Hydroworks Limited update

Christchurch, New Zealand, 17 August 2017

Further to PVL's update of 1 August, Hydroworks Limited ("Hydroworks") remains without a functioning Board.

After careful consideration of available options to restore administrative control to Hydroworks, PVL has today filed an application with the High Court of New Zealand for the appointment of interim liquidators to Hydroworks.

The application was successful. David Webb and David Vance of Deloitte have therefore been appointed as Interim Liquidators of Hydroworks.

The Interim Liquidators' role is to preserve the assets of Hydroworks prior to the appointment of a Liquidator which will take several weeks. The Interim Liquidators are required to act independently for the benefit of all creditors.
