About Covata

Covata Limited is a global technology brand, listed on the ASX, that provides data and application-level security solutions for enterprise, government and citizens. Our solutions protect, discover, organise, control and audit sensitive information, however and wherever it's shared.

We ensure security is never an afterthought. Our flagship solution, Safe Share, protects sensitive information at data-level, from the start and at every point of its journey. Safe and efficient sharing of data across internal and external stakeholders, devices, networks and geographic regions is enabled and encouraged. With Safe Share, you have total control, visibility and auditability of your sensitive information.
