| 1 | +Class of +securities issued or to be issued | Performance rights |
| 2 | Number of +securities issued or to be issued (if known) or maximum number which may be issued | 229,000 |
| 3 | Principal terms of the +securities (e.g. if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion) | <p>The performance rights are issued under the Company's Long Term Incentive Plan (LTIP) which is summarised in the Company's prospectus dated 17 November 2016 (Prospectus). The LTIP rules were released to the ASX on 7 December 2016.</p> <p>65,000 of the performance rights are issued to the Company's Chief Executive Officer (CEO) as part of an annual long term incentive grant (LTIP Performance Rights). A summary of the key terms of the LTIP Performance Rights is as follows:</p> <ul style="list-style-type: none"> ▪ the performance rights will only vest if the participant has maintained continuous employment with Midway for the entire performance period, being from the date of listing until 30 June 2019. |

- The percentage of performance rights that will vest on the vesting date will depend on Midway's total shareholder return (**TSR**) over the performance period, relative to a comparator group determined by the Board from time to time (which, initially, will be companies in the S&P/ASX 300 Index, excluding mining and energy companies). In this regard, if Midway's TSR is:

- less than median of the comparator group, no performance rights will vest;
- at median of the comparator group, 50% of the performance rights will vest;
- between median and the 75th percentile of the comparator group, a straight-line pro rata vesting of between 50% and 100% of the performance rights will occur; and
- greater than 75th percentile of the comparator group, 100% of the performance rights will vest.

- Any performance rights that vest will be automatically exercised on the relevant vesting date, and the participant will be entitled to one fully paid ordinary share on that date for each performance right that is automatically exercised (subject to the terms of the LTIP providing for a reorganisation of the number of shares to be delivered in respect of a performance right).

164,000 of the performance rights are issued to members of senior management (including 80,000 performance rights which are issued to the CEO, in addition to the CEO's LTIP Performance Rights award described above) as a one-off IPO bonus as further detailed in the Prospectus (**IPO Bonus Performance Rights**). A summary of the key terms of the IPO Bonus Performance Rights is as follows:

- In respect of each participant, subject to satisfaction of the vesting conditions:
 - 50% of the performance rights issued to the participant will vest on the date that is 12 months after completion of the IPO; and
 - 50% of the performance rights issued to the participant will vest on the date that is 24 months after completion of the IPO.

Subtract “C” <i>Note: number must be same as shown in Step 3</i>	Nil
Total [“A” x 0.15] – “C”	11,222,989 <i>[Note: this is the remaining placement capacity under rule 7.1]</i>
