Dear Ms Tang,

MINERAL DEPOSITS LIMITED – REQUEST FOR TRADING HALT

I refer to our telephone conversation earlier today.

Mineral Deposits Limited (ASX: MDL) ('MDL') requests an immediate trading halt in MDL's securities pending an announcement to be made by MDL to the market in connection with an equity issue.

For the purposes of ASX Listing Rule 17.1, MDL provides the following information:

1. MDL expects that the trading halt will remain in place until the commencement of trading on 6 March 2017 unless, before that time, MDL requests that the trading halt be lifted.
2. MDL is not aware of any reason why the trading halt should not be granted by ASX and does not believe that there is any further information which needs to be disclosed to the market at the time of seeking the trading halt.

If you have any queries, please do not hesitate to contact the writer.

Yours sincerely,

Michaela Evans
Company Secretary
