## **ASX Announcement**

### **Manufacture Capacity Expansion Plan of Rectifier Technologies**

Rectifier Technologies (M) Sdn Bhd (RTM) is a wholly owned subsidiary of Rectifier Technologies Pacific (RTP), responsible for majority of RTP's manufacturing activities. Rectifier Technologies Pacific (RTP) is a wholly owned Australian subsidiary of Rectifier Technologies Ltd (ASX code: 'RFT').

Rectifier Technologies (M) Sdn Bhd (RTM) have secured a new manufacturing facility, located in Setia Business Park, Nusajaya Johor, Malaysia.

The production floor space of our new factory will be more than double our current production floor space while the capacity is expected to increase by at least threefold when the expansion plan is completed. The completed new facility enables Rectifier Technologies as a group, to fulfill the increasing demand of our products from both new and existing customers.

We expect to complete the factory migration plan by June of year 2017.
