#### **About Critical Minerals Group**

Critical Minerals Group (ASX: CMG) is a Brisbane based company uniquely placed to deliver comprehensive and sustainable energy storage solutions to communities worldwide.

CMG aspires to be a leading provider of Vanadium Flow Battery energy storage solutions for clients seeking to optimise their energy consumption and infrastructure. Our strategy is deeply aligned with the ongoing domestic and global energy transition and the opportunities it presents.

To achieve this CMG is establishing an end to end supply chain which includes the formation of an energy developer capability located in Brisbane, the development of a vanadium mine and processing operation in the Julia Creek region of North Queensland, and a vanadium electrolyte manufacturing facility in South East Queensland.
