

Charter Hall Long WALE REIT
Annual Report
ASX:CLW

2025

Charter Hall Long WALE REIT

Charter Hall Long WALE REIT (CLW or the REIT) owns and manages a high-quality and diversified real estate portfolio leased to Government, multinational and national blue-chip tenants on long-term leases.

CLW is a registered managed investment scheme. The Responsible Entity is Charter Hall WALE Limited (CHWALE), a member of the Charter Hall Group (Charter Hall or the Group). The CHWALE Board of Directors (Board) provides the leadership and strategic direction for the REIT, including setting the tone in relation to good governance, which is critical to achieving the REIT’s objectives.

This report covers the REIT’s business activities and presents figures for the financial year ending 30 June 2025, unless otherwise stated.

3. Weighted by net passing income as at 30 June 2025.

Chair and Fund Manager message

Charter Hall Long WALE REIT continues to actively curate its portfolio, ensuring resilience throughout the cycle.

Dear Securityholder

We are pleased to present the Charter Hall Long WALE REIT (CLW or the REIT) Annual Report for the year ended 30 June 2025.

CLW is Australia's largest diversified long WALE REIT with a portfolio valued at \$5.5 billion. The REIT invests in commercial properties primarily leased to major corporate and government tenants on long-term leases.

The portfolio is in an excellent position with 510 properties, 54% of leases in the portfolio being triple net, occupancy of 99.9% and a weighted average lease expiry (WALE) of 9.3 years.

CLW's operating earnings were \$178.6 million, or 25.0 cents per security – down 3.8% from FY24 as a result of higher interest costs and asset sales more than offsetting the portfolio earnings growth. In line with guidance, distributions per security of 25.0 cents were paid, representing a 100% payout ratio.

CLW's underlying portfolio continues to deliver strong, consistent rental growth, reflecting the quality of its properties and tenants. Like-for-like property income growth of 3.0% resulted from an attractive mix of fixed and CPI-linked annual increases.

CLW's strategy is to provide investors with stable and secure income, and target both income and capital growth through an exposure to a diversified portfolio leased to corporate and government tenants.

An important part of CLW's strategy is to diversify and enhance our portfolio through strategic portfolio curation. A focus area this year has been ongoing portfolio curation to reduce debt levels through the sale of assets. During the financial year, CLW completed \$350 million in asset sales, with \$11.5 million in new acquisitions. The acquisitions were strategic in nature, consolidating adjoining sites to existing assets owned in CLW's convenience retail hospitality portfolio.

This year, CLW had 100% of the portfolio independently valued, with the portfolio valuation predominantly flat, after adjusting for divestments. The net valuation movement at the end of the period was \$9 million or a 0.1% reduction. This reflects a stabilisation of asset values over the period with the portfolio weighted average capitalisation rate remaining unchanged at 5.4%.

CLW's net tangible assets per security was \$4.59 as at 30 June 2025, down from \$4.66 at 30 June 2024.

Active portfolio management

CLW continued delivering on strategy, improving both the quality and metrics of its portfolio. The percentage of the REIT's properties with triple net leases was 54% of the portfolio's net income. Under a triple net lease, the tenant is responsible for all costs relating to the property, including capital expenditure, thereby enabling the REIT to avoid such expenditure.

CLW's best-in-class tenant register provides portfolio quality and diversity. 99% of the REIT's portfolio is leased to government, ASX-listed, multinational and national tenants. Importantly, these blue-chip tenants are in resilient industries and the REIT continues to generate strong rental growth.

At the end of the period, the portfolio WACR remained at 5.4% reflecting the high quality of the properties, income security afforded by the tenants and long portfolio WALE.

Capital management

A key focus this year was reducing debt in the portfolio, a strategy that was successfully delivered. CLW has balance sheet gearing of 31.4%, within the target range of 25% to 35% and look through gearing of 38.8%.

During the period, \$310 million of balance sheet debt was refinanced and extended by 2.8 years.

CLW has a weighted average debt maturity of 3.6 years, with staggered maturities over a six-year period from FY27 to FY32. Moody's reaffirmed CLW's Baa1 investment grade issuer rating with a stable outlook.

Sustainability

Sustainability is integrated into how CLW and the Charter Hall Group conduct business, and we continue to partner with our customers and communities to deliver meaningful change.

CLW has 8.9MW of onsite solar installed across its portfolio, an increase of 2.4MW since FY24, 94% of which directly supplies our tenants. An additional 2.1MW of onsite solar is planned or committed across our industrial assets. Charter Hall has formerly commenced its market-linked renewable Power Purchase Agreement with ENGIE, supplying renewable electricity to all of CLW's office assets.

CLW continues to enjoy strong environmental credentials for its portfolio with a portfolio rating of 5.4 star for NABERS Energy and 4.7 star for NABERS Water ratings. CLW continues to make progress in its ESG benchmarks, scoring 78 in the 2024 GRESB Benchmark assessment, and maintaining its 'A' rating for Public Disclosure.

Charter Hall Group also manages Australia's largest footprint of independently rated green buildings, including 496,000 square metres of CLW assets.

We have continued to ensure that robust governance underpins our operations. CLW aligns reporting with best practice and independent frameworks to verify our ESG progress and non-financial disclosure.

We encourage you to read the sustainability section of this report for a full update on our progress.

Outlook and guidance

FY25 was an inflection point in the market and with a diversified and resilient portfolio, high quality tenants and security of long-leases, CLW is well placed to deliver for its securityholders. We will continue to actively manage our portfolio and execute our strategy of pursuing long WALE opportunities to deliver long-term earnings and distribution growth.

On behalf of the Board and Management team, we would like to thank our securityholders for your ongoing support. We will endeavour to continue to provide you with stable and secure income over the long term.

Sustainability

Our approach to sustainability is practical, platform-wide and integrated into how we do business and deliver value for our stakeholders. CLW’s governance structure aligns with Charter Hall Group policies, procedures and approach, including its Sustainability Policy and Framework.

We focus our efforts on where we can generate the greatest long-term value and impact – economically, environmentally, and socially.

We take pride in delivering clear, transparent and informative reporting that meets compliance expectations and stakeholder expectations. Our approach is informed by United Nations Sustainable Development Goals (UN SDGs) and United Nations Global Compact (UNGC), with disclosures aligned to the Global Reporting Initiative (GRI) and Australian Sustainability Reporting Standards (ASRS).

While this report covers key achievements, targets and climate-related disclosure for CLW, a more comprehensive view is available in Charter Hall's reporting suite, including the 2025 Sustainability Report and ESG Databook, accessible at charterhall.com.au/annualreports

Our sustainability approach enables CLW to:

FY25 achievements

Net Zero

Maintained Net Zero Scope 1 and Scope 2 emissions¹, supported by our approach to energy efficiency, on-site and off-site renewable electricity and compensating for residual emissions through nature-based carbon offsets

Clean energy

8.9MW of solar installed across the portfolio, an increase of 2.4MW since FY24 of which 94% supplies tenants directly

Energy efficiency

5.4 Star NABERS Energy Office portfolio rating², an improvement of 0.1 stars from FY24

Natural disaster relief and recovery

Charter Hall Group invested over \$450,000 with Red Cross and the Foundation for Rural & Regional Renewal to support Australian communities impacted by natural disaster and hardship, enabling 130 volunteer placements and 39 community grants

First Nations

Charter Hall Group continued to advance its reconciliation commitments by deepening cultural competency and partnering First Nations businesses to support education, employment pathways, and economic prosperity

Community Partnerships

Continued community activations in CLW office assets to support community organisations.

Charter Hall Group achieved >2,900 hours in community volunteering, supporting social enterprises in the communities we operate

Fund ESG performance

Scored 78 in the 2024 GRESB Real Estate Assessment and maintained “A” GRESB Public Disclosure Level ranking 1st against peers in Australia

Asset ESG performance

Maintained 5 Star Green Star Performance V1 for the Office portfolio, and achieved 2 Star Green Star Performance V2 for the Industrial portfolio

1. Scope 1 and Scope 2 emissions for existing assets that fall under the operational control of the responsible entity for CLW and subject to surrender of large-scale energy certificates and nature-based carbon offsets.
2. The NABERS portfolio rating only includes assets in operational control. Data as of 30 June 2025.

Progress against our sustainability targets

Strategic Pillar	Approach	Targets	FY25 Performance
Climate action	Aligned to Charter Hall Group's long-term ambition to be Net Zero by 2050 (Scope 1, 2 and 3)	Maintain Net Zero (Scope 1 and 2) ¹	CLW achieved Net Zero (Scope 1 and Scope 2) in FY24 and has maintained this in FY25. This is supported by 100% renewable electricity and residual emissions compensated with nature-based carbon offsets
			5.4 NABERS Energy for the Office portfolio, an improvement of 0.1 Stars, achieved focus on energy efficiency
			Electrification feasibility studies completed for all assets with Scope 1 emissions and incorporated into strategic asset planning
		50% reduction in downstream tenant emission intensity by 2030 from FY22 baseline	Installed an additional 2.4MW of onsite solar in partnership with tenant customers, bringing the total solar installed across the portfolio to 8.9MW
	Fortify and improve the adaptive capacity of our portfolio to climate related impacts	Incorporate climate change adaptation planning into Strategic Asset Plans by 2025	Climate risk exposure completed for 50% portfolio. Inherent climate risk completed for 20% portfolio
Rethink resources	Minimise waste to landfill in operations and embed circular economy principles into our material use and supply chain	Achieve 50% diversion from landfill in our Office assets by 2025, where we manage waste	CLW Office portfolio diverted 37% of its operational waste from landfill, a 1% uplift over the past year
Restore nature	Conserve freshwater resources and reduce reliance on potable water		4.7 NABERS Water for the Office portfolio, a decrease of 0.3 stars due to increased occupancy
			Improved water management through the installation of water submeters in 85% of the Industrial & Logistics portfolio
Deep customer partnerships	Maintain high level of customer satisfaction through active engagement		Charter Hall Group achieved +53 combined cross-sector tenant customer Net Promoter Score (NPS), an increase on the previous score with partnership, ease of doing business, responsiveness and trust measures all performing well
	Enhancing workplace safety and wellbeing		CLW's Office assets maintain WELL Health & Safety and 5.6 NABERS Indoor Environment portfolio rating

1. Scope 1 and Scope 2 emissions for existing assets that fall under the operational control of the responsible entity for CLW and subject to surrender of large-scale energy certificates and nature-based carbon offsets.

Strategic Pillar	Approach	Targets	FY25 Performance
Strong communities	Strengthen the support to local communities, social enterprises and First Nations people	Continue to contribute to Charter Hall Group 1% Pledge	25% of CLW office assets in operational control activated space to support community organisations
			Charter Hall Group procured over \$3.7 million with social enterprises, including First Nations business, providing services to CLW assets
Transparency and disclosure	Procure sustainably and ethically delivered services, products and materials	Maintain approach to independently screening suppliers for Human Rights and Modern Slavery	Charter Hall Group maintained independent screening of suppliers, and strengthened our control by increasing the number of directly contracted suppliers in the office sector
	Disclose ESG information according to national and international best practice standards and rating systems		During the reporting period, Charter Hall Group progressed with double materiality, and improved measurement of Scope 3 carbon emissions

Looking forward

- Develop 5.5 Star NABERS Energy improvement pathways for key Office asset, including electrification and implement into strategic asset plans
- Support customers as they transition to a low-carbon economy, including onsite solar and batteries, EV infrastructure and alternative process fuels
- Progress with inherent risk assessments completed for stabilised portfolio and new acquisitions, in line with our Risk Management Framework
- Maintain focus on waste contracting, waste separation, and continued engagement with operations teams and tenant customers
- Improve real-time measurement of water consumption through implementation of water metres
- Improve our understanding of nature-related dependencies, impacts, risks and opportunities
- Mature our approach to the management of climate-related risks and opportunities and integrate into risk management and financial reporting

Climate-related disclosure

Charter Hall Group has an enterprise approach to the management of climate-related risks and opportunities that applies to all Group entities, including CLW. For details on climate-related risks and opportunities and supporting processes, refer to the climate-related disclosure section in the [Sustainability Report](#) and supporting [2025 ESG Databook](#). The following is a disclosure of the climate related risks and opportunities relevant to the CLW portfolio.

Governance

CLW is governed by the Board, who are responsible for overall management and strategic direction aimed at enhancing unitholder value. The Board oversees risk management, including climate-related risks and opportunities, with support from the Audit Risk and Compliance Committee (ARCC), which monitors key strategic and operational risks and the effectiveness of mitigation controls.

Day-to-day asset management is delegated to the Managing Director & Group CEO and senior management of Charter Hall Group. Their responsibilities include developing business plans and strategies, identifying and managing operational risks (including ESG and climate-related risks), and implementing Charter Hall Group policies, including the Sustainability Policy.

For further details, refer to the [CLW Governing Documents](#) and [Charter Hall Group Policies](#).

CLW is supported by a dedicated team of 10 employees who lead sustainability initiatives across Charter Hall, including diversity and inclusion, community engagement, climate action, nature restoration, and resource efficiency. Sustainability and climate action are embedded across the broader team of ~600 employees.

Charter Hall integrates ESG performance into short-term incentives for eligible employees—including senior executives, fund managers, asset managers, and ESG specialists— through a balanced scorecard covering Financial, Customer (including climate-related risks), and Leadership, Culture and Collaboration (including diversity, inclusion, and wellbeing). [View Fund Manager remuneration on page 76](#).

Risk

CLW has adopted the Charter Hall Group risk management framework that includes consideration of strategic, reputation, governance, operational, investment, liquidity and ESG (including climate-related) risks.

Transition and physical risks have been identified for CLW through scenario analysis, double materiality assessment, monitoring of emissions against science based trajectories, downscaled location specific climate data, informed by Intergovernmental Panel on Climate Change, Network for Greening the Financial System and the International Energy Agency and refined through engagement with leaders from across the business. The material risks and opportunities include:

- Adaptation of products and services;
- Access to capital;
- Partnerships to support transition;
- Resource availability;
- Supply chain;
- Policy and regulation;
- Physical impacts to assets.

During the year we progressed the analysis, evaluation, treatment and management of these risks, and are integrating into our decision making process at asset acquisition, active portfolio management and active tenant partnerships.

At an asset level, we are addressing transition risks through our focus on Net Zero underpinned by electrification, energy efficiency, and onsite solar measures.

Climate-related risk exposure has been completed for 50% of the portfolio. The assessment has identified that our assets currently have a high resilience to structural damage from physical risks, due to considerations in design for flood, bushfire and energy efficiency including insulation, coupled with post construction adaptation measures such as flood gates. However, the resilience reduces over time with vulnerability increasing for flood, heat stress and extreme rainfall.

Strategy

CLW recognises the need for accelerated and meaningful progress towards emissions reduction aligned to climate science. We are actively seeking to improve our understanding of the impacts of climate change, to increase the resilience of our business to climate risks, and support our customers in the transition.

We have achieved our Net Zero by 2025 target (Scope 1 and Scope 2)¹ and are now strengthening the resilience of our assets to climate-related impacts by

Achieving highly energy efficient portfolio

powered by clean energy

Partnering with our customers

and suppliers to reduce emissions in our value chain

Collaborating toward Net Zero

and climate resilience

Improving the adaptive

capacity of our portfolio to climate-related impacts

Supporting communities

with both immediate relief and long-term recovery from natural disasters

This strategy is operationalised through Strategic Asset Planning, capital works planning, operational performance KPI's, green leasing clauses, tenant fitout guides and data information sharing.

Targets

CLW is aligned to Charter Hall Group's long term ambition to be Net Zero (Scope 1, 2 and 3 emissions) by 2050, and has the following science-aligned interim targets:

Maintain Net Zero

Scope 1 and Scope 2 emissions, including compensating for residual emissions

50% reduction

in downstream tenant emissions intensity by 2030

Management

Avi Anger
Diversified CEO and Fund Manager Charter Hall Long WALE REIT

Avi has over 25 years’ experience in real estate funds management, corporate finance and accounting. As CEO of Charter Hall’s Diversified funds business, Avi is responsible for a team of property and funds management professionals managing approximately \$10 billion of assets on behalf of wholesale and listed investors.

Avi joined Charter Hall in 2003 and has played an integral role in delivering the strong growth of Charter Hall’s funds management business. Prior to his current role, Avi was Head of Transactions and Advisory and was responsible for all property transactions of the Group and its managed funds.

During this time, Avi has been involved in the creation of new funds and partnerships for the Group as well as maintaining and developing relationships with new and existing investor customers. Notably, Avi led the establishment and listing of the Charter Hall Long WALE REIT in 2016 and continues to lead CLW as Fund Manager.

Avi is currently a member of the Property Council of Australia Capital Markets Division Council and Capital Markets Global Investment Committee.

Erin Kent

Head of Diversified and Direct Finance

Erin recently joined Charter Hall Group in July 2025 and has 15 years’ of financial experience, 14 years being in the Australian real estate sector. In her role, Erin oversees the strategic financial planning and provides advice for approximately \$19 billion of funds under management across 27+ funds.

Prior to joining Charter Hall, Erin worked at The GPT Group for over 12 years, most recently as Head of Finance, Group and FP&A with experience spanning financial reporting and analysis, corporate transactions and funds management.

Erin is a Chartered Financial Analyst (CFA) and a member of the CFA Institute and holds a Bachelor of Mathematics and Finance with Honors (Class I) from the University of Wollongong.

Darryl Chua

Deputy Fund Manager

Darryl joined Charter Hall in 2016 and is responsible for the operation of the Charter Hall Long WALE REIT, particularly with respect to portfolio and capital management. Darryl has over 18 years’ experience in real estate funds management and corporate finance.

Prior to joining Charter Hall, Darryl worked at Goodman Group in the Investment Management team and Macquarie Group in both its real estate financing division and its investment banking division, Macquarie Capital, specialising in real estate corporate advisory.

Darryl holds a Bachelor of Laws from the University of Western Australia.

Directors’ Report

The Directors of Charter Hall WALE Limited (CHWALE) present their report together with the consolidated financial report of the Charter Hall Long WALE REIT (CLW or REIT) and the consolidated financial report of LWR Finance Trust (Finance Trust) for the year ended 30 June 2025, and the Independent Auditor’s Report thereon. The financial report of CLW comprises Charter Hall Direct Industrial Fund (DIF) and its controlled entities and LWR Finance Trust and its controlled entity. The financial report of Finance Trust comprises LWR Finance Trust and its controlled entity. DIF and Finance Trust are collectively referred to as “Stapled Trusts”. One of the stapled entities of a stapled structure is to be identified as the parent entity for the purposes of preparing a consolidated annual financial report. In accordance with this requirement, DIF has been identified as the parent entity (see D8(b)). The stapled securities cannot be traded or dealt with separately.

DIF and Finance Trust are registered schemes, and CHWALE is a company limited by shares. DIF, Finance Trust and CHWALE are incorporated and domiciled in Australia with the registered office and principal place of business located at Level 20, No.1 Martin Place, Sydney NSW 2000.

CHWALE is the Responsible Entity of the Stapled Trusts and is a controlled entity of Charter Hall Limited.

Principal activities

The principal activity of the REIT during the year was property investment. The principal activity of the Finance Trust during the year was financing the REIT through the Intra-Group Facility Agreement (IGFA). There were no significant changes in the nature of either the REIT’s or Finance Trust’s activities during the financial year.

Directors

The following persons have held office as Directors of the Responsible Entity during the period and up to the date of this report:

- Glenn Fraser

– Ceinwen Kirk-Lennox

– Ray Fazzolari

– David Harrison

– Carmel Hourigan
- Chair and Non-Executive Director

– Non-Executive Director

– Non-Executive Director

– Executive Director and Chief Executive Officer/Managing Director of Charter Hall Group

– Executive Director

Distributions

Distributions paid or declared during the year are as follows:

	Number of securities on issue entitled to distribution	2025 Cents per security	2025 \$'000	Number of securities on issue entitled to distribution	2024 Cents per security	2024 \$'000
Ordinary securityholders of DIF						
30 September	719,028,825	6.25	44,939	722,955,466	6.50	46,992
31 December	710,170,889	6.25	44,386	722,955,466	6.50	46,992
31 March	710,170,889	6.25	44,386	722,955,466	6.50	46,992
30 June	710,170,889	6.25	44,386	722,955,466	6.50	46,992
Total distributions		25.00	178,097		26.00	187,968

Finance Trust did not declare any distributions in its own right in the current or prior periods.

Distribution reinvestment plan (DRP)

The REIT has established a Distribution Reinvestment Plan (DRP) under which securityholders may elect to have all or part of their distribution entitlements satisfied by the issuance of new securities rather than being paid in cash.

The DRP issue price is determined at a discount of 1.0% to the daily volume weighted average price of all securities traded on the ASX during the 10 business days commencing on the third business day following the distribution record date. The DRP was not active during the year.

Review and results of operations

The financial results of the REIT and Finance Trust are summarised as follows:

	Charter Hall Long WALE REIT		Finance Trust	
	Year to 30 Jun 2025	Year to 30 Jun 2024	Year to 30 Jun 2025	Year to 30 Jun 2024
Total revenue (\$'000)	183,622	219,668	72,230	99,456
Statutory profit/(loss) (\$'000)	118,283	(510,878)	(32,134)	(24,492)
Basic earnings/(loss) per stapled security (cents)	16.56	(70.67)	(4.50)	(3.39)
Operating earnings of the REIT (\$'000)	178,592	187,992	-	-
Operating earnings of the REIT per stapled security (cents)	25.00	26.00	-	-
Distributions (\$'000)	178,097	187,968	-	-
Distributions per stapled security (cents)	25.00	26.00	-	-
	30 Jun 2025	30 Jun 2024	30 Jun 2025	30 Jun 2024
Total assets (\$'000)	4,929,568	5,252,475	1,598,104	1,843,823
Total liabilities (\$'000)	1,667,068	1,882,670	1,587,733	1,801,140
Net assets attributable to securityholders (\$'000)	3,262,500	3,369,805	10,371	42,683
Stapled securities on issue ('000)	710,171	722,955	710,171	722,955
Net assets per stapled security (\$)	4.59	4.66	0.01	0.06
Balance sheet gearing - total debt (net of cash) to total assets (net of cash)	31.4%	34.0%	-	-
Look-through gearing - total debt (net of cash) to total assets (net of cash)	38.8%	40.7%	-	-

The REIT recorded a statutory profit of \$118.3 million for the year ended 30 June 2025 (2024: \$510.9 million loss). Operating earnings amounted to \$178.6 million (25.0 cents per stapled security) for the year ended 30 June 2025 (2024: \$188.0 million; 26.0 cents per stapled security) and a distribution of \$178.1 million (25.0 cents per stapled security) was declared for the same period (2024: \$188.0 million; 26.0 cents per stapled security).

The table below sets out income and expenses that comprise operating earnings on a proportionate consolidation basis:

	30 Jun 2025 \$'000	30 Jun 2024 \$'000
Net property income	299,677	332,715
Interest income	2,758	2,634
Fund management fees	(25,382)	(30,566)
Finance costs	(93,252)	(111,231)
Administration and other expenses	(5,209)	(5,560)
Operating earnings	178,592	187,992

Note: Further detail on operating earnings is contained in Note A1.

Operating earnings is a financial measure which represents profit under Australian Accounting Standards adjusted for net fair value movements, non-cash accounting adjustments such as straight lining of rental income and amortisations and other unrealised or one-off items that are not in the ordinary course of business or are capital in nature.

The inclusion of operating earnings as a measure of the REIT’s profitability provides investors with the same basis that is used internally for evaluating operating segment performance. Operating earnings is used by the Board to make strategic decisions and as a guide to assessing an appropriate distribution to declare.

The uncertainty of the current geopolitical events and the outlook for consumer price inflation and interest rates in Australia may have an impact on the future performance of the portfolio. The REIT benefits from its inflation-linked revenue streams and the interest rate hedging in place.

Reconciliation of operating earnings to statutory profit is set out below:

	30 Jun 2025	30 Jun 2024
	\$'000	\$'000
Operating earnings	178,592	187,992
Net fair value movements on investment properties*	(6,454)	(625,955)
Net fair value movements on derivative financial instruments*	(48,199)	(48,612)
Net fair value movements on investments at fair value through profit or loss	185	205

Operating earnings per stapled security (cents)	25.00	26.00

* Includes the REIT’s proportionate share of non-operating items of joint ventures on a look-through basis.

Fair value movements on investment properties

The net fair value movements on investment properties totalling a loss of \$6.5 million (2024: loss of \$626.0 million) comprised: valuation losses on a proportionate consolidation basis totalling \$9.5 million (2024: loss of \$619.1 million) and revaluation decrements attributable to transaction costs of \$1.5 million (2024: \$10.3 million) offset by revaluation increments attributable to straight lining of rental income, amortisation of lease fees and incentives of \$4.5 million (2024: \$3.4 million).

External valuations were conducted for 100% of the REIT’s portfolio of properties not under development including the properties held by joint ventures during the year, with 66% of properties being independently valued at 30 June 2025 (2024:84%)

Significant changes in the state of affairs

Acquisitions

During the year, the REIT acquired the following assets:

	Acquisition date	Acquisition price
		\$'000
Narrabeen Sands Accommodation, Narrabeen NSW (50% interest)*	30/09/2024	9,500
BWS, Crows Nest NSW (50% interest)*	30/09/2024	2,000
		11,500

* Acquired by CH LEP Holding Trust which owns the assets.

Disposals

During the year, the REIT disposed the following assets:

	Disposal date	Disposal price
		\$'000
Ingham's Portfolio (National)	21/08/2024	225,341
Red Cross, Alexandria NSW (50% interest)*	31/10/2024	74,000
Capital Hill, Brisbane QLD (50% interest)	28/04/2025	48,000
		347,341

* This asset was held as a tenants in common arrangement with a related party.

During the year, a joint venture owned by Charter Hall Australian Convenience Retail Trust in which the REIT has a 50% share sold three assets. The REIT’s share of the disposal proceeds was \$3 million.

Repurchase and cancellation of stapled securities

During the year, the REIT repurchased 12,784,577 stapled securities, on market, for a total consideration of \$50.0 million (\$3.91 per stapled security). The REIT cancelled the repurchased units. The cancellation reduced the contributed equity and increased retained profits by the repurchased stapled securities entitlement of \$59.0 million and \$9.0 million respectively.

Debt arrangements and hedging

During the financial year, the REIT reduced its debt facilities by \$300 million (consisting of \$500 million cancelled and \$200 million new facilities). The REIT also extended the term of \$310 million of debt facilities due to expire in 2026 for a new five-year term expiring in August 2029.

During the financial year, the REIT entered into \$600 million of interest rate swaps. Additionally, the REIT’s share of interest rate swap agreements entered into by its joint ventures was \$115 million.

There were no other significant changes in the state of affairs of the REIT or Finance Trust that occurred during the year.

Business strategies and prospects

The REIT’s objective is to provide investors with stable and secure income and the potential for both income and capital growth through an exposure to a diversified property portfolio with a long WALE.

The REIT aims to maintain and enhance the existing portfolio through active asset and property management and to grow the portfolio through the acquisition of assets that are predominantly leased to tenants with strong covenants on long-term leases.

The REIT aims to proactively manage its equity and debt. It has a target balance sheet gearing range of 25-35%.

The material business risks faced by the REIT that are likely to have an effect on its financial performance are set out below. A dedicated risk and compliance team are responsible for the ongoing review and monitoring of compliance and risk management systems. The Board regularly reviews material risks to ensure they remain within the REIT’s agreed risk appetite.

Risk		Description	Mitigation
External Risks	Property cycle risk and adverse market or economic conditions	Failure to insulate against property cycle downturns and slowing economic conditions may have an impact on asset values and investor returns.	The REIT ensures it consistently delivers on strategy with a focus on investment in long WALE assets with contracted growth attributes. The REIT undertakes a detailed annual strategic review for all assets to inform recycling of capital into new areas and formal exit strategies for investments.
	Structural change in commercial property	Disruptive competitors may have an impact on key tenants and on marginal tenancies. This may impact space requirements from tenants. Changing technology is changing tenant expectations.	
			By undertaking ongoing due diligence including demographics, environment, competitor threats, and by leveraging consultant expertise the REIT ensures that it remains informed of market changes.

Financial Risks	Debt and equity capital management	<p>Effective capital management is required to meet the REIT's ongoing liquidity and funding requirements. The inability to raise new capital to pursue growth opportunities or to raise replacement capital at challenging points in the debt or equity markets cycle is a key risk.</p> <p>A relationship breakdown or termination of joint venture partnership may result in reputational or financial damage.</p>	<p>The REIT mitigates these risks by implementing its debt diversity strategy combined with regular monitoring and reporting on debt covenants and stress testing of liquidity positions. The REIT has demonstrated strong performance, an equity raising track record and access to diversified equity partners across sources. The REIT manages its relationships with its partners through investment agreements including investment committee oversight of all key decisions with structured and pre-agreed reporting.</p>
	Interest rates	<p>Rising interest rates may adversely impact the REIT by increasing finance costs and impacting the amount the REIT has available to distribute to investors.</p>	<p>The REIT has a Treasury Risk Management Policy which includes policies and controls to minimise the impact of fluctuating interest rates on the REIT's financial performance.</p> <p>The REIT enters into interest rate swaps in order to provide more certainty for the REIT's finance costs. As at 30 June 2025, the REIT had 88.8% of its debt hedged (calculated on a look-through basis) and a weighted average hedge maturity term of 1.5 years.</p>
Operational Risks	Work, Health & Safety (WHS) obligations, critical safety incident or significant crisis	<p>The REIT has a commitment to promote and protect the health, safety and wellbeing of its people, customers, contractors and all users of the REIT's assets.</p>	<p>The Group WHS Manager collaborates closely with property management teams to ensure the roll-out of enhanced contractor registration/on-boarding platforms, incident notification platform, ongoing risk audits and training on incident response and management.</p>
	Technology and cyber security	<p>There is increasing sophistication of cyber-attacks, particularly denial of service impact on Building Management Security. A reportable data breach may result in adverse impact on reputation and/or financial penalty.</p>	<p>The cyber security strategy and program continues with external validation and yearly review of IT policies against best practice. The REIT undertakes annual penetration tests against critical systems and properties and have brought all critical systems under IT General Controls (ITGC) including regular user access reviews. Our internal audit includes risk identification and assessment for new platforms. The REIT also has a formal cyber insurance policy which covers incident remediation costs.</p>

Organisational culture and conduct		Our ongoing success depends on our ability to attract, engage and retain a motivated and high-performing workforce to deliver our strategic objectives and an inclusive culture that supports our values.	The REIT has a Code of Conduct in place with all employees and undertakes consistent messaging and tone at the top regarding behaviour. The REIT has a formal Whistleblower Policy in place and process to obtain regular employee feedback on culture and behaviours which is used to inform management decisions.
Environmental	Climate change	There is an increasing interest and expectation amongst investor groups disclosing on climate related risks and opportunities and their potential impact on business strategy and financial performance.	<p>The REIT is actively aligning its climate action approach to the requirements of the Australian Sustainability Reporting Standards and maturing understanding of the impacts of climate related risks and opportunities on the REIT's financial position, financial performance and cashflows.</p> <p>The REIT has operated Net Zero (Scope 1 and 2)* since FY24 and remains focused on continual reduction in emissions through energy efficiency and electrification strategies. The REIT's assets under operational control are also powered by 100% grid supplied renewables.</p> <p>The REIT continues to partner with tenant customers to reduce their emissions, including over 8MW of solar installed across the portfolio.</p> <p>During the year, management progressed their understanding of the impacts and opportunities of a changing climate through double materiality assessment, scenario analysis, assessment of physical risk using downscaled climate models and assessing emission against science aligned trajectories.</p> <p>*For assets where CLW has operational control of the assets and is responsible for property management.</p>
Regulatory	AFSL compliance	CHWALE is required to comply with Australian Financial Services Licence (AFSL) requirements through our established policies and frameworks.	Regular compliance reporting is undertaken to the Audit, Risk and Compliance Committee (ARCC), including mandatory annual compliance training requirements for all employees. In addition, the REIT has formalised compliance committees with annual external audit of compliance plans.

Management of conflicts of interest	Inadequate management of tenant and acquisition conflicts may arise between Charter Hall managed funds or related party transactions may be inappropriately managed. There is also a risk that the REIT fails to pay market rate for related party services.	Conflict of Interest protocols are embedded in the business, including annual declarations from all employees and directors, board reporting/approval for all related party transactions. The REIT has in place a Compliance Plan/function including oversight of Conflict of Interest/Related Party protocols and formalised asset allocation protocols.
-------------------------------------	--	---

Matters subsequent to the end of the financial year

On 1 July 2025, the REIT acquired a 49.9% interest in CH Defence Holding Trust for \$32.9 million which owns Department of Defence, Campbell Park ACT.

On 4 July 2025, the REIT acquired Australian Border Force, Bulla VIC for \$62.0 million.

On 7 July 2025, the REIT acquired an additional interest of 8.33% in Charter Hall GSA Trust for \$28.3 million which owns Geoscience Australia, Canberra ACT, bringing the REIT's total interest in this asset to 33.3%.

On 7 July 2025, the REIT acquired an additional interest of 49.9% in Kogarah Trust for \$94.4 million which owns Westpac, Kogarah NSW, bringing the REIT's total interest in this asset to 100%.

All the above transactions were with related parties.

In July 2025, the REIT further increased its borrowing capacity by \$70 million.

On 5 August 2025, LWIP settled on the disposal of Brunswick Hotel, Brisbane QLD for total consideration of \$12.8 million (REIT's share: \$6.4 million).

The Directors of the Responsible Entity are not aware of any other matter or circumstance not otherwise dealt with in this report or the annual consolidated financial statements that has significantly affected or may significantly affect the operations of the REIT or Finance Trust, the results of their operations or the state of affairs of the REIT or Finance Trust in future financial years.

Likely developments and expected results of operations

The consolidated financial statements have been prepared on the basis of current known market conditions. The extent to which a potential deterioration in either the capital or property markets that may have an impact on the results of the REIT or Finance Trust is unknown. Such developments could influence property market valuations, the ability to refinance debt and the cost of such debt, or the ability to raise equity.

At the date of this report and to the best of the Directors' knowledge and belief, there are no other anticipated changes in the operations of the REIT or Finance Trust which would have a material impact on their future results. Property valuation changes, movements in the fair value of derivative financial instruments and movements in interest rates may have a material impact on the REIT's and Finance Trust's results in future years, however, these cannot be reliably measured at the date of this report.

Indemnification and insurance of Directors, Officers and Auditor

During the year, the REIT and Finance Trust contributed to the premium for a contract to insure all directors, secretaries, executive officers and officers of the REIT and Finance Trust and of each related body corporate, with the balance of the premium paid by Charter Hall Group and funds managed by members of Charter Hall Group. In accordance with usual commercial practice, the insurance contract prohibits disclosure of details relating to the nature of the liabilities covered by the insurance, the limit of indemnity and the amount of the premium paid under the contract.

Provided the officers of the Responsible Entity act in accordance with the REIT's and Finance Trust's constitutions and the *Corporations Act 2001*, the officers are indemnified out of the assets of the REIT and Finance Trust against losses incurred while acting on behalf of the REIT and Finance Trust. The insurance does not provide cover for the independent auditors of the REIT or Finance Trust or of a related body corporate. The REIT and Finance Trust indemnifies the auditor (PricewaterhouseCoopers Australia) against any liability (including legal costs) for third party claims arising from a breach by the REIT or Finance Trust of the auditor's engagement terms, except where prohibited by the *Corporations Act 2001*.

Fees paid to and interests held in the REIT by the Responsible Entity or its Associates

Base fees of \$25.4 million (2024: \$30.6 million) were paid by the REIT and \$0.1 million (2024: \$0.3 million) by the Finance Trust and other fees of \$10.6 million (2024: \$11.1 million) were paid or are payable to the Responsible Entity and its Associates by the REIT for the services provided during the year, in accordance with the REIT's and Finance Trust's constitutions as disclosed in Note D1 in the consolidated financial statements.

Interests in the REIT and Finance Trust held by the Responsible Entity or its Associates as at 30 June 2025 are disclosed in Note D1 in the consolidated financial statements.

Interests in the REIT and Finance Trust

	2025	2024
Securities on issue at the beginning of the year	722,955,466	722,955,466
Security buy-back	(12,784,577)	-
Securities on issue at the end of the year	710,170,889	722,955,466

Environmental regulations

The operations of the REIT and Finance Trust are subject to environmental regulations under Commonwealth, State and Territory legislation in relation to property developments.

In relation to the property developments, the REIT is obliged to ensure all works carried out under any development approval comply with that approval as well as any further relevant statutory requirements. The REIT ensures that contracts it enters into with builders for its developments stipulate that the builder must:

- (a) ensure that in carrying out the contractor's activities:
 - (i) it complies with all statutory requirements and other requirements of the contract for the protection of the environment
 - (ii) it does not pollute, contaminate or otherwise damage the environment
 - (iii) its subcontractors comply with the requirements referred to in the contract.
- (b) make good any pollution, contamination or damage to the environment arising out of, or in any way in connection with, the contractor's activities, whether or not it has complied with all statutory requirements or other requirements of the contract for the protection of the environment
- (c) indemnify the REIT to the full extent permitted by law against:
 - (i) any liability to or a claim by a third party
 - (ii) all fines, penalties, costs, losses or damages suffered or incurred by the REIT, arising out of or in connection with the contractor's breach of the contract.

Approvals for property developments are required under various local, State and Territory environmental laws.

To the best of the Directors' knowledge, the operations of the REIT have been undertaken in compliance with the applicable environmental regulations in each jurisdiction where the REIT operates.

Information on current Directors

Director	Experience	Special responsibilities	Interest in securities of the REIT
Glenn Fraser	<p>Glenn joined the Board on 6 May 2016 and was appointed Chair of the Board on 24 April 2024.</p> <p>With 46 years' industry experience, Glenn is a professional Non-Executive Director following a long career in finance, infrastructure and property.</p> <p>Glenn was a member of Transfield Holdings Advisory Board from 1999 to 2015. He was instrumental in Transfield Holding's acquisition of a 50% interest in Charter Hall and its subsequent expansion and ASX listing in 2005. Glenn also served as a Non-Executive Director of the Charter Hall Group from April 2005 to August 2012.</p> <p>Joining Transfield Holdings in 1996, Glenn was General Manager – Finance Project Development, where he was responsible for the financial elements of infrastructure and property projects. Glenn was subsequently appointed Chief Financial Officer of Transfield Holdings when it had turnover in excess of \$1 billion per annum and over 8,000 staff.</p> <p>Glenn was a principal and director of a project finance advisory business, Perry Development Finance Pty Limited from 1985, which was sold to Hambros Corporate Finance Limited in 1995.</p> <p>Glenn holds a Bachelor of Commerce from the University of New South Wales. He is a member of the Institute of Chartered Accountants and a graduate of the Australian Institute of Company Directors.</p> <p>Current listed directorships: Nil</p> <p>Former listed directorships in the last three years: Nil</p>	Chair	76,721
Ceinwen Kirk-Lennox	<p>Ceinwen joined the Board on 28 June 2016.</p> <p>Ceinwen has over 40 years' experience in many aspects of property including agency, development, project and construction management, property management, and community development.</p> <p>Her executive career includes 26 years at Lendlease Corporation, where she held executive roles, running commercial business units, client accounts and functions across the Lendlease Group.</p> <p>Ceinwen now runs her own consultancy, Mosaic Xchange, with clients across both private and public sectors.</p> <p>Ceinwen has served on a number of boards including both for-profit and not-for-profit companies. Ceinwen was appointed to the Greater Sydney Parklands Board in 2020 and currently holds a number of roles within Homes NSW delivering mixed-use market, affordable and social housing.</p> <p>Ceinwen holds a Bachelor of Business in Land Economy from the University of Western Sydney and is a graduate of the Australian Institute of Company Directors.</p> <p>Current listed directorships: Nil</p> <p>Former listed directorships in the last three years: Nil</p>	Nil	60,341

Director	Experience	Special responsibilities	Interest in securities of the REIT
Carmel Hourigan	<p>Carmel joined the Board on 30 November 2020.</p> <p>Carmel brings 30 years' experience in the real estate investment industry, spanning key senior leadership positions and roles in funds management across public and private markets, investment, research and advisory services.</p> <p>As the Charter Hall Office CEO, Carmel is responsible for driving the Office business' strategic growth, including funds management, portfolio curation, capital raising and equity flows.</p> <p>Carmel's previous roles include the Global Head of Real Estate at AMP Capital, CIO at GPT Group and Head of Investment Management at Lendlease.</p> <p>In October 2024, Carmel was announced as the new National President for the Property Council of Australia, after serving in various director roles, including Vice President over the past 9 years. She currently serves as a member of the Property Champions of Change group and is also a former Trustee Board member and Deputy Chancellor of Western Sydney University. Carmel holds a Bachelor of Business in Land Economy from Western Sydney University. She also holds a Graduate Diploma in Applied Finance and Investment from FINSIA and has participated in leadership programs at world renowned institutions including INSEAD, Harvard Business School and London Business School.</p> <p>Current listed directorships: Nil</p> <p>Former listed directorships in the last three years: Nil</p>	Nil	10,250
Ray Fazzolari	<p>Ray joined the Board on 24 April 2024.</p> <p>Ray has extensive industry experience in the financial sector and commercial property industry over 40 years through various cycles and market conditions. Ray's executive career includes three years with the St Hillier's Group as the General Manager of Development, 16 years with the Leda Group of Companies as the Managing Director and a further 10 years with Citi as the General Manager of Commercial Finance.</p> <p>Ray served as a Non-Executive Director of Charter Hall Investment Management Limited, the responsible entity of Charter Hall Prime Office Fund and Charter Hall Prime Industrial Fund, Charter Hall's flagship unlisted wholesale office and industrial funds.</p> <p>Current listed directorships: Nil</p> <p>Former listed directorships in the last three years: Nil</p>	Audit, Risk & Compliance Committee Chair	5,000

Director	Experience	Special responsibilities	Interest in securities of the REIT
David Harrison	<p>David joined the Board on 16 February 2016</p> <p>David has over 35 years' property market experience across office, retail and industrial sectors in multiple geographies globally.</p> <p>As Charter Hall's Managing Director and Group CEO, David is responsible for strategically growing the business and maintaining its position as a multi-core sector market leader. David is an executive member of various Fund Boards and Partnership Investment Committees, and Chair of the Executive Property Valuation Committee and Executive Leadership Committee.</p> <p>David has overseen the growth of Charter Hall Group from being a small fund manager with \$500 million of assets under management when it listed on the ASX in 2005, to today being the largest diversified property funds managers in Australia.</p> <p>David remains driven to achieve excellence and create a positive impact – giving back to the communities that Charter Hall operates in and protecting and growing the retirement savings of those invested either directly or indirectly in the company – ensuring every one of Charter Hall's stakeholders benefits through the firm's integrity, discipline and ability to add more value.</p> <p>David is the past President of the Property Council of Australia and a current member of the Property Council Australia Champions of Change Coalition.</p> <p>David holds a Bachelor of Business (Land Economy) from the University of Western Sydney, is a Fellow of the Australian Property Institute (FAP I) and holds a Graduate Diploma in Applied Finance from the Securities Institute of Australia.</p> <p>Current listed directorships: Charter Hall Group (ASX: CHC) Charter Hall Retail REIT (ASX: CQR)</p> <p>Former listed directorships in the last three years: Nil</p>	Nil	699,285

Company secretary

Mark Bryant was appointed as Company Secretary for the REIT and Finance Trust on 21 November 2017.

Mark holds a Bachelor of Business (Accounting), a Bachelor of Laws (First Class Honours), a Graduate Certificate in Legal Practice, and is admitted as a lawyer of the Supreme Court of NSW. Mark has over 20 years' experience as a lawyer, including advising on listed company governance, securities law, funds management, real estate, and general corporate law. Mark joined Charter Hall in 2012, prior to which he was a Senior Associate in the Sydney office of King & Wood Mallesons.

Mark is the Group General Counsel and Company Secretary for the Charter Hall Group.

Non-audit services

The Responsible Entity may decide to engage the auditor (PricewaterhouseCoopers) on assignments in addition to the statutory audit duties where the auditor's expertise and experience with the REIT or Finance Trust are important.

Details of the amounts paid to the auditor for audit and non-audit services provided during the year are disclosed in Note D5 to the consolidated financial statements.

The Board of Directors has considered the position and, in accordance with the advice received from the Audit, Risk and Compliance Committee, is satisfied that the provision of the non-audit services is compliant with the general standard of independence for auditors imposed by the *Corporations Act 2001*. The Directors are satisfied that the provision of non-audit services by the auditor, as set out in D5 to the consolidated financial statements, did not compromise the auditor's independence requirements of the *Corporations Act 2001* for the following reasons:

- all non-audit services have been reviewed by the Audit, Risk and Compliance Committee to ensure that they do not impact the integrity and objectivity of the auditor and
- none of the services undermine the general principles relating to auditor independence as set out in Accounting Professional and Ethical Standards Board APES 110 *Code of Ethics for Professional Accountants*.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 16.

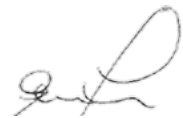

Rounding of amounts to the nearest thousand dollars

As permitted by ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 (as amended) issued by the Australian Securities and Investments Commission relating to the "rounding off" of amounts in the Directors' report and consolidated financial statements. Amounts in the Directors' report and consolidated financial statements have been rounded to the nearest thousand dollars, unless otherwise indicated.

This report is made in accordance with a resolution of the Board of Directors of Charter Hall WALE Limited.

Directors' authorisation

The Directors' report is made in accordance with a resolution of the Directors. The consolidated financial statements were authorised for issue by the Directors on 6 August 2025. The Directors have the power to amend and re-issue the financial statements.

Auditor’s Independence Declaration

As lead auditor for the audit of Charter Hall Long WALE REIT and Finance Trust for the year ended 30 June 2025, I declare that to the best of my knowledge and belief, there have been:

- a. no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- b. no contraventions of any applicable code of professional conduct in relation to the audit.

This declaration is in respect of Charter Hall Direct Industrial Fund (“DIF”) and the entities it controlled during the period and LWR Finance Trust and the entity it control during the period (together referred to as “Charter Hall Long WALE REIT”) and LWR Finance Trust and the entity it controlled during the period (together referred to as “Finance Trust”).

About This Report

The notes to these consolidated financial statements include additional information which is required to understand the operations, performance and financial position of the REIT and Finance Trust. They are organised in four key sections:

- A. REIT performance** – provides key metrics used to measure financial performance
- B. Property portfolio assets** – explains the investment property portfolio structure
- C. Capital structure and financial risk management** – details how the REIT manages its exposure to capital and financial risks
- D. Further information** – provides additional disclosures relevant to understanding the REIT's consolidated financial statements

A. REIT performance	40	B. Property portfolio assets	44
A1. Segment information	40	B1. Investment properties	44
A2. Distributions and earnings per security	42	B2. Investment in joint venture entities	46
A3. Reconciliation of net profit to operating cash flows	43	B3. Investment in financial assets at fair value	49
		B4. Commitments and contingent liabilities	49
C. Capital structure and financial risk management	51	D. Further information	61
C1. Capital risk management	51	D1. Related party information	61
C2. Borrowings and liquidity	51	D2. Working capital	62
C3. Derivative financial instruments	53	D3. Parent entity information	63
C4. Contributed equity	55	D4. Significant contract terms and conditions	64
C5. Financial risk management	55	D5. Remuneration of the auditor	64
C6. Offsetting financial assets and liabilities	59	D6. Interest in other entities	65
		D7. Events occurring after balance date	66
		D8. Other material accounting policies	66

Critical accounting estimates and judgements

The preparation of the consolidated financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates and management to exercise its judgement in the process of applying the REIT's accounting policies.

The areas involving significant estimates or judgements are:

- Fair value estimation – B1 Investment properties
- Consolidation decisions and classification of joint arrangements – B2 Investment in joint venture entities

In preparing its financial statements, the REIT has considered the ongoing impact that the future economic outlook has had on its business operations and upon the business operations of its tenant customers. In assessing such impacts management has relied upon certain key estimates to evaluate current and future business conditions. Inherent in any estimate is a level of uncertainty. Estimation uncertainty is associated with the current geopolitical events and subsequent increase in consumer price inflation and interest rates.

A. REIT Performance

This section provides additional information on the key financial metrics used to define the results and performance of the REIT, including operating earnings by segment, distributions and earnings per stapled security.

Operating earnings is a financial measure which represents profit under Australian Accounting Standards adjusted for net fair value movements, non-cash accounting adjustments such as straight lining of rental income and amortisations and other unrealised or one-off items.

The inclusion of operating earnings as a measure of the REIT's profitability provides investors with the same basis that is used internally for evaluating operating segment performance. Operating earnings is used by the Board to make strategic decisions and as a guide to assessing an appropriate distribution to declare.

A1. Segment information

(a) Description of segments

The Directors of the Responsible Entity have determined the operating segments based on the reports reviewed by the chief operating decision maker, being the Board of the Responsible Entity. The REIT has one operating segment being its Australasian operations. Finance Trust results are not separately identified and reported, and therefore segment information for Finance Trust is not prepared and provided to the Board.

(b) Segment information provided to the Board

The operating earnings reported to the Board for the year ended 30 June 2025 are as follows:

	30 Jun 2025	30 Jun 2024
	\$'000	\$'000
Property lease revenue	172,111	206,340
Services income	9,513	11,578
Property income	181,624	217,918
Income support	-	1,115
Straight lining of rental income and amortisation of incentives and leasing fees	3,001	2,427
Property expenses	(32,284)	(37,199)
Net property income from wholly owned properties (NPI)	152,341	184,261
Share of operating earnings from investments in joint ventures	119,826	120,492
Interest income	1,998	1,750
Fund management fees	(24,871)	(29,988)
Finance costs	(66,204)	(83,912)
Administration and other expenses	(4,498)	(4,611)
Operating earnings	178,592	187,992
Weighted average number of stapled securities	714,289	722,955
Operating earnings per stapled security (cents)	25.00	26.00

The operating earnings on a proportionate consolidation basis are set out below:

	30 Jun 2025	30 Jun 2024
	\$'000	\$'000
Net property income	299,677	332,715
Interest income	2,758	2,634
Fund management fees	(25,382)	(30,566)
Finance costs	(93,252)	(111,231)
Administration and other expenses	(5,209)	(5,560)
Operating earnings	178,592	187,992

The table below sets out the top five tenants' contribution to net property income presented on a proportionate consolidation basis:

	2025	2024
Tenant	%	%
Endeavour Group	22	21
Federal and State government	18	18
Telstra	14	13
bp	12	11
Coles	5	5

The reconciliation between operating earnings to statutory profit is set out below:

	30 Jun 2025	30 Jun 2024
	\$'000	\$'000
Operating earnings	178,592	187,992
Net fair value movements on investment properties*	(6,454)	(625,955)
Net fair value movements on derivative financial instruments*	(48,199)	(48,612)
Net fair value movements on investments at fair value through profit or loss	185	205
Straight lining of rental income, amortisation of lease fees and incentives*	(4,494)	(3,365)
Acquisition and disposal related costs*	(124)	(1,524)
Realised loss on sale of interest in joint ventures	-	(16,490)
Loss on debt extinguishment*	-	(1,826)
Income support and development rebate	-	(1,115)
Foreign exchange losses	(565)	(183)
Other	(658)	(5)
Statutory profit/(loss) for the year	118,283	(510,878)

* Includes the REIT's proportionate share of non-operating items of joint venture investments on a look-through basis.

Property lease revenue

Property lease revenue represents income earned from the long-term rental of REIT properties and is recognised on a straight line basis over the lease term. The portion of rental income relating to fixed increases in operating lease rentals in future years is recognised as a separate component of investment properties.

Minimum lease payments to be received include future amounts to be received on non-cancellable operating leases. Amounts receivable under non-cancellable operating leases where the REIT's right to consideration for a service directly corresponds with the value of the service provided to the customer have not been included (for example, variable amounts payable by tenants for their share of the operating costs of the asset).

Minimum lease payments under non-cancellable operating leases of investment properties not recognised in the consolidated financial statements are receivable as follows:

	30 Jun 2025	30 Jun 2024
	\$'000	\$'000
Less than 1 year	166,561	175,034
1 – 2 years	162,377	174,568
2 – 3 years	153,814	167,872
3 – 4 years	150,817	158,269
4 – 5 years	147,897	155,634
Over 5 years	824,829	962,158
Total	1,606,295	1,793,535

Services income

Services income principally includes non-lease income derived under lease agreements with tenants. Non-lease income relates to the proportion of property operating costs which are recoverable from tenants in accordance with lease agreements and relevant legislative acts.

Property expenses

Property expenses include rates and taxes incurred in relation to investment properties. These expenses are recognised on an accrual basis.

A2. Distributions and earnings per security

(a) Distributions paid and payable

	Number of securities on issue entitled to distribution	2025 Cents per security	2025 \$'000	Number of securities on issue entitled to distribution	2024 Cents per security	2024 \$'000
Ordinary securityholders of DIF						
30 September	719,028,825	6.25	44,939	722,955,466	6.50	46,992
31 December	710,170,889	6.25	44,386	722,955,466	6.50	46,992
31 March	710,170,889	6.25	44,386	722,955,466	6.50	46,992
30 June	710,170,889	6.25	44,386	722,955,466	6.50	46,992
Total distributions		25.00	178,097		26.00	187,968

No distributions were paid or declared during the year by Finance Trust.

Pursuant to the REIT's constitutions, the amount distributed to securityholders is at the discretion of the Responsible Entity. The Responsible Entity uses operating earnings as a guide to assess an appropriate distribution to declare. Operating earnings amounted to \$178.6 million (25.0 cents per stapled security) for the year ended 30 June 2025 (2024: \$188.0 million; 26.0 cents per stapled security) and distributions of \$178.1 million (25.0 cents per stapled security) were declared for the same period (2024: \$188.0 million; 26.0 cents per stapled security).

A liability is recognised for the amount of any distribution declared by the REIT on or before the end of the reporting period but not distributed at balance date.

Under current Australian income tax legislation, the REIT is not liable to pay income tax provided its income for the year, as determined under the REIT's constitutions, is fully distributed to securityholders, by way of cash or reinvestment.

(b) Earnings per stapled security

	Charter Hall Long WALE REIT		Finance Trust	
	2025	2024	2025	2024
Basic and diluted earnings				
Earnings/(loss) per stapled security (cents)	16.56	(70.67)	(4.50)	(3.39)
Operating earnings of the REIT per stapled security (cents)	25.00	26.00	N/A	N/A
Earnings/(loss) of the parent entity per stapled security (cents)	21.06	(67.28)	(0.03)	(0.05)
Earnings used in the calculation of basic and diluted earnings per stapled security				
Net profit/(loss) for the year (\$'000)	118,283	(510,878)	(32,134)	(24,492)
Net profit/(loss) of the parent entity for the year (\$'000)	150,417	(486,386)	(194)	(343)
Operating earnings of the REIT for the year (\$'000)	178,592	187,992	N/A	N/A
Weighted average number of stapled securities used in the calculation of basic and diluted earnings per stapled security ('000)	714,289	722,955	714,289	722,955

Basic and diluted earnings per unit is determined by dividing statutory profit attributable to the stapled securityholders by the weighted average number of stapled securities on issue during the year. The REIT has no dilutive or convertible stapled securities on issue.

Operating earnings per stapled security is determined by dividing operating earnings attributable to the stapled securityholders by the weighted average number of stapled securities on issue during the year.

A3. Reconciliation of net profit to operating cash flow

	Charter Hall Long WALE REIT		Finance Trust	
	2025 \$'000	2024 \$'000	2025 \$'000	2024 \$'000
Profit for the year	118,283	(510,878)	(32,134)	(24,492)

Capitalised interest on Intra-Group Facility	-	-	(71,452)	(98,844)
Foreign exchange loss/(gains)	(1)	183	-	-
Classified as investing and financing activities				
Acquisition and disposal related costs	124	1,524	-	-
Realised loss on sale of interest in joint ventures	-	16,490	-	-
(Increase)/decrease in trade and other receivables	(758)	2,047	-	(11)
Increase/(decrease) in trade and other payables	1,388	4,693	(917)	(312)
Net cash flows from operating activities	172,107	185,176	(64,733)	(82,579)

B. Property Portfolio Assets

The REIT’s property portfolio assets comprise directly held investment properties, indirectly held interests in investment property held through joint ventures and investments in financial assets at fair value. Investment properties comprise investment interests in land and buildings held for long-term rental yields.

The following table summarises the property portfolio assets detailed in this section.

	Notes	2025 \$'000	2024 \$'000
Current assets			
Investment properties held for sale	B1	-	299,341
Total current assets		-	299,341
Non-current assets			
Investment properties	B1	2,387,794	2,474,042
Investments in joint ventures	B2	2,450,833	2,388,446
Investment in financial asset at fair value	B3	4,208	4,023
Total non-current assets		4,842,835	4,866,511
Total property portfolio assets		4,842,835	5,165,852

The valuation policies stated in B1 also apply to property held in joint operations (B1) and joint ventures (B2).

Summary of acquisition and disposal costs directly expensed to the statement of comprehensive income in relation to transactions which occurred during the year:

Costs in relation to transactions with:	Notes	2025 \$'000	2024 \$'000
Investment properties		18	3
Investments in joint ventures	B2	106	1,521
Total		124	1,524

B1. Investment properties

Investment properties

Initially, investment properties are measured at cost including transaction costs. Subsequent to initial recognition, investment properties are stated at fair value. Revaluation gains and losses are included in the consolidated statement of comprehensive income in the year in which they arise.

Assets held for sale

Investment properties are classified as assets held for sale when it is highly probable that the carrying amount will be recovered principally through a sale transaction rather than through continuing use. Investment properties classified as held for sale are measured at fair value. Assets which are classified as held for sale are classified as current assets as it is expected they will be divested within the coming reporting period.

Development properties

The total cost of a development property is generally capitalised to its carrying value until development is complete. At the commencement of a development project, an estimated valuation on completion is obtained and the capitalised costs during the project are monitored against this initial valuation. Post completion, the property is externally valued with a full formal report and thereafter the stabilised asset valuation process applies. At each reporting date, the carrying values of development properties are reviewed to determine whether they are in excess of their fair value. Where appropriate, a write-down is made to reflect fair value.

Joint operations

The REIT recognises its direct right to the assets, liabilities, revenues and expenses of joint operations and its share of any jointly held or incurred assets, liabilities, revenues and expenses. These have been incorporated in the consolidated financial statements under the appropriate headings.

(a) Reconciliation of the carrying amount of investment properties at the beginning and end of year

	2025 \$'000	2024 \$'000
Carrying amount at the beginning of the year	2,474,042	3,481,539
Additions	23,396	31,381
Transaction costs incurred	723	10,301
Disposals	(48,000)	(305,850)
Revaluation decrement	(61,644)	(433,687)
Revaluation increment/(decrement) attributable to transaction costs, straight lining of rental income and amortisation of incentives and leasing fees	2,278	(7,874)
Straight lining of rental income and amortisation of incentives and leasing fees	(3,001)	(2,427)
Reclassification of assets classified as held for sale	-	(299,341)
Carrying amount at the end of the year	2,387,794	2,474,042

(b) Valuation process

The Responsible Entity conducts an investment property valuation process on a semi-annual basis. This process is overseen by the Executive Property Valuations Committee (EPVC), which is an internal Charter Hall committee comprised of The Charter Hall Group CEO, Chief Investment Officer and sector CEOs. The role of the EPVC is to oversee the valuation process including:

- approving a panel of independent valuers
- reviewing key valuation inputs and assumptions
- reviewing the independent valuations prior to these being presented to the Board
- acting as an escalation point between the group and any external valuer.

Valuations are performed either by independent professionally qualified external valuers or by Charter Hall’s internal valuers who have the relevant experience and knowledge. Fair value is determined using discounted cash flow (DCF) and income capitalisation methods.

Each investment property is valued by an independent external valuer at least once every 12 months, or earlier, where the Responsible Entity deems it appropriate or believes there may be a material change in the carrying value of the property. Independent valuers are engaged on a rotational basis.

External valuations were conducted for 100% of the REIT’s portfolio of properties not under development including the properties held by joint ventures during the year, with 66% of properties being independently valued at 30 June 2025 (2024: 84%).

(c) Valuation techniques and key judgements

In determining fair value of investment properties management has considered the nature, characteristics and risks of its investment properties. Such risks include but are not limited to the property cycle, transaction evidence and structural changes in the current and future macro-economic environment.

The table below identifies the inputs, which are not based on observable market data, used to measure the fair value (level 3) of the investment properties:

	Fair value \$'000	Net market rent (\$ sqm/p.a.)	Adopted capitalisation rate (% p.a.)	Adopted terminal yield (% p.a.)	Adopted discount rate (% p.a.)
2025	2,387,794	103 - 1,100	4.25 - 8.50	4.50 - 8.88	5.25 - 8.88
2024	2,474,042	100 - 1,303	4.00 - 7.75	4.00 - 8.00	5.50 - 8.00

Term	Definition
Discounted cash flow (DCF) method	A method in which a discount rate is applied to future expected income streams to estimate the present value.
Income capitalisation method	A valuation approach that provides an indication of value by converting future cash flows to a single current capital value.
Net market rent	A net market rent is the estimated amount for which a property or space within a property should lease between a willing lessor and a willing lessee on appropriate lease terms in an arm's length transaction, after proper marketing and wherein the parties have each acted knowledgeably, prudently and without compulsion. In a net rent, the owner recovers outgoings from the tenant on a pro-rata basis (where applicable).
Capitalisation rate	The return represented by the income produced by an investment, expressed as a percentage.
Terminal yield	A percentage return applied to the expected net income following a hypothetical sale at the end of the cash flow period.
Discount rate	A rate of return used to convert a future monetary sum or cash flow into present value.

Sensitivity analysis

The REIT considers capitalisation rates the most significant assumption that is subject to estimation uncertainty given the nature of its portfolio. Accordingly, sensitivities to the fair value of investment properties (including those owned by the REIT's joint ventures) have been provided around reasonable possible movements in the capitalisation rate.

If the capitalisation rate expanded by 25 basis points, the fair value of all wholly owned investment properties would reduce by \$98.4 million from the fair value as at 30 June 2025 (\$240.6 million reduction including the REIT's share of joint venture properties) and if the capitalisation rate compressed by 25 basis points, the fair value would increase by \$107.2 million from the fair value as at 30 June 2025 (\$264.0 million increase including the REIT's share of joint venture properties).

Movement in the inputs are likely to have an impact on the fair value of investment properties. An increase/(decrease) in net market rent will likely lead to an increase/(decrease) in fair value. A decrease/(increase) in adopted capitalisation rate, adopted terminal yield or adopted discount rate will likely lead to an increase/(decrease) in fair value.

B2. Investment in joint venture entities

The REIT accounts for investments in joint venture entities and associates using the equity method, with investments initially recognised at cost and adjusted thereafter to recognise the REIT's share of post-acquisition profits or losses of the investee in profit or loss, and the REIT's share of movements in other comprehensive income of the investee in other comprehensive income of the REIT. Distributions received or receivable from joint ventures are recognised as a reduction in the carrying amount of the investment.

When the REIT's share of losses in a joint venture investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the REIT does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the REIT and its joint venture entities are eliminated to the extent of the REIT's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of joint venture investees have been changed where necessary to ensure consistency with the policies adopted by the REIT.

The REIT exercises joint control over the joint venture entities, but neither the REIT nor its joint venture partners have control in their own right, irrespective of their ownership interest. An associate is an entity over which the REIT has significant influence. The principal activity of all joint venture entities and associates during the year was property investment.

Management regularly reviews joint venture investments for impairment by reference to changes in circumstances or contractual arrangements, external independent property valuations and market conditions, using generally accepted market practices. When a recoverable amount is estimated through a value in use calculation, critical judgements and estimates are made regarding future cash flows and an appropriate discount rate.

Information relating to the joint venture entities is detailed below:

Name of entity	Properties	2025 Ownership %	2024 Ownership %	2025 \$'000	2024 \$'000
Perth RDC Trust (Perth Trust)	Coles, Perth WA	49.9	49.9	166,217	160,039

Withdrawals	-	(1,115)
Net fair value movement on investment at fair value	185	205
Balance at the end of the year	4,208	4,023

B4. Commitments and contingent liabilities

As at the balance date, the REIT's capital commitments amounted to \$28.5 million (2024: \$5.2 million). The Finance Trust had no commitments as at 30 June 2025 (2024: nil).

As at 30 June 2025, the REIT and Finance Trust have no contingent liabilities (2024: nil).

The REIT's share in the commitments and contingent liabilities of joint venture entities, other than those described above, total \$20.3 million (2024: \$1.8 million).

C. Capital Structure and Financial Risk Management

The REIT’s activities expose it to numerous external financial risks such as market risk, credit risk and liquidity risk. This section explains how the REIT utilises its risk management framework to reduce volatility from these external factors.

C1. Capital risk management

The REIT optimises capital through the mix of available capital sources while complying with statutory and constitutional capital and distribution requirements, maintaining gearing, interest cover ratios and other covenants within approved limits and continuing to operate as a going concern. The REIT assesses its capital management approach as a key part of its overall strategy and it is regularly reviewed by management and the Board.

The REIT is able to alter its capital mix by issuing new units, activating the DRP, electing to have the DRP underwritten, adjusting the amount of distributions paid, activating a unit buyback program or selling assets to reduce borrowings. The REIT has a target balance sheet gearing level of 25-35% of debt to total assets and its balance sheet gearing at 30 June 2025 was 31.4% (2024: 34.0%).

C2. Borrowings and liquidity

(a) Borrowings

Borrowings are initially recognised at fair value, estimated by comparing the margin on the facility to the pricing of a similar facility in the current market, and subsequently measured at amortised cost using the effective interest rate method. Under the effective interest rate method, any transaction fees, costs, discounts and premiums directly related to the borrowings are recognised in profit or loss over the expected life of the borrowings. All borrowings are classified as non-current liabilities as they have maturities greater than 12 months. The figures below represent both the REIT and Finance Trust.

	2025		2024	
	Total carrying amount \$'000	Fair value \$'000	Total carrying amount \$'000	Fair value \$'000
Bank loan	887,000	889,867	1,103,210	1,107,212
Australian dollar medium-term notes (A\$MTNs)*	648,718	642,093	608,857	593,838
Unamortised borrowing cost	(7,333)	-	(7,232)	-
Total	1,528,385	1,531,960	1,704,835	1,701,050
Balance available for drawing	443,000		526,790	

* Includes fair value hedge adjustment of (\$51.3) million (2024: (\$91.1) million).

Bank loans

	Maturity Date	Facility limit at 30 Jun 2025	Utilised amount at 30 Jun 2025
		\$'000	\$'000
Bilateral facility	July 2026	70,000	-
Bilateral facility	November 2026	100,000	100,000
Bilateral facility	November 2027	100,000	100,000
Bilateral facility	December 2027	200,000	-
Bilateral facility	December 2028	100,000	-
Bilateral facility	January 2029	150,000	150,000
Bilateral facility	January 2029	100,000	100,000
Bilateral facility	August 2029	310,000	310,000
Bilateral facility	July 2030	200,000	127,000
		1,330,000	887,000

Covenants

Syndicated and bilateral facilities are repayable if any of the following occurs and such occurrence is not cured and/or consented to by financiers:

- the REIT defaults on payments of interest or principal
- interest cover ratio falls below 2.00:1
- total liabilities to total tangible assets ratio exceeds 50%
- the aggregate of the priority indebtedness ratio for the Group and the priority indebtedness ratio for the non-recourse debt exceeds 27.5%
- the aggregate of priority debt and any secured finance debt exceeds 5%
- total unsecured debt over unencumbered assets of the REIT exceeds 60%.

The REIT complied with all debt covenants during the financial year.

Australian dollar medium-term notes (A\$MTNs)

In March and June 2021, the Finance Trust on behalf of the REIT issued \$700 million of fixed rate A\$MTNs comprising \$300 million seven-year notes, \$200 million 8.5-year notes and \$200 million 10-year notes.

The REIT’s interest rate exposure under these notes is 100% hedged with interest rate swaps (refer to Note C3(b)).

Intra-Group Facility Agreement (IGFA)

	30 Jun 2025 \$'000	30 Jun 2024 \$'000
Loans receivable under IGFA		
Charter Hall Direct Industrial Fund	1,559,294	1,797,966
	1,559,294	1,797,966

On 10 November 2016, the Finance Trust entered an Intra-Group Facility Agreement (IGFA) with DIF. This agreement expires in December 2027.

Interest rates under the IGFA are variable and reset periodically. As at 30 June 2025, the interest rate under the IGFA was 4.48% (30 June 2024: 4.92%) per annum. Interest income of \$71.5 million was earned during the year (2024: \$98.8 million).

As at 30 June 2025, the fair value of the loan receivable under IGFA amounted to \$1,559 million (2024: \$1,798 million).

Borrowings in joint ventures

	Maturity Date	Facility limit at 30 Jun 2025 at 100% \$'000	Facility limit at 30 Jun 2025 REIT’s share \$'000

Borrowing costs	(7,472)	-	240	-	(7,232)
Total borrowings	1,940,891	14,704	240	(251,000)	1,704,835
Cash	(19,682)	-	-	(2,999)	(22,681)
Net debt	1,921,209	14,704	240	(253,999)	1,682,154

(b) Finance costs

	Charter Hall Long WALE REIT		Finance Trust	
	2025 \$'000	2024 \$'000	2025 \$'000	2024 \$'000
Finance costs incurred on financial instruments:				
- At amortised cost	75,115	100,206	75,115	100,800
- Fair value through profit and loss*	(8,911)	(16,294)	(8,911)	(16,294)
	66,204	83,912	66,204	84,506

* Net interest (received) under interest rate swap agreements.

C3. Derivative financial instruments

The REIT uses derivatives to hedge its exposure to interest rates. Derivative financial instruments are measured and recognised at fair value on a recurring basis. All derivatives are classified based on their maturity date and are not split based on notional cashflows.

Amounts reflected in the financial statements are as follows:

Balance Sheet	2025		2024	
	Asset \$'000	Liability \$'000	Asset \$'000	Liability \$'000
Current				
Forward foreign exchange contracts	-	5,014	43	2,317
Interest rate swaps	6,428	1,565	28,558	-
Total current derivative financial instruments	6,428	6,579	28,601	2,317
Non-current				
Interest rate swaps	-	1,744	11,881	-
Interest rate swaps – fair value hedges	-	48,657	-	87,504
Total non-current derivative financial instruments	-	50,401	11,881	87,504
Total derivative financial assets/liabilities	6,428	56,980	40,482	89,821

The REIT uses derivatives to economically hedge its exposure to floating interest rates and foreign exchange exposure from the bp New Zealand portfolio. All derivative financial instruments are measured and recognised at fair value on a recurring basis.

The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The REIT designates certain derivatives as fair value hedges. Hedge ineffectiveness may occur due to credit/debit value adjustments and differences in critical terms between the hedging instrument and the hedged item. For derivatives not in hedging arrangements where an upfront payment is made, subsequent changes in fair value arising from cash receipts are classified as interest and recognised within finance costs, with a corresponding adjustment to net fair value loss on derivative financial instruments.

(a) Interest rate swaps

The Finance Trust, on behalf of the REIT, is a party to \$1,520 million of interest rate swaps, which entitle the REIT to receive interest, at quarterly intervals, at a floating rate on a notional principal amount and obliges the REIT to pay interest at a fixed rate on the same amount. The interest rate and swap agreements allow the REIT to raise long-term borrowings at a floating rate and effectively swap them into a fixed rate.

At 30 June 2025, the fixed rate under interest rate swaps was 2.47% per annum and the comparable market rate for a similar weighted average hedge duration of 1.2 years was 3.18% (2024: fixed rate under interest rate swaps was 1.93% and the comparable market rate for a similar weighted average hedge duration of 1.3 years was 4.48%)

Changes in fair value for interest rate swap derivatives are classified as interest expense to the extent that net cash flows are exchanged.

At balance date, 88.8% (2024: 81.1%) of the REIT's direct and joint venture interest rate exposure was hedged.

As at 30 June 2025, the notional principal amount and period of expiry of the interest rate swap contracts (excluding designated fair value hedges) are as follows:

	1 year or less \$'000	1 - 2 years \$'000	2 - 3 years \$'000	Total \$'000
Floating to fixed interest rate swaps				
2025	1,020,000	500,000	-	1,520,000
2024	1,300,000	400,000 ¹	100,000 ²	1,800,000

¹ \$200 million has a forward start date of June 2025 and an expiry date of June 2026.

² This interest rate swap has a forward start date of June 2025 and an expiry date of June 2027.

(b) Interest rate swaps – fair value hedges

Following the issuance of A\$MTNs in March and June 2021, the Finance Trust, on behalf of the REIT, entered into contracts with two major Australian banks to swap the fixed rate exposure of the A\$MTNs to a floating rate exposure with the terms that match the issued notes. These interest rate swaps were designated as fair value hedges against a risk of changes in fair value of A\$MTNs due to the changes in interest rates.

The gain or loss relating to interest payments on interest rate swaps hedging fixed rate borrowings is recognised in profit or loss within finance costs. Changes in the fair value of derivative hedging instruments and the hedged fixed rate borrowings attributable to interest rate risk are recognised within 'net gains/(losses) from derivative financial instruments'. The gain or loss relating to the ineffective portion is also recognised in profit or loss within 'net gains/(losses) from derivative financial instruments'.

The effects of hedge accounting on the REIT's financial position and performance are as follows:

	2025 \$'000	2024 \$'000
Carrying amount of the hedging instrument	(48,657)	(87,504)
Notional amount	700,000	700,000
Maturity date	Match A\$MTNs	Match A\$MTNs
Hedge ratio	1:1	1:1
Change in fair value of outstanding hedging instruments since 1 July	38,715	12,621
Change in value of hedged item used to determine hedge effectiveness	(39,861)	(14,704)

Summary of interest rate swap movements

	2024 \$'000	Fair value movement \$'000	2025 \$'000

Net A\$MTN exposure	(694,266)	(2,095)	(696,361)

(c) Forward foreign exchange contracts

The REIT has forward foreign exchange contracts in place to sell New Zealand dollars and receive Australian dollars with a total notional amount of NZ\$180.4 million. NZ\$175.0 million is used to hedge the carrying value of the REIT's 50% equity interest in the bp NZ joint venture and NZ\$5.4 million is used to hedge foreign exchange exposure on distribution income.

(d) Valuation techniques used to derive level 2 fair values

Derivatives are classified as level 2 on the fair value hierarchy as the inputs used to determine fair value are observable market data but not quoted prices.

The fair value of interest rate swaps is calculated as the present value of the estimated future cash flows. The fair value of forward foreign exchange contracts is determined using forward foreign exchange market rates and the present value of the estimated future cash flows at the balance date.

Credit value adjustments are calculated based on the counterparty's credit risk using the counterparty's credit default swap curve as a benchmark. Debit value adjustments are calculated based on the REIT's credit risk using debt financing available to the REIT as a benchmark.

C4. Contributed equity

	Charter Hall Long WALE REIT		Finance Trust	
	2025 \$'000	2024 \$'000	2025 \$'000	2024 \$'000
<i>Details</i>	<i>No. of Securities</i>			
Securities on issue – 30 June 2023	722,955,466	3,271,183		6,641
Securities on issue – 30 June 2024	722,955,466	3,271,183	6,641	6,641
Cancellations of stapled securities	(12,784,577)	(58,904)	(118)	
Securities on issue – 30 June 2025	710,170,889	3,212,279	6,523	
Balance at the end of the period attributable to the securityholders of:				
DIF	710,170,889	3,212,279	3,271,183	-
Finance Trust	710,170,889	6,523	6,641	6,641

As stipulated in the REIT's constitutions, each security represents a right to an individual share in the REIT and does not extend to a right to the underlying assets of the REIT. There are no separate classes of securities and each unit has the same rights attaching to it as all other units in the REIT.

Each stapled security confers the right to vote at meetings of securityholders, subject to any voting restrictions imposed on a securityholder under the *Corporations Act 2001* and the Australian Securities Exchange Listing Rules.

Repurchase and cancellation of stapled securities

During the year, the REIT repurchased 12,784,577 stapled securities, on market, for a total consideration of \$50.0 million (\$3.91 per stapled security). The REIT cancelled the repurchased units. The cancellation reduced the contributed equity and increased retained profits by the repurchased stapled securities entitlement of \$59.0 million and \$9.0 million respectively.

Distribution reinvestment plan

The REIT has established a Distribution Reinvestment Plan (DRP) under which securityholders may elect to have all or part of their distribution entitlements satisfied by the issuance of new securities rather than being paid in cash.

The DRP issue price is determined at a discount of 1.0% to the daily volume weighted average price of all securities traded on the ASX during the 10 business days commencing on the third business day following the distribution record date. The DRP was not active during the year.

C5. Financial risk management

The REIT's principal financial instruments comprise cash and cash equivalents, receivables, investments in financial assets at fair value, investments accounted for using the equity method, payables, interest bearing liabilities and derivative financial instruments.

The table below shows the REIT's exposure to a variety of financial risks and the various measures it uses to monitor exposures to these types of risks. The REIT manages its exposure to these financial risks in accordance with the REIT's Financial Risk Management (FRM) policy as approved by the Board. The policy sets out the REIT's approach to managing financial risks, the policies and controls utilised to minimise the potential impact of these risks on its performance and the roles and responsibilities of those involved in the management of these financial risks. Derivative financial instruments are used exclusively for hedging purposes and not for trading or speculative purposes.

Other than financial instruments, the REIT is exposed to property price risk including property rental risks.

Risk	Definition	Exposure	Exposure management
Market risk – interest rate risk	The risk that changes in interest rates will change the fair value or cash flows of the REIT's monetary assets and liabilities.	Cash and borrowings at fixed and floating rates.	Interest rate swaps are used to hedge movements in interest rates.
Market risk – foreign exchange risk	The risk that changes in foreign exchange rates will change the Australian dollar value of the REIT's foreign denominated net assets or earnings.	Investment in foreign operations denominated in New Zealand dollars.	The investment and income from foreign operations are hedged via forward exchange contracts.
Liquidity risk	The risk the REIT has insufficient liquid assets to meet its obligations as they become due and payable.	Payables, borrowings and other liabilities.	Maintaining sufficient cash and marketable securities, the availability of funding through an adequate amount of committed credit facilities and the ability to close out market positions.
Credit risk	The risk a contracting entity will not complete its obligations under a contract and will cause the REIT to make a financial loss.	All financial assets including tenant receivables.	<p>Performing credit reviews on prospective tenants, obtaining tenant collateral and detailed review of tenant arrears.</p> <p>Reviewing the aggregate exposure of receivables and tenancies across the portfolio.</p> <p>Limiting the credit exposure to any financial institution and limiting to investment grade counterparties.</p> <p>Monitoring the public credit rating of counterparties.</p>

(a) Market risk – Interest rate risk

The table below shows the REIT and Finance Trust's exposure to interest rate risk.

	Charter Hall Long WALE REIT		Finance Trust

¹ The REIT's share of financial assets and liabilities included within its net investments in joint venture entities

Sensitivity analysis

The table below reflects the potential net increase/(decrease) in profit and equity, resulting from changes in Australian interest rates applicable at 30 June 2025, with all other variables remaining constant. The change in interest payable on the REIT's and Finance Trust's floating rate interest bearing liabilities, is partially offset by changes in the fair value of derivative financial instruments hedging this exposure.

	Charter Hall Long WALE REIT					
	2025			2024		
	Interest expense \$'000	Net gain/(loss) from derivative financial instruments \$'000	Profit and loss \$'000	Other comprehensive income \$'000	Profit and loss \$'000	Other comprehensive income \$'000
<i>Australian interest rates</i>						
+ 1%	(1,257)	17,383	16,126	-	13,710	-
- 1%	1,257	(17,689)	(16,432)	-	(14,046)	-

The table above is prepared on a proportionate consolidated basis.

	Finance Trust					
	2025			2024		
	Interest expense \$'000	Net gain/(loss) from derivative financial instruments \$'000	Profit and loss \$'000	Other comprehensive income \$'000	Profit and loss \$'000	Other comprehensive income \$'000
<i>Australian interest rates</i>						
+ 1%	15,247	14,175	29,422	-	29,619	-
- 1%	(15,247)	(14,426)	(29,673)	-	(29,887)	-

The sensitivity analysis presented above does not take into account impact of changes in interest rates on the rate of inflation, the market capitalisation rate and property values which, together with other external factors, may also influence operating earnings and statutory profit of the REIT and Finance Trust in the future periods.

(b) Market risk – foreign exchange risk

Foreign exchange risk is the risk that changes in foreign exchange rates will change the Australian dollar value of the REIT's net assets or its Australian dollar earnings. The REIT is exposed to foreign currency risk from its investment in foreign operations.

The REIT's investments in foreign operations arises from the translation of New Zealand assets and liabilities from New Zealand dollars to Australian dollars. The foreign currency exposure to New Zealand dollars is hedged by forward exchange contracts.

The Finance Trust has no exposure to foreign currency risk. The table below sets out the REIT's overseas investments, by currency (Australian dollar equivalent):

	Charter Hall Long WALE REIT NZ\$ exposure*	
	2025 \$'000	2024 \$'000
Assets		
Cash and cash equivalents	697	1,047
Receivables	1,911	2,062
Investments in joint ventures	172,864	168,200
Total Assets	175,472	171,309

* Australian dollar equivalents of foreign denominated balances.

(c) Liquidity risk

The following table provides the contractual maturity of the REIT's and Finance Trust's fixed and floating rate financial liabilities and derivatives as at balance date. The amounts represent the future contractual undiscounted principal and interest cash inflows/(outflows) based on interest rates and foreign exchange rates prevailing at balance date and therefore do not equate to the value shown in the consolidated balance sheet. Repayments which are subject to notice are treated as if notice were given immediately.

(d) Credit risk

The maximum exposure to credit risk at the end of each reporting period is equivalent to the carrying value of the financial assets. The REIT has policies to review the aggregate exposures of receivables and tenancies across its portfolio. As at 30 June 2025, the REIT has no significant concentrations of credit risk on its receivables.

The table below shows the ageing analysis of those rent receivables of the REIT which are past due or impaired:

	Less than 30 days \$'000	Past due but not impaired 31 to 60 days \$'000	61 to 90 days \$'000	More than 90 days \$'000	Total \$'000
2025					
Rent receivable	992	77	69	168	1,306
Provision for expected credit losses	-	-	-	-	(60)
	992	77	69	168	1,246
2024					
Rent receivable	856	253	46	58	1,213
Provision for expected credit losses	-	-	-	-	(45)
	856	253	46	58	1,168

The REIT and Finance Trust apply the AASB 9 simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance (ECL) for all trade receivables and other financial assets.

The loss allowances for rent receivables and other financial assets are based on assumptions about risk of default and expected loss rates. The REIT and Finance Trust use judgement in making these assumptions, based on the REIT's and Finance Trust's histories, existing market conditions as well as forward looking estimates at the end of each reporting period.

Agreement to rental deferral options between the REIT and a tenant does not automatically indicate a deterioration of credit risk but is considered within the framework of the above indicators.

The deferral of lease payments offered to tenants has not had a material impact on the REIT's cash inflows from operations.

The forward-looking judgements and assumptions reflect the best estimate of management as at balance date, using information available to them at that date. Accordingly, the REIT's ECL estimates are inherently uncertain and, as a result, actual results may differ from these estimates.

C6. Offsetting financial assets and liabilities

The REIT is a party to the master agreement as published by International Swaps and Derivatives Associates, Inc. (ISDA) which allow the REIT's counterparties, under certain conditions (i.e. event of default), to set off the position owing/receivable under a derivative contract to a net position outstanding. As the REIT does not have a legally enforceable right to set-off, none of the financial assets or financial liabilities are offset on the balance sheet of the REIT.

The table below demonstrates the effect of offsetting positions should the REIT's counterparties decide to enforce the legal right to set-off:

	Gross amounts of financial instruments \$'000	Amounts subject to set-off \$'000	Net amount post set-off \$'000
Consolidated entity			
2025			
Derivative assets	6,428	(6,428)	-
Derivative liabilities	(56,980)	6,428	(50,552)
Borrowings	(1,535,718)	-	(1,535,718)
	(1,586,270)	-	(1,586,270)
2024			
Derivative assets	40,482	(40,482)	-
Derivative liabilities	(89,821)	40,482	(49,339)
Borrowings	(1,712,067)	-	(1,712,067)
	(1,761,406)	-	(1,761,406)

D. Further Information

D1. Related Party Information

(a) Responsible Entity

The Responsible Entity of the REIT and Finance Trust is Charter Hall WALE Limited, a wholly owned controlled entity of Charter Hall. The registered office of the Responsible Entity is Level 20, No.1 Martin Place, Sydney NSW 2000.

(b) Directors

The following persons have held office as directors of the Responsible Entity during the year and up to the date of this report:

– Glenn Fraser	– Chair and Non-Executive Director
– Ceinwen Kirk-Lennox	– Non-Executive Director
– Ray Fazzolari	– Non-Executive Director
– David Harrison	– Executive Director and Chief Executive Officer/Managing Director of Charter Hall Group
– Carmel Hourigan	– Executive Director

No payments were made by the REIT, Finance Trust or by the Responsible Entity on behalf of the REIT to the Executive Directors during the year.

(c) Transactions with the Responsible Entity and its related parties

The Responsible Entity and its related parties held 76,283,709 stapled securities as at 30 June 2025 (2024: 76,283,709).

The following is a summary of related party transactions including the REIT’s share of fees charged to joint ventures for the year ended 30 June 2025:

Charter Hall Long WALE REIT					
Type of fee	Basis of fee calculation	Basis of fee calculation		Fee amount	
		2025	2024	2025	2024
		\$'000	\$'000	\$'000	\$'000
Base management*	0.45% of average gross assets	5,640,548	6,792,373	25,382	30,566
Transaction	1% of transaction price	358,841	425,148	3,588	4,251
Property management	Up to 3% of gross property income	303,924	328,088	3,892	3,769
Accounting services	Cost recovery	N/A	N/A	1,096	1,059
Leasing	% gross average annual rent based on a sliding fee scale	2,143	654	261	42
Project management	6% of the project value	19,971	19,373	1,198	1,162
Facility management	Annual charge per property	N/A	N/A	304	474
Other cost recoveries	Cost recovery	N/A	N/A	235	302
				35,956	41,625

* Includes the REIT’s share of \$511,565 paid by 242 Exhibition Trust (2024: \$578,108).

Finance Trust					
Type of fee	Basis of fee calculation	Basis of fee calculation		Fee amount	
		2025	2024	2025	2024
		\$'000	\$'000	\$'000	\$'000
Base management	0.45% of average gross assets	30,822	70,733	139	318

(d) Outstanding payable balance with the Responsible Entity and its related parties

	Charter Hall Long WALE REIT		Finance Trust	
	2025	2024	2025	2024
	\$'000	\$'000	\$'000	\$'000
Charter Hall Holdings Pty Limited	2,009	2,265	10	26

(e) Key management personnel

Key management personnel (KMP) are defined in AASB 124 *Related Party Disclosures* as those having authority and responsibility for planning, directing and controlling the activities of the entity. The Responsible Entity meets the definition of KMP as it has this authority in relation to the activities of the REIT and Finance Trust. These powers have not been delegated by the Responsible Entity to any other person. Details of management fees charged to the REIT by the Responsible Entity and its related parties are included in Note D1(c).

(f) Directors' fees and Fund Manager remuneration

Independent Directors' fees are as follows:

	2025	2024
	\$	\$
Peeyush Gupta AM	-	186,559
Glenn Fraser	231,706	176,120
Ceinwen Kirk-Lennox	154,471	149,247
Ray Fazzolari*	171,021	30,669
	557,198	542,595

* Ray Fazzolari was appointed 24 April 2024.

The level of fees is not related to the performance of the REIT and Finance Trust. The Board of the Responsible Entity reviews remuneration payable to its Independent Directors from time to time. Remuneration of independent Directors is approved by the Board and any increases are benchmarked to market rates.

The Executive Directors and Non-Executive Directors of the Responsible Entity and Fund Manager of the REIT and Finance Trust are employees of Charter Hall Holdings Pty Ltd and are remunerated by Charter Hall Holdings Pty Ltd.

(g) Directors' interests in REIT stapled securities

The number of stapled securities held directly, indirectly or beneficially by the Directors of the Responsible Entity or the Directors' related parties at 30 June is as follows:

	Stapled securities held	Stapled securities held
	2025	2024
Glenn Fraser	76,721	76,721
Ceinwen Kirk-Lennox	60,341	60,341
Ray Fazzolari	5,000	-
David Harrison	699,285	699,285
Carmel Hourigan	10,250	10,250
	851,597	846,597

Ray Fazzolari acquired 5,000 stapled securities during the year. No stapled securities of the REIT were sold by the Directors of the Responsible Entity or their related parties during the year (2024: nil).

D2. Working capital

The REIT maintains a proactive cash management practice of using excess available cash to reduce drawn revolving debt facilities. The REIT is in a net current liability position of \$1.5 million at 30 June 2025 (30 June 2024 net current asset position of \$283.8 million).

The entity has readily accessible credit facilities with \$443 million (30 June 2024: \$526.8 million) of undrawn non-current debt facilities at 30 June 2025 and operating cash flows to meet current liabilities. The REIT does not foresee any issues in meeting the current liabilities over the course of the next 12 months, and therefore, these financial statements have been prepared on a going concern basis.

Financial assets and liabilities not carried at fair value have carrying values that reasonably approximate their fair values (unless otherwise disclosed).

(a) Receivables and other assets

	Charter Hall Long WALE REIT		Finance Trust	
	2025	2024	2025	2024
	\$'000	\$'000	\$'000	\$'000
Receivables				
Trade receivable	1,306	1,213	-	-
Provision for expected credit loss	(60)	(45)	-	-
Net rent receivable	1,246	1,168	-	-
Accrued income and other receivables	2,071	1,325	8	7
Distributions receivable from joint ventures*	19,156	18,536	-	-
	22,473	21,029	8	7
*Distributions received in the corresponding July.				
Other Assets				
Prepayments	2,339	2,431	14	14
Other	124	-	-	-
	2,463	2,431	14	14

Trade receivables includes property income receivable together with receivables relating to revenue from contracts with customers.

(b) Payables and other liabilities

	Charter Hall Long WALE REIT		Finance Trust	
	2025	2024	2025	2024
	\$'000	\$'000	\$'000	\$'000
Payables				
Accrued expenses	5,291	5,306	598	721
Accrued transaction costs	-	5,602	-	-
Accrued base management fee	2,009	2,291	10	26
Accrued capital expenditure	14,843	13,363	-	-
Interest payable	6,774	8,054	6,774	8,054
GST payable	785	143	-	-
	29,702	34,759	7,382	8,801
Other liabilities				
Unearned income	7,564	6,166	-	-
	7,564	6,166	-	-

Liabilities are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the REIT. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

D3. Parent entity information

The financial information for the parent entities of the REIT and Finance Trust, has been prepared on the same basis as the consolidated financial statements except as set out below:

Investments in controlled entities

Investments in controlled entities and joint ventures are accounted for at cost in the financial statements of the parent entity. Such investments include both investments in equity securities issued by the controlled entity and other parent entity interests that in substance form part of the parent entity's investment in the controlled entity. These include investments in the form of interest-free loans which have no fixed contractual term and which have been provided to the controlled entity as an additional source of long-term capital.

Distributions received from controlled entities and joint ventures are recognised in the parent entity's statement of comprehensive income, rather than being deducted from the carrying amount of these investments.

Receivables and payables

Trade amounts receivable from controlled entities in the normal course of business and other amounts advanced on commercial terms and conditions are included in receivables. Similarly, amounts payable to controlled entities are included in payables.

Recoverable amount of assets

The carrying amounts of investments in controlled entities, associates and joint ventures are reviewed to determine whether they are in excess of their recoverable amount at balance date. If the carrying value exceeds their recoverable amount, the assets are written down to the lower value. If required, the write-down is expensed in the year in which it occurs.

(a) Summary financial information

The individual financial statements for the parent entities show the following aggregate amounts:

	Parent entity of Charter Hall Long WALE REIT		Parent entity of Finance Trust	
	2025	2024	2025	2024

(b) Guarantees and contingent liabilities

The parent entities did not have any contingent liabilities, either individually or as a class, at 30 June 2025 (2024: \$nil).

(c) Commitments

The parent entities did not have any commitments as at 30 June 2025 (2024: \$nil).

D4. Significant contract terms and conditions

Pre-emptive rights

The joint-ownership agreements to which the REIT is a party contain pre-emptive rights which restrict the REIT's dealings in respect of its interest in the respective co-owned trust or the co-owned property. In particular, where the REIT wishes to deal with its interests in a co-owned trust or property, each other co-owner will have a pre-emptive right over the REIT's interests, other than in limited circumstances (for example, by way of a permitted transfer to a member of the REIT's Securityholder or owner group).

A number of joint-ownership agreements also contain:

- tag-along options, pursuant to which the REIT may be required to take reasonable steps, if it wishes to sell its interest in a co-owned trust or co-owned property, to cause one or more of the other co-owners' interests to be acquired on substantively the same terms
- drag-along rights, pursuant to which a co-owner may require the REIT to sell its interests in a co-owned trust if the co-owner wishes to sell its interest and the REIT has not exercised its pre-emptive right
- provisions under which a default sale process may be triggered on a change of control event, including where the Responsible Entity is replaced with an entity that is not a related body corporate of the Responsible Entity, with the default sale process giving the other co-owners a right to acquire the REIT's interests at the relevant default interest value
- dispute resolution procedures which provide for the sale of the relevant property in circumstances where a co-owner does not acquire the other co-owners' interests.

D7. Events occurring after balance date

On 1 July 2025, the REIT acquired a 49.9% interest in CH Defence Holding Trust for \$32.9 million which owns Department of Defence, Campbell Park ACT.

On 4 July 2025, the REIT acquired Australian Border Force, Bulla VIC for \$62.0 million.

On 7 July 2025, the REIT acquired an additional interest of 8.33% in Charter Hall GSA Trust for \$28.3 million which owns Geoscience Australia, Canberra ACT, bringing the REIT’s total interest in this asset to 33.3%.

On 7 July 2025, the REIT acquired an additional interest of 49.9% in Kogarah Trust for \$94.4 million which owns Westpac, Kogarah NSW, bringing the REIT’s total interest in this asset to 100%.

All the above transactions were with related parties.

In July 2025, the REIT further increased its borrowing capacity by \$70 million.

On 5 August 2025, LWIP settled on the disposal of Brunswick Hotel, Brisbane QLD for a total consideration of \$12.8 million (REIT’s share: \$6.4 million).

The Directors of the Responsible Entity are not aware of any other matter or circumstance not otherwise dealt with in this report or the annual consolidated financial statements that has significantly affected or may significantly affect the operations of the REIT or Finance Trust, the results of their operations or the state of affairs of the REIT or Finance Trust in future financial years.

D8. Other material accounting policies

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with the requirements of the REIT’s and Finance Trust’s constitutions, Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the *Corporations Act 2001*. The REIT and Finance Trust are for-profit entities for the purpose of preparing the consolidated financial statements. The consolidated financial statements are presented in Australian dollars, which is the REIT’s and Finance Trust’s functional and presentation currency.

Compliance with IFRS accounting standards

The consolidated financial statements of the REIT and Finance Trust also comply with IFRS Accounting Standards as issued by the International Accounting Standards Board (IASB).

Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except derivative financial instruments, investments in financial assets held at fair value, assets held for sale and investment properties, which have been measured at fair value.

(b) Principles of consolidation

Stapling

The Charter Hall Long WALE REIT is a “stapled” entity comprising Charter Hall Direct Industrial Fund (DIF) and its controlled entities, and LWR Finance Trust (Finance Trust) and its controlled entity. The units in DIF are stapled to the units in Finance Trust. The stapled securities are listed on the Australian Securities Exchange and cannot be traded or dealt with separately. The two entities comprising the stapled group remain separate legal entities in accordance with the *Corporations Act 2001*, and are each required to comply with the reporting and disclosure requirements of Accounting Standards and the *Corporations Act 2001*. As permitted by ASIC Corporations (Stapled Group Reports) Instrument 2015/838, this financial report is a combined financial report that presents the consolidated financial statements and accompanying notes of both DIF and Finance Trust.

Stapling arrangements are treated as a business combination by contract alone since none of the stapled entities (as opposed to their unitholders) obtain an ownership interest in another stapled entity.

Under AASB 3 *Business Combinations* and AASB 10 *Consolidated Financial Statements*, one of the stapled entities of a stapled structure is to be identified as the parent entity for the purpose of preparing a consolidated annual financial report. In accordance with this requirement, DIF has been identified as the parent entity.

The results and equity of Finance Trust have been treated and disclosed as non-controlling interests in the consolidated financial statements of the REIT. While the results and equity of Finance Trust are disclosed as non-controlling interests, the stapled securityholders of DIF are the same as the stapled securityholders of Finance Trust.

D. Further information (continued)

Controlled entities

Subsidiaries are all entities over which the REIT has control. The REIT controls an entity when the REIT is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the REIT. They are deconsolidated from the date that control ceases.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

(c) Foreign currency translation

(i) Functional and presentation currencies

Items included in the financial statements of each of the REIT’s entities are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The financial statements are presented in Australian dollars, which is the REIT’s functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into Australian dollars using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the consolidated statement of comprehensive income, except when they are deferred in equity as qualifying cash flow hedges and qualifying net investment hedges or are attributable to part of the net investment in a foreign operation. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(d) Comparative information

Where necessary, comparative information has been adjusted to conform to changes in presentation in the current year.

(e) Rounding of amounts

Under the option provided by ASIC Corporations (Rounding in Financial/Directors’ Reports) Instrument 2016/191 (as amended) issued by the Australian Securities and Investments Commission relating to the “rounding off” of amounts in the financial statements, amounts in the REIT’s and Finance Trust’s consolidated financial statements have been rounded to the nearest thousand dollars in accordance with that Class Order, unless otherwise indicated.

(f) Changes in accounting standards

No new accounting standards or amendments have come into effect in 30 June 2025 that had a material impact on the REIT’s operations or reporting requirements.

Certain amendments to accounting standards have been published that are not mandatory for 30 June 2025 reporting periods and have not been early adopted by the REIT. These amendments are not expected to have a material impact on the REIT in the current or future reporting periods and on foreseeable future transactions.

Directors' Declaration to Stapled Securityholders

In the opinion of the Directors of Charter Hall WALE Limited, the Responsible Entity of Charter Hall Long WALE REIT and LWR Finance Trust:

- a the consolidated financial statements and notes set out on pages 18 to 49 are in accordance with the *Corporations Act 2001*, including:
 - i complying with Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - ii giving a true and fair view of the REIT's and LWR Finance Trust's financial position as at 30 June 2025 and of their performance for the year ended on that date; and
- b there are reasonable grounds to believe that the REIT and LWR Finance Trust will be able to pay their debts as and when they become due and payable.

Note D8(a) confirms that the consolidated financial statements also comply with IFRS Accounting Standards as issued by the International Accounting Standards Board.

The Directors have been given declarations by the Fund Manager, who performs the Chief Executive Officer function, and the Head of Finance, who performs the Chief Financial Officer function, required by section 295A of the *Corporations Act 2001*.

This declaration is made in accordance with a resolution of the directors.

Independent auditor’s report

To the stapled securityholders of Charter Hall Long WALE REIT and the unitholders of LWR Finance Trust

Report on the audit of the financial reports

Our opinion

In our opinion:

The accompanying financial reports of Charter Hall Direct Industrial Fund (“DIF”) and its controlled entities and LWR Finance Trust and its controlled entity (together referred to as “Charter Hall Long WALE REIT”) and LWR Finance Trust and its controlled entity (together referred to as “Finance Trust”) are in accordance with the *Corporations Act 2001*, including:

- a. giving a true and fair view of Charter Hall Long WALE REIT’s and Finance Trust’s financial positions as at 30 June 2025 and of their financial performance for the year then ended
- b. complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

What we have audited

The Charter Hall Long WALE REIT’s and Finance Trust’s financial reports comprise:

- the consolidated balance sheets as at 30 June 2025
- the consolidated statements of comprehensive income for the year then ended
- the consolidated statements of changes in equity for the year then ended
- the consolidated cash flow statements for the year then ended
- the notes to the consolidated financial statements, as contained in the “About this Report” section, including material accounting policy information and other explanatory information
- the Directors declaration to stapled securityholders.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor’s responsibilities for the audit of the financial reports* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of Charter Hall Long WALE REIT and Finance Trust in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board’s APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial reports in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Our audit approach

An audit is designed to provide reasonable assurance about whether the financial reports are free from material misstatement. Misstatements may arise due to fraud or error. They are considered material if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial reports.

We tailored the scope of our audit to ensure that we performed enough work to be able to give an opinion on the financial reports as a whole, taking into account the geographic and management structure of Charter Hall Long WALE REIT and Finance Trust, their accounting processes and controls and the industry in which they operate.

Audit Scope

- Our audit focused on areas where Charter Hall Long WALE REIT and Finance Trust made subjective judgements; for example, significant accounting estimates involving assumptions and inherently uncertain future events.
- We identified separate components of Charter Hall Long WALE REIT including its equity accounted investments. We established an audit strategy for each component. In establishing the overall approach to the group audit, we determined the type of work that needed to be performed by us, as the group auditor.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial reports for the current period. The key audit matters were addressed in the context of our audit of the financial reports as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Further, any commentary on the outcomes of a particular audit procedure is made in that context. We communicated the key audit matters to the Audit and Risk Committee.

Key audit matter	How our audit addressed the key audit matter
Valuation of investment properties held both directly and indirectly <i>(Refer to “About this Report” section: B. Property Portfolio Assets)</i>	<p>To assess the valuation of investment properties, we performed the procedures set out below, amongst others:</p> <p>We inspected a selection of relevant property market reports and held discussions with PwC valuation experts to develop an understanding of prevailing market conditions and their expected impact on the Charter Hall Long WALE REIT’s investment properties.</p> <p>We assessed the design and performed tests of the operating effectiveness of selected controls supporting the Charter Hall Long WALE REIT’s investment property valuation process.</p> <p>We evaluated the appropriateness of fair value by comparing the settlement price for disposals during the financial year against the carrying amount.</p> <p>We tested a sample of rental data used in the valuation against supporting documentation.</p> <p>For a sample of valuations, we assessed the competency, capability and objectivity of the relevant external valuer.</p> <p>For a sample of properties, which were assessed as being at greater risk of material misstatement, we performed the following procedures where appropriate over the external or internal valuations (together, the ‘valuations’) obtained by the Charter Hall Long WALE REIT’s:</p> <ul style="list-style-type: none">assessed the appropriateness of the methodology adopted in the valuations against the requirements of Australian Accounting

Key audit matter

How our audit addressed the key audit matter

- Standards, and tested the mathematical accuracy of these valuations.
- assessed the appropriateness of certain assumptions, such as capitalisation rates and discount rates (where applicable) including comparing to market data, and comparable transactions, where possible.
 - reconciled the fair value of the valuations’ reports to the accounting records.

We assessed the reasonableness of the Charter Hall Long WALE REIT’s disclosures in the financial reports against the requirements of Australian Accounting Standards.

We evaluated the designation and documentation by (the) Finance Trust of the fair value hedge relationship and the expected prospective hedging effectiveness at inception against the requirements of Australian Accounting Standards.

In addition we performed the following procedures, amongst others:

- Inspected journal entries on a sample basis and compared the relevant terms of the hedging instrument to the hedged item to assess whether there was an economic relationship consistent with the Finance Trust’s risk management strategy.
- Together with PwC Valuation experts, assessed if the fair value of the IRS was appropriate by recalculating the value of the derivatives at balance date.

We assessed the reasonableness of the Finance Trust’s disclosures in the financial report in light of the requirements of Australian Accounting Standards. In particular, we considered the disclosures made in section C to the consolidated financial statements which explains the hedging relationship.

Hedge Accounting – Finance Trust
(Refer to “About this report” section: C. Capital Structure and Financial Risk Management)

Finance Trust holds unsecured medium term fixed notes (MTN) and has entered into interest rate swaps (IRS) with matching maturity dates in order to mitigate the fair value risk associated with the market interest rate. These are designated in fair value hedge accounting relationships.

We considered the accounting for the hedging relationship to be a key audit matter due to the complexity required by Finance Trust in determining the appropriateness of the application of the hedge accounting relationship in accordance with Australian Accounting Standards, including auditing the revaluation of the IRS hedging instruments.

Other information

The Directors of Charter Hall WALE Limited, the Responsible Entity of Charter Hall Direct Industrial Fund and LWR Finance Trust (the Directors), are responsible for the other information. The other information comprises the information included in the annual report for the year ended 30 June 2025, but does not include the financial reports and our auditor’s report thereon. Prior to the date of this auditor’s report, the other information we obtained included the Director’s Report. We expect the remaining other information to be made available to us after the date of this auditor’s report.

Our opinion on the financial reports does not cover the other information and we do not and will not express an opinion or any form of assurance conclusion thereon through our opinion on the financial reports.

In connection with our audit of the financial reports, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial reports or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor’s report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information not yet received, if we conclude that there is a material misstatement therein, we are required to communicate the matter to the Directors and use our professional judgement to determine the appropriate action to take.

Responsibilities of the Directors for the financial reports

The Directors are responsible for the preparation of the financial reports in accordance with Australian Accounting Standards and the *Corporations Act 2001*, including giving a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of the financial reports that are free from material misstatement, whether due to fraud or error.

In preparing the financial reports, the Directors are responsible for assessing the ability of Charter Hall Long WALE REIT and Finance Trust to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate Charter Hall Long WALE REIT and Finance Trust or to cease operations, or have no realistic alternative but to do so.

Auditor’s responsibilities for the audit of the financial reports

Our objectives are to obtain reasonable assurance about whether the financial reports as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial reports.

A further description of our responsibilities for the audit of the financial reports is located at the Auditing and Assurance Standards Board website at: https://auasb.gov.au/media/bwvjcgre/ar1_2024.pdf. This description forms part of our auditor’s report.

Fund Manager remuneration

Avi Anger, Fund Manager, CLW

The Fund Manager’s Total Target Remuneration is structured as a mixture of fixed and variable ‘at-risk’ Short-Term Incentive (STI) and Long-Term Incentive (LTI) components. While Fixed Annual Remuneration (FAR) is designed to provide a base level of remuneration, the ‘at-risk’ STI and LTI components align the employee’s performance with CLW and Charter Hall Group objectives and long-term securityholder interests.

STI

Individual STI outcomes are determined on the basis of Group, divisional, Fund and individual performance. The scorecard is split into three elements: Financial, Strategy and Customer, and Culture, Leadership, Culture and Collaboration with a 50% financial and 50% non-financial split.

In addition to his role as Fund Manager CLW, Avi Anger is also the Chief Executive Officer of the Diversified division. The table on the following page outlines the split of Avi’s current KPIs.

For FY25, two-thirds of the STI award will be delivered in cash and one-third deferred into CLW units as service rights. The CLW securities underpinning the service rights are purchased by CHC and transferred to the Fund Manager on vesting. These service rights are deferred over two years, with 50% vesting at the end of year one (on 31 August 2026) and 50% at the end of year two (31 August 2027).

For the deferred component of the FY25 STI there is no automatic exercise of rights into CLW securities at vesting. Participants have up to 10 years from the grant date to exercise. This design feature is intended to improve alignment with securityholders as the employee may choose to have additional capital exposure to CLW as a result of the flexibility of the offering.

LTI

The LTI is governed by the Performance Rights and Options Plan (PROP), under which rights to stapled securities are granted to participants. Each performance right entitles the participant to one stapled security in the Charter Hall Group for nil consideration at the time of vesting, subject to meeting the performance hurdles as outlined below, measured over the relevant performance period:

- Charter Hall Group’s aggregate operating earnings per security (OEPS) growth – 50% of LTI allocation;
- Charter Hall Group’s relative total securityholder return (TSR) – 50% of LTI allocation.

More details are provided under section 6.5 of the Remuneration Report within Charter Hall Group’s 2025 Annual Report.

Role	Financial	Strategy and Customer	Leadership, Culture, and Collaboration
Overall Weighting	50%	30%	20%
KPIs	<div><ul style="list-style-type: none">– Deliver CLW OEPS target and DPS target at no less than 25.0 cents per security for FY25– Meet divisional budget targets for CLW– Ensure CLW maintains a long portfolio WALE to ensure resilience against competition and external factors– Maintain a focus on strategic and operational risk management across the business to ensure compliance with regulatory framework</div>	<div><ul style="list-style-type: none">– Ensure sufficient capital through equity flow and debt capacity to support growth.– Grow relationships with CLW top 20 investors and participate in listed investor conferences for CLW to further interest from investors in the REIT– Progress ESG initiatives towards Net Zero by 2025– Ensure high level of satisfaction from investors</div>	<div><ul style="list-style-type: none">– Continued focus on employee engagement and well-being levels of the team– Contribute to the strategic growth and direction of the Charter Hall business through participation on Charter Hall Group’s Executive Committee– Industry leadership via active participation at relevant industry bodies and conferences– Maintain and continue to build strong CLW team culture with focus on career growth, retention of key talent and succession planning</div>

Investor information

How do I invest in Charter Hall Long WALE REIT?

Charter Hall Long WALE REIT is listed on the Australian Securities Exchange (ASX) under the stock code “CLW”. You can buy securities just like you would buy shares – through your adviser, stockbroker or an online broker. If you do not already have a broker you can call the ASX Broker Referral Service on +61 1300 300 279 or go to the ASX website.

Where can I find more information about Charter Hall Long WALE REIT?

Charter Hall Long WALE REIT’s website, charterhall.com.au/clw contains extensive information on our Board, corporate governance, sustainability, property portfolio, unit price and all investor communications including distribution and tax information, reports and presentations, and profit results. The website also provides information on the broader Charter Hall Group including other managed funds available for investment.

Can I receive my Annual Report electronically?

Charter Hall Long WALE REIT provides its annual report as a PDF, accessible on its website. You can elect to receive notification that this report is available online via your Investor Centre login.

How do I receive my distribution?

Charter Hall Long WALE REIT pays its distribution via direct credit. This enables you to receive automatic payment of your distributions quickly and securely. You can nominate any Australian or New Zealand bank, building society, credit union or cash management account for direct payment by downloading a direct credit form using the Investor Login facility and sending it to MUFG Corporate Markets – A division of MUFG Pension & Market Services.

On the day of payment you will be sent a statement via post or email confirming that payment has been made and setting out details of the payment. The REIT no longer pays distributions by cheque.

Can I reinvest my distribution?

The Distribution Reinvestment Plan (DRP) allows you to have your distributions reinvested in additional securities in Charter Hall Long WALE REIT without the need to pay brokerage, rather than having your distributions paid to you.

Participation in the DRP is optional. Investors may elect to participate fully so that all of your distribution will be reinvested; participating partially so only on a specified number of the units will be reinvested and the remaining units will be paid as a cash distribution; or not participate in the DRP and continue to receive cash distributions.

The DRP is not available to securityholders outside Australia and New Zealand.

For further information on the DRP including assistance on participating, please download the DRP Booklet or contact the Registry on 1300 303 063.

Do I need to supply my Tax File Number?

You are not required by law to provide your tax file number (TFN) or exemption. However, if you do not provide your TFN or exemption, withholding tax at the highest marginal rate may be deducted from your distributions. If you have not provided your TFN or exemption and wish to do so, please contact the Registry, your broker, or use Investor Login to download the TFN form. You will need your SRN or HIN along with your surname and postcode to log in.

How do I complete my annual tax return for the distributions I receive from Charter Hall Long WALE REIT?

At the end of each financial year, we issue securityholders with an Annual Taxation Statement. This statement includes information required to complete your tax return. The quarterly distributions paid are required to be included in your tax return for the financial year the income was earned, that is, the distribution income paid in August 2025 should be included in your 2025 financial year tax return.

How do I make a complaint?

Any unitholder wishing to lodge a complaint should visit charterhall.com.au/complaints

Important information: This report comprises Charter Hall Direct Industrial Fund and its controlled entities (together referred to as Charter Hall Long WALE REIT, the REIT or CLW). The REIT was formed upon the stapling of the units of the two Australian registered schemes listed below (collectively referred to as the Stapled Trusts): Charter Hall Direct Industrial Fund (DIF) and its controlled entities (ARSN 144 613 641); LWR Finance Trust (Finance Trust) and its controlled entities (ARSN 614 713 138); and Charter Hall WALE Limited ABN 20 610 772 202; AFSL 486721 (CHWALE) is the Responsible Entity of the Stapled Trusts and is a controlled entity of Charter Hall Limited ABN 57 113 531 150 (Charter Hall). This report is not intended to be and does not constitute an offer or a recommendation to acquire any securities in the REIT. This report does not take into account the personal objectives, financial situation or needs of any investor. Before investing in REIT securities, you should consider your own objectives, financial situation and needs and seek independent financial, legal and/or taxation advice. Historical performance is not a reliable indicator of future performance. Due care and attention has been exercised in the preparation of forward-looking statements. However, any forward-looking statements contained in this report are not guarantees or predictions of future performance and, by their very nature, are subject to uncertainties and contingencies, many of which are outside the control of CHWALE and its entities. Actual results may vary materially from any forward-looking statements contained in this report. Readers are cautioned not to place undue reliance on any forward-looking statements. Except as required by applicable law, CHWALE and its related entities do not undertake any obligation to publicly update or review any forward-looking statements, whether as a result of new information or future events. The receipt of this report by any person and any information contained herein or subsequently communicated to any person in connection with the REIT is not to be taken as constituting the giving of investment, legal or tax advice by the REIT nor any of its related bodies corporate, directors or employees to any such person. Neither the REIT, its related bodies corporate, directors, employees nor any other person who may be taken to have been involved in the preparation of this report represents or warrants that the information contained in this report, provided either orally or in writing to a recipient in the course of its evaluation of the REIT or the matters contained in this report, is accurate or complete. CHWALE does not receive fees in respect of the general financial product advice it may provide; however, it will receive fees for operating the REIT which, in accordance with the REIT's constitutions, are calculated by reference to the value of the assets. Controlled entities of Charter Hall may also receive fees for managing the assets of, and providing resources to, the REIT. Charter Hall and its related entities, together with their officers and directors, may hold securities in the REIT from time to time. All information herein is current as at 30 June 2025 unless otherwise stated. All references to dollars (\$) or A\$ are to Australian Dollars unless otherwise stated. © Charter Hall
