before the date of the SPP Offer (such specified period being the 5 Day VWAP).
- (d) The market price of Shares in the Company may rise and fall between the date of the SPP Offer and the date that any New Shares are issued under the SPP Offer.
- (e) By making an application under the SPP Offer, each Eligible Shareholder will be acknowledging that although the Issue Price is at a discount to the 5 Day VWAP, Shares are a highly speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make the SPP Offer and the date of issue of New Shares under the SPP Offer. The Share prices may rise or fall and the price of Shares might trade below or above the Issue Price. There can be no guarantee that trading prices will be sustained.

By applying to purchase New Shares under the SPP, you will agree to be bound by the Terms and Conditions. Your application is unconditional and may not be withdrawn even if the market price of Shares is less than the Issue Price.

In accordance with ASX Listing Rule 7.2 Exception 5, the Issue Price is equal to or greater than 80% of the volume weighted average price for the 5 days in which trading in the Shares occurred before the date of the announcement of the SPP Offer.

5. Who is eligible to participate in the SPP?

Holders of Shares that are registered with an Australian or New Zealand address at the Record Date are eligible shareholders ("**Eligible Shareholders**") and may participate in the SPP, unless such registered shareholder holds Shares on behalf of another person who resides outside of Australia or New Zealand. Due to foreign securities laws, it is not practical for shareholders (or beneficial shareholders) resident in other countries to be offered the opportunity to participate in the SPP.

Participation in the SPP is optional and subject to the Terms and Conditions within this Booklet. Offers made under the SPP are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any Shares offered under the SPP). Eligible Shareholders who wish to take up New Shares issued under the SPP agree to be bound by the Company's constitution in respect of New Shares issued under the SPP.

An offer may, at the discretion of the directors of the Company ("**Directors**"), be made under the SPP once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12-month period is \$30,000. The Directors may also determine in their discretion the minimum amount for participation, the multiple of Shares to be offered under the SPP and the period the offer is available to Eligible Shareholders.

The SPP Offer is also being extended to Eligible Shareholders who are Custodians, to participate in the SPP on behalf of Participating Beneficiaries on the Terms and Conditions provided in this Booklet.

The Company will issue the New Shares under ASX Listing Rules 7.2 (Exception 5) and 10.12 (Exception 4).

Directors who are Eligible Shareholders may participate in the SPP Offer, on the same terms as all other Eligible Shareholders. Accordingly, Shareholder approval is not required for the issue of the New Shares pursuant to the SPP Offer.

6. Can my offer under the SPP be transferred to a third party?

No. An Eligible Shareholder cannot transfer its offer under the SPP.

7. How much can I invest under the SPP?

Eligible Shareholders may apply for New Shares in parcels of \$1,000, \$2,500, \$5,000, \$10,000, \$15,000, \$20,000, \$25,000 or \$30,000. You may only apply for one of these parcels. The number of New Shares issued to an applicant will be rounded up to the nearest whole number after dividing the Application Monies by the Issue Price. Applications may be scaled back at the absolute discretion of Silver Mines.

8. How do I apply for New Shares?

If you wish to participate in the SPP, you need to arrange payment by doing one of the following:

Option 1: Pay via BPAY®

To pay via BPAY you will need to:

- a) use the personalised reference number which is required to identify your shareholding, which is shown on your personalised Application Form; and
- b) be an account holder with an Australian financial institution and ensure that your payment for the appropriate amount that supports BPAY transactions is received by the Share Registry before 5:00pm (AEST) on the Closing Date. Financial Institutions may implement earlier cut-off times with regards to electronic payment, and you should therefore take this into consideration when making payment.

If you are paying via BPAY, there is no need to return the Application Form, but you will be taken to have made the statements and certifications that are set out in the Application Form.

Option 2: Pay by electronic funds transfer (EFT)

To pay via EFT you will need to:

- a) use the personal reference number which is required to identify your shareholding and follow the steps on your personalised Application Form; and
- b) ensure that your payment for the appropriate amount that supports EFT transactions is received by the Share Registry before 5:00pm (AEST) on the Closing Date. Financial Institutions may implement earlier cut-off times with regards to electronic payment, and you should therefore take this into consideration when making payment.

If payment is made by EFT, there is no need to return the Application Form, but you will be taken to have made the statements and certifications that are set out in the Application Form.

If you have multiple holdings you will have multiple BPAY and EFT unique reference numbers. To ensure that you receive your New Shares in respect of each holding, you must use the unique reference number shown on each personalised Application Form when paying for any New Shares that you wish to apply for in respect of that holding. Payments in excess of the amount payable for one holding will not be treated as payment for another holding, and the excess will be refunded to the Applicant without interest.

You will not be able to withdraw or modify your application or application payment once you have submitted it. Interest will not be paid on any application money received.

If you are an Eligible Shareholder residing in New Zealand, please follow the instructions on your acceptance form to make payment via EFT.

Payment by cash/cheque/bank draft

Payments in cash or by cheque will not be accepted.
