REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and  
Stockholders of China Dairy Corporation Limited

We have reviewed the condensed consolidated balance sheet of China Dairy Corporation Limited, and subsidiaries (the "Company") as of September 30, 2016 and the related condensed consolidated statements of income for the three-month period September 30, 2016. These condensed consolidated financial statements are the responsibility of the Company's management.

We conducted our review in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying interim financial statements referred to above for them to be in conformity with accounting principles generally accepted in the United States of America.

## **About China Dairy Corporation Limited**

China Dairy Corporation Limited (ASX: CDC) is a company primarily engaged in the production and wholesale of raw milk and the rearing, breeding and sale of dairy cows in Heilongjiang province, China.

CDC generates revenue through two primary business models;

- the sale of raw milk from cows that are owned by the company; and
- milk sale commissions on the sale of raw milk from cows the company has sold to farmers.

As at 30 September 2016, CDC owned 35,759 cows and partnered with farmers with an additional 13,480 cows from which CDC makes a sales commission on the milk sold.
