ASX Announcement – MICRO-X LIMITED (ASX: MX1)

Nano Commercialisation Update

Micro-X Limited (ASX: MX1) has previously advised the market that:

- it expects all necessary testing to be complete for Carestream Health to lodge the 510(k) application for the Nano, an ultra-lightweight mobile X-ray unit, with the FDA by late-November; and
- plans are well-advanced for the Nano to be launched on the Carestream Health exhibition stand at the 101st Scientific Meeting of the Radiological Society of North America (RSNA) on 27th November.

Consistent with this timetable, the company notes that Carestream Health has recently issued a media release in relation to the DRX-Revolution Nano being demonstrated at RSNA:
