

RioTinto

2017 Annual general meeting

4 May 2017

An aerial photograph of a massive open-pit mine. The mine's interior is characterized by numerous horizontal terraced levels, creating a stepped appearance. A dark, winding road or conveyor system snakes through the various levels of the pit. The surrounding landscape consists of rugged, brownish mountains under a clear sky. A semi-transparent blue rectangle is overlaid on the left side of the image, containing the company logo and the person's name and title.

Hydropower plant, Argyle Diamond Mine, Western Australia

We own **4,000MW**
of hydropower

68% of our electricity
is from hydro, solar
and wind

Active governance

Confident in our future

The background of the slide is a photograph of an industrial facility, likely a mine or refinery, during a dramatic sunset. The sky is filled with vibrant orange and red clouds. In the foreground, there's a dark, rocky landscape with a series of small, illuminated lights along a path. In the middle ground, there are several large, cylindrical storage tanks and various industrial structures. In the background, tall electrical transmission towers are visible against the colorful sky. A semi-transparent blue rectangle is overlaid on the left side of the image, containing the text.
