ASX Waiver

Vanguard Investments Australia Ltd has been granted a waiver from ASX Settlement Operating Rules 13.9.4 on the following terms:

ASX Settlement Operating Rule 13.9.4

1. ASX Settlement Operating Rule 13.9.4 requires an Issuer that receives a Valid Message under Rule 13.9.3(b) to generate a Trustee Transfer Form in accordance with the Procedures and register that Transfer in the Principal Register, within the Scheduled Time. The Scheduled Time contained in the Schedule is within 12 business hours of ASX Settlement transmitting the Message.

Facts/Reasons for granting the waiver

2. The Waiver is considered necessary to prevent the potential for a holder to gain inappropriate access to a distribution or other corporate action made by a Fund as a result of differences in time zones and public holidays between Australia and the United States. Such disparity may create an opportunity for a holder who is not entitled to receive a distribution to inappropriately gain access to that distribution as units in the Funds cannot be tagged to clarify whether they are trading with or without the distribution.

ASX has considered ASX Settlement Operating Rule 13.9.4 only and makes no statement as to the Issuer's compliance with other rules.
