

BLUE SKY SECURES INSTITUTIONAL MANDATE IN REAL ASSETS DIVISION

20 January 2017

Blue Sky Alternative Investments Limited (**'Blue Sky'**) is pleased to announce that it has signed a significant investment mandate with a large Australian institutional investor in its real assets division.

This mandate will be deployed across Blue Sky's real assets strategies, which include Australian water entitlements, agribusiness private equity and agricultural infrastructure.

The mandate represents a strong endorsement of Blue Sky's team as well as further progress in the development of Blue Sky's institutional investor base, in its real assets division and more broadly.
