Directors' Report

Your directors present their report on the consolidated entity consisting of Mintails Limited and the entities it controlled at the end of, or during, the half year ended 31 December 2015.

The following persons were directors of the Mintails Limited during the whole of the half-year and up to the date of this report:

Stephen Brockhurst	Director (appointed 19 June 2017)
Steve Formica	Director (appointed 19 June 2017)
Daryl Henthorn	Director (appointed 19 June 2017)
Mark Brune	Executive Chairman (resigned 19 June 2017)
Murray Rose	Non-Executive Director (resigned 19 June 2017)

Incomplete Records

The Company's South African subsidiaries were placed into business rescue in October 2015, with the business rescue practitioners assuming operational and management control of the South African subsidiaries from their date of appointment.

On 7 January 2016 the Board of Directors resolved to place the Company into voluntary administration and appointed James Thackray as voluntary administrator of the Company. Following appointment of the administrators, the powers of the Company's officers (including Directors) were suspended and the administrators assumed control of the Company's business, property and affairs.

This financial report has been prepared by Company management who were not in office for the periods presented in this report, nor were they parties involved with the Company and did not have oversight or control over the Group's financial reporting systems including but not limited to being able to obtain access to complete accounting records of the Company.

The preparers of this report have not been able to source all books and records of the South African subsidiaries and have determined to deconsolidate the South African entities from 1 July 2014 (rather than 16 October 2015, the date control was lost). Reasonable effort has been made by the Directors to ascertain the true position of the Company as at the reporting date, and the decision to deconsolidate the South African subsidiaries at 1 July 2014 has been made for the following reasons:

- Access to opening balance workpapers has been limited;
- To the knowledge of the preparers of this report, there has been no audit or review work performed on the South African subsidiaries since 30 June 2014 and therefore the accuracy, completeness and reliability of the limited South African management accounts that have been made available cannot be assured; and
- Full access to the financial information of the South African subsidiaries has not been possible. Without full access to the South African subsidiaries' financial information the preparation of 31 December 2015 consolidated financial statements and the preparation of the note disclosures required for a general purpose set of accounts in accordance with the relevant accounting standards is not considered to be possible as there is not sufficient information available to enable this level of disclosure to be made.

To prepare the financial report the Directors have reconstructed the financial records of the Group using management account information provided by the administrator and data extracted from the Group's accounting system. There may be information that the current management have not been able to obtain, the impact of which may or may not be material on the accounts.

These financial statements do not contain all the required information or disclosures in relation to transactions undertaken by the Company as this information is unascertainable due to the business rescue and administration processes and the change in directorships and key management personnel.

Consequently, although the Directors have prepared this financial report to the best of their knowledge based on the information made available to them, they are of the opinion that it is not possible to state that this financial report has been prepared in accordance with Australian Accounting Standards including Australian interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*, nor is it possible to state this financial report gives a true and fair view of the Group's financial position as at the reporting period.

Events Subsequent to Period End

On 9 December 2016, the Company announced that at a meeting of creditors held on 6 December 2016, the creditors resolved that the Company execute a deed of company arrangement ("DOCA") and that Mr James Thackray be appointed as administrator of the deed of company arrangement ("Deed Administrator"). The DOCA embodied a proposal by CPS Capital Group Pty Ltd ("CPS") for the recapitalisation of the Company ("Recapitalisation Proposal").

A recapitalisation proposal typically involves an injection of new cash into a company that is either in financial distress or has been placed into voluntary administration. In the ordinary course, the entity will retain some or all of its assets and seek reinstatement to trading following completion of the recapitalisation.

The Recapitalisation Proposal was amended in June 2017.

A summary of the material terms of the Recapitalisation Proposal as contained in the executed amended DOCA is set out below.

1. The Company and the Deed Administrator will establish the Creditors' Trust, with the Deed Administrator acting as trustee.
2. The assets of the Company will be transferred into the Creditors' Trust.
3. The Company will consolidate its existing shares on a one (1) for one hundred thirty (130) basis. For the avoidance of doubt, the Company will have 2,068,422 fully paid ordinary shares and no other securities on issue post consolidation.
4. The Administrator shall make such changes or appointments to the Company's board of directors as CPS requests from time to time.
5. CPS or nominees of CPS will provide \$550,000 towards the Creditors of the Company and funding of the costs of the Administrator, by way of payment into a Creditors' Trust ("Creditor Payment") of which the Administrator will be the trustee. The \$550,000 is to be repaid to CPS or nominees in cash or converted to shares on a post-consolidation basis at a deemed price of \$0.02 per share. The Creditor Payment is to be paid as follows:
 - a. \$40,000 non-refundable deposit within 5 days of the Administrator formally nominating CPS as the preferred bidder for the Company;
 - b. \$40,000 within 5 days if the creditors of the Company approving the Proposal at the second creditors' meeting to be held on or about 30 September 2016;
 - c. \$470,000 within 2 Business Days of the First Amendment Date of 31 May 2017, or such later date as the Deed Administrator may approve in writing.
6. CPS may vary the proposed capital structure and the structure of the Capital Raisings (including the Share consolidation and the terms of the Capital Raisings) at the discretion of CPS or its nominees, subject to necessary regulatory and/or Mintails shareholder approvals first being obtained (if required).

Conditions precedent for the completion of the DOCA include:

1. The existing share structure of the Company, including unlisted options (if any) that are not cancelled, shall be subject to a 130:1 consolidation prior to issuing the securities under this Proposal.
2. All liabilities between the Company and each of its creditors as at settlement of the Proposal must be mutually released and compromised as between those parties under the DOCA.

3. The secured creditors, if any, agree to release all security over the Company and its subsidiaries.
4. All subsidiaries being excised from the Company.
5. The cancellation of all options on issue.
6. Seager Rex Harbour, each Paige Creditor, and each Associated Entity that is Controlled by Seager Rex Harbour or a Paige Creditor that, in each case, owns shares in the Company, making an intention statement to the Company and CPS that it intends to vote the Company Shares it holds at the time of the Company Shareholders' Meeting in favour of the Company Shareholders' Resolutions, subject to the Completion Conditions being satisfied or waived in accordance with the DOCA and a majority of the Company's directors at the time making a recommendation (and not varying or withdrawing that recommendation) to the Company Shareholders to vote in favour of the Company Shareholders' Resolutions.
7. The Company obtaining all necessary shareholder and regulatory approvals and consents in relation to any aspect of the Proposal as may be required by the constitution, the Corporations Act, the Australian Securities and Investments Commission, the ASX or the ASX Listing Rules.

The creditors' payment was received by 1 June 2017. As of 2 June 2017 all key conditions precedent had been satisfied and the Deed of Company Arrangement was effectuated. As of 6 June 2017 control of the Company was passed from the Administrator to CPS. The new Board of Directors was appointed on 19 June 2017. The Company is in the process of being recapitalised, which will involve an acquisition, capital raising, share consolidation, re-compliance with Chapters 1 and 2 of the ASX Listing Rules, and subsequently an ASX relisting.

Operating and Financial Review

The Company was in the business of mining gold in South Africa through its South African subsidiaries until these subsidiaries were placed into business rescue in October 2015. On 7 January 2016 the Board of Directors resolved to place the Company into voluntary administration and appointed James Thackray as voluntary administrator of the Company.

The consolidated loss for the half year ended 31 December 2015 was \$1,448,411 (31 December 2014: loss of \$18,105,004).

Signed in accordance with a resolution of directors.

QUALIFIED INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF MINTAILS LIMITED (SUBJECT TO DEED OF COMPANY ARRANGEMENT)

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Mintails Limited (Subject to deed of Company Arrangement) which comprises the consolidated statement of financial position as at 31 December 2015, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity, the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration. The consolidated entity comprises both Mintails Limited (the Company) (Subject to deed of Company Arrangement) and the entities it controlled during the half year.

Directors' Responsibility for the Half-Year Financial Report

The directors of Mintails Limited (Subject to deed of Company Arrangement) are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of Mintails Limited's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Mintails Limited (Subject to deed of Company Arrangement), ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and, consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Whilst we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by the directors or management.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Basis for Disclaimer of Auditor's Review Conclusion

As detailed in the Directors' Report and in Note 1: *Incomplete Records*, the Company's South African subsidiaries were placed into business rescue on 16 October 2015 with the business rescue practitioners assuming operational and management control of the South African subsidiaries from their date of appointment. The Company was placed into voluntary administration on 7 January 2016. Because of these events, the preparers of this report have not been able to source all books and records of the Company and its South African subsidiaries and have determined to deconsolidate the South African subsidiaries from 1 July 2014 (rather than 16 October 2015, the date control was lost). Whilst the books and records of the company have otherwise been reconstructed to the maximum extent possible, we were unable to obtain sufficient appropriate evidence to verify the amounts disclosed in the consolidated statement of financial position as at 31 December 2015, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half year ended on that date. As a result, we were unable to determine whether any adjustments to these amounts were necessary.

As stated in Note 1 and in the Directors' Declaration, the Directors are unable to state that the financial report is in accordance with all the requirements of the Corporations Act 2001 and the Australian Accounting Standards.

Disclaimer of Auditor's Review Conclusion

Based on our review, which is not an audit, and because of the existence of the limitation on the scope of our work, as described in the Basis for Disclaimer of Auditor's Review Conclusion paragraph noted above, and the effects of such adjustments, if any, as might have been determined to be necessary had the limitation not existed, we are unable to, and do not express, a conclusion as to whether the financial report of Mintails Limited (Subject to deed of Company Arrangement) is in accordance with the *Corporations Act 2001* including:

- (i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

Emphasis of Matter – Material Uncertainty Regarding Going Concern

We draw attention to Note 1 – Going Concern in the financial report. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the consolidated entity's ability to continue as a going concern and, therefore the consolidated entity may be unable to realise its assets and discharge its liabilities in the normal course of business and at the amounts stated in the financial report.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

This general purpose financial report for the interim half year reporting period ended 31 December 2015 has been prepared in accordance with Accounting Standard AASB 134 Interim Financial Reporting and the *Corporations Act 2001*. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This half year report does not include full disclosures of the type normally included in an Annual Report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Group as an Annual Report.

Accordingly, this financial report should be read in conjunction with the 2015 Annual Report for the year ended 30 June 2015 and any public announcements made by Mintails during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies adopted are consistent with the most recent Annual Report for the year ended 30 June 2015 and corresponding interim reporting period. There were no new standards issued since 30 June 2015 that have been applied by the Group.

Incomplete Records

The Company's South African subsidiaries were placed into business rescue in October 2015, with the business rescue practitioners assuming operational and management control of the South African subsidiaries from their date of appointment.

On 7 January 2016 the Board of Directors resolved to place the Company into voluntary administration and appointed James Thackray as voluntary administrator of the Company. Following appointment of the administrators, the powers of the Company's officers (including Directors) were suspended and the administrators assumed control of the Company's business, property and affairs.

This financial report has been prepared by Company management who were not in office for the periods presented in this report, nor were they parties involved with the Company and did not have oversight or control over the Group's financial reporting systems including but not limited to being able to obtain access to complete accounting records of the Company.

The preparers of this report have not been able to source all books and records of the South African subsidiaries and have determined to deconsolidate the South African entities from 1 July 2014 (rather than 16 October 2015, the date control was lost). Reasonable effort has been made by the Directors to ascertain the true position of the Company as at the reporting date, and the decision to deconsolidate the South African subsidiaries at 1 July 2014 has been made for the following reasons:

- Access to opening balance workpapers has been limited;
- To the knowledge of the preparers of this report, there has been no audit or review work performed on the South African subsidiaries since 30 June 2014 and therefore the accuracy, completeness and reliability of the limited South African management accounts that have been made available cannot be assured; and
- Full access to the financial information of the South African subsidiaries has not been possible. Without full access to the South African subsidiaries' financial information the preparation of 31 December 2015 consolidated financial statements and the preparation of the note disclosures required for a general purpose set of accounts in accordance with the relevant accounting standards is not considered to be possible as there is not sufficient information available to enable this level of disclosure to be made.

To prepare the financial report the Directors have reconstructed the financial records of the Group using management account information provided by the administrator and data extracted from the Group's accounting system. There may be information that the current management have not been able to obtain, the impact of which may or may not be material on the accounts.

These financial statements do not contain all the required information or disclosures in relation to transactions undertaken by the Company as this information is unascertainable due to the business rescue and administration processes and/or the change in directorships and key management personnel.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE HALF YEAR ENDED 31 DECEMBER 2015

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Consequently, although the Directors have prepared this financial report to the best of their knowledge based on the information made available to them, they are of the opinion that it is not possible to state that this financial report has been prepared in accordance with Australian Accounting Standards including Australian interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*, nor is it possible to state this financial report gives a true and fair view of the Group's financial position as at the reporting period.

Going Concern

The Group incurred a loss of \$1,448,411 for the half year ended 31 December 2015. In addition, the Group had a net current assets of \$70,248 as at 31 December 2015.

The financial report has been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business. The Directors believe it is appropriate to prepare these accounts on a going concern basis because under the DOCA effectuated on 2 June 2017 the Company has extinguished or all liabilities associated with the previous administration of the Company. The Company is in the process of being recapitalised, which will involve an acquisition, capital raising, share consolidation, re-compliance with Chapters 1 and 2 of the ASX Listing Rules, and subsequently an ASX relisting. .

Should the Group not achieve a recapitalisation and successful ASX re-listing, there is significant uncertainty whether the Group will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

The financial report does not contain any adjustments relating to the recoverability and classification of recorded assets or liabilities that might be necessary should the Group not be able to continue as a going concern.

Significant Accounting Estimates and Assumptions

In applying the Company's accounting policies, management continually evaluates estimates and assumptions based on experience and other factors, including expectation of future events that may have an impact on the Group as a whole. All estimates and assumptions made are believed to be reasonable based on the most current set of circumstances available to management. Actual results may differ from the estimates and assumptions. Significant estimates and assumptions made by management in the preparation of these financial statements are outlined in the Incomplete Records section above.

New and revised accounting requirements

None of the new standards and amendments to standards that are mandatory for the first time for the financial year beginning 1 July 2015 affected any of the amounts recognised in the current period or any prior period and are not likely to affect future periods.

NOTE 8: CONTINGENT ASSETS & LIABILITIES

As detailed in the Incomplete Records section of Note 1, current management have reconstructed the financial records of the Group based on the limited information that has been made available to them.

Following effectuation of the DOCA on 19 June 2017 all liabilities, contingent liabilities, obligations, warranties and long-term commitments of the Company were released.

Apart from the above, there are no contingent liabilities as at 31 December 2015 and no contingent liabilities were incurred in the interval between balance date and the date of this financial report.

NOTE 9: EVENTS SUBSEQUENT TO REPORTING DATE

On 9 December 2016, the Company announced that at a meeting of creditors held on 6 December 2016, the creditors resolved that the Company execute a deed of company arrangement ("DOCA") and that Mr James Thackray be appointed as administrator of the deed of company arrangement ("Deed Administrator"). The DOCA embodied a proposal by CPS Capital Group Pty Ltd ("CPS") for the recapitalisation of the Company ("Recapitalisation Proposal").

A recapitalisation proposal typically involves an injection of new cash into a company that is either in financial distress or has been placed into voluntary administration. In the ordinary course, the entity will retain some or all of its assets and seek reinstatement to trading following completion of the recapitalisation.

The Recapitalisation Proposal was amended in June 2017.

A summary of the material terms of the Recapitalisation Proposal as contained in the executed amended DOCA is set out below.

1. The Company and the Deed Administrator will establish the Creditors' Trust, with the Deed Administrator acting as trustee. The assets of the Company will be transferred into the Creditors' Trust.
2. The Company will consolidate its existing shares on a one (1) for one hundred thirty (130) basis. For the avoidance of doubt, the Company will have 2,068,422 fully paid ordinary shares and no other securities on issue post consolidation.
3. The Administrator shall make such changes or appointments to the Company's board of directors as CPS requests from time to time.
4. CPS or nominees of CPS will provide \$550,000 towards the Creditors of the Company and funding of the costs of the Administrator, by way of payment into a Creditors' Trust ("Creditor Payment") of which the Administrator will be the trustee. The \$550,000 is to be repaid to CPS or nominees in cash or converted to shares on a post-consolidation basis at a deemed price of \$0.02 per share. The Creditor Payment is to be paid as follows:
 - a. \$40,000 non-refundable deposit within 5 days of the Administrator formally nominating CPS as the preferred bidder for the Company;
 - b. \$40,000 within 5 days if the creditors of the Company approving the Proposal at the second creditors' meeting to be held on or about 30 September 2016;
 - c. \$470,000 within 2 Business Days of the First Amendment Date of 31 May 2017, or such later date as the Deed Administrator may approve in writing
5. CPS may vary the proposed capital structure and the structure of the Capital Raisings (including the Share consolidation and the terms of the Capital Raisings) at the discretion of CPS or its nominees, subject to necessary regulatory and/or Mintails shareholder approvals first being obtained (if required).

Conditions precedent for the completion of the DOCA include:

1. The existing share structure of the Company, including unlisted options (if any) that are not cancelled, shall be subject to a 130:1 consolidation prior to issuing the securities under this Proposal.
2. All liabilities between the Company and each of its creditors as at settlement of the Proposal must be mutually released and compromised as between those parties under the DOCA.
3. The secured creditors, if any, agree to release all security over the Company and its subsidiaries.
4. All subsidiaries being excised from the Company.
5. The cancellation of all options on issue.
6. Seager Rex Harbour, each Paige Creditor, and each Associated Entity that is Controlled by Seager Rex Harbour or a Paige Creditor that, in each case, owns shares in the Company, making an intention statement to the Company and CPS that it intends to vote the Company Shares it holds at the time of the Company Shareholders' Meeting in favour of the Company Shareholders' Resolutions, subject to the Completion Conditions being satisfied or waived in accordance with the DOCA and a majority of the Company's directors at the time making a recommendation (and not varying or withdrawing that recommendation) to the Company Shareholders to vote in favour of the Company Shareholders' Resolutions.
7. The Company obtaining all necessary shareholder and regulatory approvals and consents in relation to any aspect of the Proposal as may be required by the constitution, the Corporations Act, the Australian Securities and Investments Commission, the ASX or the ASX Listing Rules.

The creditors' payment was received by 1 June 2017. As of 2 June 2017 all key conditions precedent had been satisfied and the Deed of Company Arrangement was effectuated. As of 6 June 2017 control of the Company was passed from the Administrator to CPS. The new Board of Directors was appointed on 19 June 2017. The Company is in the process of being recapitalised, which will involve an acquisition, capital raising, share consolidation, re-compliance with Chapters 1 and 2 of the ASX Listing Rules, and subsequently an ASX relisting.
