Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

See notes 4 and 5 below for further instructions on how to complete this form.

| PRINCIPLE 8 – REMUNERATE FAIRLY AND RESPONSIBLY | | | | | | |
| 8.1 | The board of a listed entity should: (a) have a remuneration committee which: (1) has at least three members, a majority of whom are independent directors; and (2) is chaired by an independent director, and disclose: (3) the charter of the committee; (4) the members of the committee; and (5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or (b) if it does not have a remuneration committee, disclose that fact and the processes it employs for setting the level and composition of remuneration for directors and senior executives and ensuring that such remuneration is appropriate and not excessive. | The Nomination and Remuneration Committee is comprised of Cameron Petricevic, Roy McKelvie and Lew Starita. The membership of the Nomination and Remuneration Committee will comprise a majority of independent directors. The Nomination and Remuneration Committee is chaired by Cameron Petricevic who is an independent director and not the chair of the Board. Cameron's appointment as chairperson of the Nomination and Remuneration Committee is appropriate to ensure proper governance, given his qualifications and experience. The proposed composition of this committee is deemed appropriate given the size of the Company, the Board, and the Company's circumstances. The Nomination and Remuneration Committee structure and composition will continue to be reviewed over time and as the Company develops. The Nomination and Remuneration Charter which includes the members of the committee is available here (recently updated on 20 Aug 25): https://www.rocketboots.com/investors#Governance The relevant qualifications and experience of the members of the committee is contained in the Company's Annual Report, which is available here: https://www.rocketboots.com/investors#Announcements At the end of the Company's reporting period, the number of times the Nomination and Remuneration Committee met through the period and the individual attendances of the members of the Nomination and Remuneration Committee will be included in the "Corporate Governance" section of the Company's annual report. | set out in our Corporate Governance Statement OR we are an externally managed entity and this recommendation is therefore not applicable | | | |
