ASX Release

## **Government response to the final report of the review of the SACC laws**

Money3 Corporation Ltd (ASX: MNY) notes the Government's statement today in response to the final report of the review of the Small Amount Credit Contract (SACC) laws.

Money3 is well equipped to comply with all of the suggested changes and believe opportunities may arise in this market. With the timetable for introduction conveyed by the Government, Money3 expects no change to its strong growth trajectory.

Managing Director, Scott Baldwin said, "With the strong growth we have experienced in secured automotive loans, SACC loans now represent less than 12% of the total loan book. The Government response to the review was expected by Money3 and we feel may even present opportunity in the future."
