EXPLANATORY STATEMENT

Introduction

This Explanatory Statement has been prepared for the shareholders of PS&C Ltd (**Company**) to provide information about the items of business to be considered at the Annual General Meeting of shareholders to be held on Wednesday 15 November 2017.

Resolutions 1, 2, 3, 4, 5, 6, 7, 8, 10, 11 and 14 are to be voted on as ordinary resolutions. Ordinary resolutions require a simple majority of votes cast by shareholders entitled to vote on the resolution.

Resolutions 9, 12 and 13 require a special resolution. A special resolution requires at least 75% of votes cast by shareholders entitled to vote on the resolution to be in favour of the resolution for it to be passed.

ITEM 1 – Chairman’s Address and Report

The Chairman will address the meeting and comment on the performance of the Company for the Financial Year ended 30 June 2017 as well as future strategic and operational initiatives. The Chairman will also respond to questions raised by Shareholders.

ITEM 2 – Financial Statements and Reports

As required by section 317 of the *Corporations Act 2001* (Cth), the annual accounts of the Company and the associated reports of the Directors and the Auditor for the most recent financial year will be laid before the meeting.

No resolution is required for this item, but shareholders will be given the opportunity to ask questions and to make comments on all aspects of the accounts and reports.

ITEM 3 – Remuneration Report

Resolution 1 – Remuneration Report

The Board submits its Remuneration Report to shareholders for consideration and adoption by way of non-binding resolution. This resolution is advisory only and does not bind the Directors of the Company.

However, if at least 25% of the votes cast on the resolution are voted against adoption of the Remuneration Report at the meeting, and then again at the 2018 AGM, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (spill resolution).

If more than 50% of shareholders vote in favour of the spill resolution, the Company must then convene an extraordinary general meeting (spill meeting) within 90 days of the 2018 AGM. All of the Directors who were in office when the 2017 Director’s Report is approved, other than the Managing Director, will cease to hold office immediately before the end of the spill meeting but may stand for re-election at the spill meeting. Following the spill meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

The Remuneration Report is set out in the Director’s Report in the 2017 Annual Report. The Report:

- (a) Explains the Board’s policy for determining the nature and amount of remuneration of executive directors and senior executives of the Company;

- (b) Sets out the actual remuneration for the financial year ended 30 June 2017 for each Director and each member of the Company's senior executive management team; and
- (c) Details and explains any performance hurdles applicable to the remuneration of executive directors and senior executives of the Company.

Shareholders will be given the opportunity to ask questions and to make comments on the reports.

Resolution 3

The purpose of Resolution 3 is for shareholders to approve and ratify, under ASX Listing Rule 7.4, the issue of securities by the Company during the 12 months before the date of the meeting which count toward the Company's 15% limit under ASX Listing Rule 7.1 and 10% limit under ASX listing rule 7.1A.

ASX Listing Rule 7.1 provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period.

ASX Listing Rule 7.1A provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 10% of the number of the securities at the commencement of that 12 month period.

The allotment and issue of securities detailed in Resolution 3, together with those detailed in Resolutions 4 and 5, did exceed the 15% threshold. However, ASX Listing Rule 7.4 provides that where an entity ratifies an issue of securities, the issue will be treated as having been made with the approval for the purpose of ASX Listing Rule 7.1 and ASX Listing Rule 7.1A,

thereby replenishing that entity's 15% and 10% capacity and enabling it to issue further securities up to that limit.

Resolution 3 proposes the ratification and approval of the allotment and issue of fully paid ordinary shares (**Shares**) detailed below for the purposes of satisfying the requirements of ASX Listing Rule 7.4.

The following table shows the number of shares issued and the VWAP for the 30 day period prior to issue.

Recommendation

The Directors recommend voting in favour of the allotment and issue of securities to the vendors of Coroma Consulting Pty Ltd. The Chairman of the meeting will be voting any undirected proxies in favour of this resolution.

ITEM 6 – Ratification and approval of previous allotment and issue of securities

Resolution 4

The purpose of Resolution 4 is for shareholders to approve and ratify, under ASX Listing Rule 7.4, the issue of securities by the Company during the 12 months before the date of the meeting which count toward the Company's 15% limit under ASX Listing Rule 7.1 and 10% limit under ASX listing rule 7.1A.

ASX Listing Rule 7.1 provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period.

ASX Listing Rule 7.1A provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will,

when aggregated with the securities issued by the entity during the previous 12 months, exceed 10% of the number of the securities at the commencement of that 12 month period.

The allotment and issue of securities detailed in Resolution 4, together with those detailed in Resolutions 3 and 5, did exceed the 15% threshold. However, ASX Listing Rule 7.4 provides that where an entity ratifies an issue of securities, the issue will be treated as having been made with the approval for the purpose of ASX Listing Rule 7.1 and ASX Listing Rule 7.1A, thereby replenishing that entity's 15% and 10% capacity and enabling it to issue further securities up to that limit.

Resolution 4 proposes the ratification and approval of the allotment and issue of fully paid ordinary shares (**Shares**) detailed below for the purposes of satisfying the requirements of ASX Listing Rule 7.4.

ASX Listing Rule 7.1 provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period.

ASX Listing Rule 7.1A provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 10% of the number of the securities at the commencement of that 12 month period.

The allotment and issue of securities detailed in Resolution 5, together with those detailed in Resolutions 3 and 4, did exceed the 15% threshold. However, ASX Listing Rule 7.4 provides that where an entity ratifies an issue of securities, the issue will be treated as having been made with the approval for the purpose of ASX Listing Rule 7.1 and ASX Listing Rule 7.1A, thereby replenishing that entity's 15% and 10% capacity and enabling it to issue further securities up to that limit.

Resolution 5 proposes the ratification and approval of the allotment and issue of fully paid ordinary shares (**Shares**) detailed below for the purposes of satisfying the requirements of ASX Listing Rule 7.4.

The following table shows the number of shares issued and the VWAP for the 30 day period prior to issue.

ITEM 8 - Approval of proposed allotment and issue of securities

Resolution 6

The purpose of Resolution 6 is for shareholders to approve the proposed issue of securities by the Company during the next 12 months and before the date of the next meeting so they will not count toward the Company's 15% limit under ASX Listing Rule 7.1 and 10% limit under ASX listing rule 7.1A.

ASX Listing Rule 7.1 provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period.

ASX Listing Rule 7.1A provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 10% of the number of the securities at the commencement of that 12 month period.

The allotment and issue of securities detailed in Resolution 6, together with those detailed in Resolutions 7 and 8, will exceed the 15% and a portion of the 10% threshold and, accordingly, the Company is seeking shareholder approval for the proposed issue of shares.

The following table shows the number of shares proposed to be issued and the VWAP.

Issue Date:	Within 30 days of approval of the members

ITEM 9 - Approval of proposed allotment and issue of securities

Resolution 7

The purpose of Resolution 7 is for shareholders to approve proposed issue of securities by the Company during the next 12 months and before the date of the next meeting so they will not count toward the Company's 15% limit under ASX Listing Rule 7.1 and 10% limit under ASX listing rule 7.1A.

ASX Listing Rule 7.1 provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period.

ASX Listing Rule 7.1A provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 10% of the number of the securities at the commencement of that 12 month period.

The allotment and issue of securities detailed in Resolution 7, together with those detailed in Resolutions 6 and 8, will exceed the 15% and a portion of the 10% threshold and, accordingly, the Company is seeking shareholder approval for the proposed issue of shares.

The following table shows the number of shares proposed to be issued and the VWAP.

ITEM 10 - Approval of proposed allotment and issue of securities

Resolution 8

The purpose of Resolution 8 is for shareholders to approve the proposed issue of securities by the Company during the next 12 months and before the date of the next meeting so they

will not count toward the Company's 15% limit under ASX Listing Rule 7.1 and 10% limit under ASX listing rule 7.1A.

ASX Listing Rule 7.1 provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period.

ASX Listing Rule 7.1A provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 10% of the number of the securities at the commencement of that 12 month period.

The allotment and issue of securities detailed in Resolution 8, together with those detailed in Resolutions 6 and 7, will exceed the 15% and a portion of the 10% threshold and, accordingly, the Company is seeking shareholder approval for the proposed issue of shares.

The following table shows the number of shares proposed to be issued and the VWAP.

Shares issued to the vendors of Bexton IT Services Pty Ltd	
Issue Date:	Within 30 days of approval of the members

ITEM 11 - Approval of placement facility

Resolution 9

Under ASX Listing Rule 7.1A, certain companies may seek shareholder approval by special resolution passed at an annual general meeting to have the additional capacity to issue equity securities which do not exceed 10% of the existing ordinary share capital without further shareholder approval.

Approval of the special resolution outlined in Item 11 is sought for the Company to issue ordinary shares under Listing Rule 7.1A.

If the special resolution is approved, the Company may make an issue of ordinary shares under ASX Listing Rule 7.1A at any time – on either a single date or progressively – up until the earlier of:

- (a) The date which is 12 months after the date of the 2017 Annual General Meeting (16 November 2018); or
- (b) The date on which shareholders approve a transaction under ASX Listing Rule 11.1.2 (significant change to nature or scale of activities) or 11.2 (disposal of main undertaking).

As at the date of this Explanatory Statement, the Company is an “eligible entity” and able to seek approval under Listing Rule 7.1A as it is not included in the S&P/ASX 300 and has a market capitalisation of \$300 million or less. If the Company ceases to be an eligible entity by the date of the 2017 Annual General Meeting, this resolution will be withdrawn.

The maximum number of ordinary shares which may be issued in the capital of the Company under the approval sought by this resolution is calculated in accordance with the following formula as set out in Listing Rule 7.1A.2:

(A x D) - E

Where:

A is the number of fully paid ordinary shares on issue 12 months before the date of issue or agreement to issue:

- (a) Plus the number of fully paid ordinary shares issued in the past 12 months under an exception in ASX Listing Rule 7.2;
- (b) Plus the number of partly paid shares that become fully paid in the 12 months;
- (c) Plus the number of fully paid shares issued in the 12 months with approval of holders of ordinary shares under ASX Listing Rule 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the Company’s 15% placement capacity without shareholder approval;
- (d) Less the number of fully paid ordinary shares cancelled in the 12 months.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue, that are not issued with shareholder approval under ASX Listing Rule 7.1 or 7.4.

The ability of the Company to make an issue under ASX Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1.

As at the date of this Notice, the Company has on issue 84,399,547 shares and will have the capacity to issue:

- (a) Subject to shareholder approval being received under Resolutions 3 and 4; 15,705,518 ordinary shares under Listing Rule 7.1; and
- (b) Subject to shareholder approval being received under Resolution 3 and 4; 10,470,345 ordinary shares under Listing Rule 7.1A.

The actual number of ordinary shares that the Company will have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the shares in accordance with the formula in Listing Rule 7.1A.2 (as described above).

For the purposes of Listing Rule 7.3A, the following information is provided:

The minimum price at which the ordinary shares the subject of this special resolution will be issued is 75% of the volume weighted average market (closing) price of the Company's ordinary shares calculated over the last 15 days on which trades are recorded immediately before either:

- (a) The date on which the price at which the securities are to be issued is agreed; or
- (b) If the securities are not issued within 5 trading days of the date on which the price at which the securities are to be issued is agreed, the date on which the securities are issued.

If this special resolution is approved and the Company issues ordinary shares under the 10% Placement Facility, the existing shareholders voting power in the Company will be diluted as shown in the table below.

There is a risk that:

- (a) The market price for the Company's ordinary shares may be significantly lower on the issue date than on the date of the approval of this special resolution; and
- (b) The ordinary shares may be issued at a price that is at a discount to the market price for the Company's ordinary share on the issue date, which may have an effect on the amount of funds raised by the issue.

The table below sets out the dilution of existing shareholders on the basis of the current market price of shares and the current number of ordinary shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2.

The table also shows:

- (a) Two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue. The number of ordinary shares may increase as a result of issues of ordinary shares which do not require shareholder approval (for example, a pro rata entitlements issue) or future placements under Listing Rule 7.1 that are approved by shareholders; and
- (b) Two examples of where the issue price of ordinary shares has decreased by 50% and increased by 100% as against the current market price.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		50% decrease in Issue Price	Issue Price	100% increase in Issue Price
		\$ 0.16	\$ 0.32	\$ 0.64
Current Variable A 84,399,547	10% voting Dilution	8,439,955	8,439,955	8,439,955
	Funds raised	\$ 1,350,393	\$ 2,700,786	\$ 5,401,571
50% increase in current Variable A 126,599,321	10% voting Dilution	12,659,932	12,659,932	12,659,932
	Funds raised	\$ 2,025,589	\$ 4,051,178	\$ 8,102,357
100% increase in current Variable A 168,799,094	10% voting Dilution	16,879,909	16,879,909	16,879,909
	Funds raised	\$ 2,700,786	\$ 5,401,571	\$ 10,803,142

The table has been prepared on the following assumptions. The Company does not represent that they will necessarily occur:

- The Company issues the maximum number of shares available under the 10% Placement Facility.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of ordinary shares under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue price is \$0.32, being the closing price of the Shares on ASX on 20 September 2017.
- The number of shares in Variable "A" is the total shares on issue based on the shares issued in Resolutions 3, 4 and 5.
- The number of shares issued for the 12 month period to 20 September 2017 under f) above is 14,285,785.

The Company may seek to issue ordinary shares under the Placement Facility for either:

- A cash issue price, in which case the Company may use the funds for working capital or other corporate purpose; or

- (b) Non cash consideration, such as for the acquisition of new assets or investments, subject to applicable ASX requirements

In either case, the cash issue price or the value of the non-cash consideration must comply with the minimum issue price noted above.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (b) the effect of the issue of the securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.

The total number of equity securities issued, including unlisted options, during the 12 months preceding the date of this meeting is 14,285,785. This represents 20.38% of the total number of equity securities on issue at the commencement of that 12 month period.

The following table details the issues of equity securities, including unlisted options, by the Company in the 12 month period prior to this meeting.

	Purpose of issue	Number of Shares	Class of Shares	Issue Price		Date
				Per Share	Total	
Coroma Consulting Pty Ltd	Partial consideration for purchase	7,000,000	Ordinary	0.2474	\$1,731,800	7 July 17
Sacon Group Pty Ltd	Partial consideration for purchase	7,000,000	Ordinary	0.2474	\$1,731,800	7 July 17
Moonah Capital Partners Pty Ltd	M&A services	285,785	Ordinary	0.2474	\$70,703	7 July 17
Employee and Directors' Benefit Plan	Employees	2,250,000	Unlisted Options	Exercise Price \$0.39	Nil	15 Dec. 16
	Directors	200,000	Unlisted Options	Exercise Price \$0.39	Nil	15 Dec. 16

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Recommendation

The Directors believe that Resolution 9 is in the best interests of the Company and recommend that shareholders vote in favour of the resolution. The Chairman of the meeting will be voting any undirected proxies in favour of this resolution.

ITEM 12 – Approval of proposed issue of options to employees

Resolution 10

Issue of options to employees under the Directors and Employee Benefits Plan

ASX Listing Rule 7.1 prohibits the Company issuing equity securities which, in aggregate, exceed 15% of the fully paid ordinary share capital of the Company in any 12 month period.

ASX Listing Rule 7.2, Exception 9 provides an exception to Listing Rule 7.1 if, within 3 years before the issue date, one of the following occurred:

- (a) a summary of the terms of the scheme were set out in the prospectus; or
- (b) holders of ordinary securities approved the issue of securities under the scheme as an exception to the rule.

The Company wishes to obtain shareholder approval for future issues of securities under the Employee and Directors Benefit Plan (the **Plan**), so that future issues will not be counted for the purposes of ASX Listing Rule 7.1 during the next 3 years.

A brief summary of the proposed terms of the Plan was contained in the Prospectus. Further details of the Plan are set out in the Schedule to this Explanatory Statement.

As at the date of this meeting, 2,710,000 securities have been issued under the Plan.

The Company notes that this resolution applies only to non-director employees. Issues of securities under the Plan to directors will continue to be subject to separate shareholder resolutions in accordance with ASX Listing Rule 10.14.

Recommendation

The Directors voting in favour of this resolution. The Chairman of the meeting will be voting any undirected proxies in favour of this resolution.

Resolution 11

ITEM 14 – Whitewash

Resolution 12

This part of the Explanatory Statement has been prepared in connection with a resolution proposed to be passed as a special resolution of the Company to approve the giving by Coroma Consulting Pty Ltd, a wholly owned subsidiary of the Company of financial assistance within the meaning of section 260A of the Corporations Act (**Financial Assistance Resolution**).

Pursuant to section 260A(1) of the Corporations Act, a company may financially assist a person to acquire shares in the company or a holding company of the company only if:

- (a) Giving the financial assistance does not materially prejudice:
 - (i) the interests of the company or its shareholders; or
 - (ii) the company's ability to pay its creditors; or
- (b) the assistance is approved by shareholders under section 260B of the Corporations Act; or
- (c) the assistance is exempted under section 260C of the Corporations Act.

Under section 260B(1) of the Corporations Act for a company to financially assist a person to acquire shares in itself or a holding company of the company, the financial assistance must be approved by its shareholders by:

- (a) a special resolution passed at a general meeting of the company with no votes being cast in favour of the resolution by the person acquiring the shares or by their associates; or
- (b) a resolution agreed to, at a general meeting, by all ordinary shareholders.

If immediately after the acquisition, the company will be a subsidiary of another domestic corporation that is listed in Australia (Ultimate Holding Company) then the financial assistance

must also be approved by a special resolution passed under section 260B(2) (in the case of the Ultimate Holding Company) of the Corporations Act at a general meeting of that corporation.

PS&C has completed an agreement to acquire Coroma Consulting Pty. Following completion, PS&C is the Ultimate Holding Company of Coroma Consulting Pty Ltd. .

The Company has entered into a Facility Agreement with the ANZ Bank pursuant to which the Company (as Borrower), each entity named in the Schedule to that agreement, Australian and New Zealand Banking Group Limited (as Lender) under which the Lender has agreed to provide financial accommodation to the Company in the amount of \$17,250,000 (the Facility).

The Facility will be used by the Company to assist with the acquisition strategies of the Company.

The entry by Coroma Consulting Pty into the Facility Agreement and the provision of the security and guarantee and indemnity may conceivably constitute the giving of financial assistance in connection with the Facility Agreement within the meaning of Part 2J.3 of the Corporations Act.

Pursuant to section 260B of the Corporations Act, it is proposed that the giving by Coroma Consulting Pty of the financial assistance be approved by:

- (a) a resolution agreed to by all ordinary shareholders of Coroma Consulting Pty and pursuant to section 260B(1) of the Corporations Act; and
- (b) the Financial Assistance Resolution pursuant to section 260B(2) of the Corporations Act.

The reasons for the giving of the financial assistance described above is to enable PS&C to comply with certain of its obligations under the Facility.

The effects of the giving of the financial assistance are unlikely to have any adverse effect of the Company.

The advantages of the giving of the financial assistance are to enable the Company to obtain the benefit of the financial accommodation from the Lender. As described above, the Facility is being entered into to enable PS&C to fund its acquisition strategy. The benefits of the proposed resolutions will be to give PS&C the ability to expand its operations.

As required by section 260B(5) of the Corporations Act, copies of the Notice and this Explanatory Statement were lodged with the Australian Securities and Investments Commission prior to their dispatch to shareholders.

The Board considers that this Explanatory Statement contains all information known to the Company which would be material to shareholders in deciding how to vote on the proposed Financial Assistance Resolution other than information which it would be unreasonable to require the Company to include because it has previously been disclosed to shareholders of the Company.

Recommendation

The Directors recommend that Shareholders vote in favour of the Financial Assistance Resolution to approve the giving of financial assistance. The Chairman of the meeting will be voting any undirected proxies in favour of this resolution.

ITEM 15 – Whitewash

Resolution 13

This part of the Explanatory Statement has been prepared in connection with a resolution proposed to be passed as a special resolution of the Company to approve the giving by Sacon Group Pty Ltd, a wholly owned subsidiary of the Company of financial assistance within the meaning of section 260A of the Corporations Act (**Financial Assistance Resolution**).

Recommendation

The Directors recommend that Shareholders vote in favour of the Financial Assistance Resolution to approve the giving of financial assistance. The Chairman of the meeting will be voting any undirected proxies in favour of this resolution.

ITEM 16 - Approval of proposed allotment and issue of securities

Resolution 14

The purpose of Resolution 14 is for shareholders to approve proposed issue of securities by the Company during the next 12 months and before the date of the next meeting so they will not count toward the Company's 15% limit under ASX Listing Rule 7.1 and 10% limit under ASX listing rule 7.1A.

ASX Listing Rule 7.1 provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period.

ASX Listing Rule 7.1A provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 10% of the number of the securities at the commencement of that 12 month period.

The allotment and issue of securities detailed in Resolution 14, together with those detailed in Resolutions 6 and 8, will exceed the 15% and a portion of the 10% threshold and, accordingly, the Company is seeking shareholder approval for the proposed issue of shares.

The following table shows the number of shares proposed to be issued and the VWAP.

Shares issued to the vendors of Sacon Group Pty Ltd	
Issue Date:	Within 14 days of this meeting
Number of Securities:	1,822,205 ordinary shares
Issue Price:	\$0.2744, being the Volume Weighted Average Price of the securities for the period 30 days prior to 27 September 2017
Terms of Issue:	The Shares rank equally with all existing Shares on issue

Schedule

EMPLOYEE & DIRECTORS' BENEFIT PLAN

PS&C Ltd has adopted the PS&C Employee & Directors' Benefit Plan (the **Plan**).

Under the Plan, PS&C Ltd is entitled to issue shares, options and/or performance rights to Directors, officers, employees and contractors, subject to such terms and restrictions as the Board identifies and at issue or exercise prices as the Board determines.

Invitations under the Plan must be made in writing and identify any restrictions to which the person accepting such an invitation will be subject under the terms of the Plan. Options and performance rights are non-transferable. Unless otherwise determined by the Board, options will only be exercisable into Shares 1 year from the date they are granted and will lapse 18 months from that date, or on the date that a participant ceases to be a Director, officer or employee, except in certain defined special circumstances such as total and permanent disablement or redundancy.

Performance rights will confer an entitlement to Shares at no cost upon satisfaction of certain performance criteria determined by the Board.

Shares issued pursuant to the Plan will be issued fully paid and rank equally for dividends with other Shares on or after the date of allotment. Further, the Directors may also determine that Shares may be purchased on market for the benefit of participants under the Plan. Shares, options or performance rights issued under the Plan that are subject to restrictions on disposal cannot be dealt with in any way until the restrictions have expired. However, if a takeover bid is made to acquire the whole or any number of the Shares, or a scheme of arrangement, selective capital reduction or other similar transaction is initiated that has a similar effect to a full takeover bid for all of the Shares, then the Board may in its absolute discretion lift the restrictions.

In the event that there is a reorganisation of the Company's capital by way of bonus issue or rights issue or on reconstruction, the numbers of options or performance rights issued under the Plan may be adjusted.

The Board will administer the Plan and have an absolute discretion to: implement procedures for the administration of the Plan; resolve all questions of fact or interpretation arising in respect of the Plan; delegate to one or more persons any powers in respect of the Plan; amend the rules of the Plan, provided that such amendments do not unduly prejudice the rights of existing participants.

The Plan may be suspended, terminated or amended at any time by the Board, subject to any resolution of the Shareholders as required by the ASX Listing Rules. No broker's fees or commissions are payable by participants in the Plan for the issue of shares, options or performance rights under the Plan.

Participants issued shares, options or participation rights are bound by the rules of the Plan and by the Constitution of PS&C Ltd.
