Chair's Address

Professor Andrew Vizard Chairman 24 November 2016

Disclaimer

DISCLAIMER

The information presented to you by Apiam Animal Health Limited ACN 604 961 024 (**Company**) in this presentation and any related documents (together, **Materials**) has been prepared for information purposes only and is not an offer or invitation to acquire or dispose of shares in the Company, nor shall it be relied on in connection with any investment decision.

NO FINANCIAL ADVICE

The information contained in the Materials has been prepared without taking into account the investment objectives, financial situation or particular needs of any particular person. Nothing in the Materials constitutes as financial advice. Before making any investment decision, you should consider, with or without the assistance of a financial advisor, whether an investment is appropriate in light of your particular investment needs, objective and financial circumstances.

NO LIABILITY

The Company has prepared the Materials based on information available to it at the time of preparation, from sources believed to be reliable and subject to the qualifications in the Materials. To the maximum extent permitted by law, the Company, its related bodies corporate and their respective officers, employees, representatives, agents or advisers accept no responsibility or liability for the contents of the Materials. No representation or warranty, express or implied, is made as to the fairness, accuracy, adequacy, validity, correctness or completeness of the information, opinions and conclusions contained in the Materials.

PAST PERFORMANCE

Past performance information contained in the Materials is given for illustration purposes only and should not be relied upon as (and is not) an indication of future performance. Actual results could differ materially from those referred to in the Materials.

FORWARD LOOKING STATEMENTS

The Materials contain certain 'forward looking statements'. These statements involve known and unknown risks, uncertainties, assumptions and other important factors that could cause the actual results, performance or achievement of the Company to be materially different from future results, performance or achievements expressed or implied by those statements.

These statements reflect views only as of the date of the Materials. The actual results of the Company may differ materially from the anticipated results, performance or achievement expressed, projected or implied by these forward looking statements. Subject to any obligations under the Corporations Act, the Company disclaims any obligation to disseminate any updates or revision to any forward looking statement to reflect any change in expectations in relation to those statements or any change in circumstances, events or conditions on which any of those statements are based.

While the Company believes that the expectations reflected in the forward looking statements in the Materials are reasonable, neither the Company nor any other person gives any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in the Materials will actually occur and you are cautioned not to place undue reliance on any forward looking statements.
