ABOUT JANUS ELECTRIC

<https://www.januselectric.com.au/>

Janus Electric is an Australian innovator in heavy vehicle electrification, offering truck conversion, battery and energy as a Service complemented by its fleet management software. Janus delivers a zero-emissions, full-service electrification model for the freight and logistics sector, supporting operations across New South Wales, Victoria, Queensland, South Australia, and Western Australia. Its Central Coast-based production facility underpins its national deployment strategy.
