EVZ Group Wins Tank Construction Contract

EVZ Limited (ASX: EVZ) is pleased to announce that its wholly owned subsidiary, Brockman Engineering Pty Ltd, has been awarded the contract for the design, fabrication and construction of a new 8ML Jet Fuel Tank for Viva Energy Australia at their Newport Terminal, Victoria. The value of the contract is circa \$4 million with work expected to commence in the second quarter of FY18.

Leading the design and construction of this new working asset for Viva Energy Australia is consistent with EVZ's strategy to grow revenues and profits to capitalise on the balance sheet improvements achieved from the recently completed pro rata Entitlement Offer.
