

## ASX Announcement

11 November 2016

### Somapa signs MOU for Implementation APPS in Lao PDR

The Directors' of Kollakorn Corporation Limited (ASX: KKL) are pleased to announce that Somapa Information Technology PCL ("Somapa") our partner in Kollakorn Co. Ltd ("Kollakorn Thailand") has signed a Memorandum of Understanding with the Lao People's Democratic Republic, ("Loa PDR") Ministry of Public Security for the implementation in Lao PDR of an Advanced Passenger Processing system ("APPS") that will service three international airports in Lao PDR.

Vientiane Times reported that Thailand's **Somapa Information Technology PCL** will implement the system in Lao PDR and that the new APP system aims to tackle terrorism by identifying suspects before they board an aircraft or reach their final destination.

Ministry of Public Security and Immigration Police Department General Director, Lieutenant

Lieutenant Colonel Saisaming Sivilay ( left ) shakes hands with Mr Namchoke Somapa (right).

Colonel Saisaming Sivilay, was quoted as saying *"that the information gathered by the system is passed directly to the Immigration Police Department in Lao PDR and to immigration officials at the passenger's final destination country"*.

As was announced earlier this year, Somapa is the operator of APPS in Thailand for AOT and Kollakorn Thailand supplied the equipment for the Thailand operation. It is anticipated that Kollakorn Thailand will play a similar role in Lao PDR.

Financial details will be confirmed later.
