Mr Burra has held several roles with Yancoal over the past 12 years including: General Manager – Operation Services, General Manager – Procurement and Major Contracts, General Manager – Operations Improvement / Business Improvement, and Executive General Manager – Health, Safety and Sustainability. The Board considers his broad experience, as well as existing knowledge of Yancoal's operations, will provide continuity to the CEO role and enable Mr Burra to effectively implement the Company's operational and strategic priorities.

Chairman Gang Ru said, "Mr Yue readily accepted the Acting CEO role in addition to his responsibilities as Chair of the Executive Committee (CEC) at the start of the year. Faced with a coal market downturn, he demonstrated outstanding leadership, collaboration and dedication. He led the Company to its best first-half operational performance of the past five years; and has the Company poised to potentially reach the upper end of its production guidance this year. On behalf of the Board, I would like to express my sincere gratitude to Mr Yue.

"The recruitment process to appoint Yancoal's next CEO was thorough, with many highly capable internal and external candidates considered. The decision to fill the role internally speaks to the calibre of the Yancoal management team. The Board anticipates Mr Burra can build on the operational performance, cost control, fiscal discipline and productivity improvement for which Yancoal is already recognised, and along with the CEC and management team lead the Company on to further growth and long-term value return for shareholders."
