TRADING HALT REQUEST

LBT Innovations Limited (ASX:LBT) requests a trading halt be put on its securities immediately pending an announcement in relation to a capital raising to the market.

LBT Innovations Limited can see no reason why a trading halt should not be put on its securities.

The trading halt is expected to be lifted by no later than before commencement of trading on Friday 2 December 2016 following an announcement of the capital raising.

Yours sincerely,

Dan Hill
Company Secretary

About LBT Innovations

LBT Innovations (LBT) improves patient outcomes by making healthcare more efficient. Based in Adelaide, South Australia, the Company has two world class-leading products in microbiology automation: MicroStreak®, which provides automated culture plate streaking and Automated Plate Assessment System (APAS®). Based on LBT's intelligent imaging and interpretative software, US FDA-approved APAS® automates imaging, analysis and interpretation of culture plates following incubation. LBT has entered into a joint venture Clever Culture Systems AG (CCS) with Hettich AG Switzerland to commercialise APAS® products. LBT's third product WoundVue® is in early development; this is a proposed automated solution to assist in the management of chronic wounds.
