Company overview

The only platform purpose-built for lifelong family memory curation and preservation

About

Tinybeans is a trusted platform for millions of families worldwide, offering a private space to capture, protect and celebrate the joy of parenting.

Mission

To foster love, not likes. We help intentional parents privately share and preserve memories, building stronger family bonds.

Vision

By combining technology with a deep understanding of family needs and digital privacy, we exist to make parenting more joyful, simple and meaningful.

A word from the chair

Over the past two years Tinybeans has undergone a significant transformation. We have reshaped our strategy, streamlined operations and strengthened our financial foundations. The FY25 results demonstrate the progress we have made, with stronger subscriber trends, reduced costs and improved cash flow.

This journey has required discipline, focus and the collective efforts of our team. Today Tinybeans is a leaner, more resilient and more scalable business. We are now well positioned to build on this momentum and deliver sustainable, profitable growth in the years ahead.
