About Freedom Insurance

The Freedom Insurance Group is an Australian based insurance business established in 2009 that specialises in the development, distribution and administration of risk life insurance products. Freedom focuses on developing and distributing straightforward life insurance products that are simple to understand and convenient for customers.

With the exception of risk underwriting, Freedom is involved in all aspects of the life insurance value chain: product design & manufacture; marketing & lead generation; distribution; and policy administration. Freedom Insurance Group listed on the ASX in December 2016 with the code FIG.
