About Jumbo Interactive

Jumbo is a digital lottery specialist, providing our proprietary lottery software platforms and lottery management expertise to the charity and government lottery sectors in Australia and globally. Our mission is to *create positive social impact through making lotteries easier* and our vision is to *become the number one choice in digital lottery and services* around the world.

Jumbo was founded by Chief Executive Officer Mike Veverka in 1995 with a single computer. Since then, it has matured into a leading digital lottery retailer and lottery software provider with over 250 employees across Australasia, the United Kingdom (UK) and Canada. In FY24, Jumbo helped raise over \$290m for good causes for our charity partners. Jumbo was listed on the ASX in 1999.
