

ASX ANNOUNCEMENT ASX CODE: BUG

15 February 2017

Notice under section 708A(12C)(e) of the *Corporations Act 2001* (Cth) (as notionally inserted by ASIC Corporations (Sale Offers: Securities Issued on Conversion of Convertible Notes) Instrument 2016/82)

1. Cleansing Notice

This notice (**Cleansing Notice**) is given by BUG under section 708A(12C)(e) of the *Corporations Act 2001* (Cth) (**Corporations Act**) (as notionally inserted by ASIC Corporations (Sale Offers: Securities Issued on Conversion of Convertible Notes) Instrument 2016/82.

This Cleansing Notice is important and should be read in its entirety. Neither ASIC nor ASX take responsibility for the contents of this Cleansing Notice.

2. Background

As approved by shareholders at the extraordinary general meeting held on 20 December 2016 (**EGM**), Buderim Group Limited (**BUG** or **Company**) is undertaking a number of transactions (together, the **Transactions**), including:

- (a) issue of 6,504,463 fully paid ordinary shares in BUG (**Shares**) to AMD (**Placement**);
- (b) pro rata renounceable rights issue of Shares on a 1 for 2 basis, fully written by AMD (**Underwritten Rights Issue**); and
- (c) issue of:
 - a) 25,000,000 convertible notes to Wattle Hill RHC Fund 1 SPV1 L.P. (the Fund); and
 - b) 12,500,000 convertible notes to AMD,

at \$0.40 per convertible note (each, a **Convertible Note**) to raise a total of \$15 million (before expenses and less any and all costs, charges or expenses incurred by AMD and the Fund or their associates in connection with the Transactions, as determined by them, acting reasonably, and notified to BUG in writing prior to the issue date of the convertible notes, up to a maximum of \$400,000) (**Costs Adjustment**) (**Convertible Notes Issue**).

The Placement completed on 28 December 2016 and the Convertible Notes Issue completed on 15 February 2017.

The Convertible Notes have been issued without disclosure under Part 6D.2 of the Corporations Act. This Cleansing Notice is to enable Shares issued on conversion of Convertible Notes to be on sold without disclosure to retail investors.

3. Effect of the Convertible Notes Issue on BUG

Shareholders have previously approved the issue of the Convertible Notes and subsequent conversion of the Convertible Notes to Shares at the EGM. The notice of meeting and explanatory memorandum to the EGM (**Notice of Meeting**) sets out in detail the effect of the Transactions as whole to BUG. It is important for shareholders to consider the contents of the Notice of Meeting in conjunction to this Cleansing Notice as the Transactions are contingent upon each other.

The Convertible Notes Issue will have the following key effects on BUG:

- (a) increase the Company's cash reserves by approximately \$15 million, less the Costs Adjustment;
- (b) increase the Company's indebtedness by the amount of the aggregate face value of the Convertible Notes (approximately \$15 million) plus all accrued and unpaid interest;
- (c) each Convertible Note will be secured against the land and factories (including fixtures) of the Company located in the USA, Fiji and Australia ranking second only to pre-existing security granted to Rabobank (or any other primary financier substituted for Rabobank with consent from AMD and the Fund); and
- (d) AMD or the Fund may convert all or a part of the Convertible Notes into Shares on a one for one basis, provided that conversion must not occur before completion of the Underwritten Rights Issue. If the Convertible Notes are converted in whole or in part, this will dilute the existing shareholding in the Company. The effect of conversion on the Company's capital structure is shown in section 5 below.

4. Pro forma Statement of Financial Position

The pro-forma Statement of Financial Position shown in the table below has been prepared on the following basis:

- (a) The 30 June 2016 Audited Balance Sheet has been used as a base position to illustrate the impact of the Placement and Convertible Notes Issue.
- (b) The issue of 6,504,463 fully paid ordinary shares at \$0.40 per share is illustrated at Step 1 in the table.
- (c) The issue of 37,500,000 Convertible Notes at \$0.40 per Convertible Note raising a total of \$15 million (before expenses and less any and all costs, charges or expenses) is shown at Step 2 in the table.
