**NAME CHANGE COMPLETE
NEW WEBSITE**

Myanmar Metals Limited (“the Company”) (“MYL”), is pleased to confirm that the Company’s name change has been finalised with ASX systems.

The shares and options have commenced trading under the MYL and MYLO symbols.

The Company’s new name clearly marks our focus on the development of mining and processing operations in Myanmar, centred on the Bawdwin Pb-Zn-Ag-Cu mine.

Myanmar Metals Limited has an option to take an interest of up to 85% of this Tier 1 asset and is currently progressing technical, commercial and legal due diligence along with our partner and current owner Win Myint Mo Industries Co Ltd.

This is an outstanding opportunity to develop a regionally significant producer of lead and zinc in a tight global market for these commodities.

The Company’s new website can be viewed at www.myanmarmetals.com.au

Yours faithfully,

JOHN LAMB
Chairman
