Dear Cheng,

**Voluntary suspension request**

Pursuant to ASX Listing Rule 17.2, the directors of Knosys Limited (ASX: KNO) request a voluntary suspension of the Company's securities for one (1) day, pending the release of an announcement to the market.

This request is made following the company's two (2) day trading halt, requested because the Company is finalising a fundraising initiative. The company is pleased with the results of the fundraising activity, but requires an additional day to finalise this matter and announce the results.

The voluntary suspension is requested from opening of trading today, 11 May 2017, until the commencement of trading on Friday, 12 May 2017 or upon the release by the Company of an announcement to the market regarding the finalisation of the fundraising.

The Directors are not aware of any reason why a trading halt should not be granted.

Yours sincerely
