Reduction in Issued Shares

As per Jervois Mining Ltd's Quarterly Activity Report dated 30 January 2017, the board is pleased to announce the cancellation, by mutual agreement, of two (2) shares-for-tenements deals affected in November of 2016.

The Company has undertaken an Equity Reduction that will see its issued capital reduced from 113,742,892 to 107,742,892.

An Equity Reduction benefits all shareholders equally by increasing their percentage ownership of the Company.

By order of the Board.

A handwritten signature in blue ink, appearing to read "Richard Karn", is written over a faint, light blue circular stamp.
