Shareholders who have elected not to receive a hard copy of the Company's 2017 Annual Report can view or download a copy from the Company's website at www.maynepharma.com.

The Company's auditor will be present at the meeting and be available to answer questions as to the conduct of the audit and the auditor's report.

Shareholders should note that the sole purpose of tabling the Directors' Report, Financial Statements and Independent Auditor's Report of the Company at the Annual General Meeting is to provide Shareholders with the opportunity to ask questions or discuss matters arising from them. It is not the purpose of the meeting that the Directors' Report, Financial Statements and Independent Auditor's Report be accepted, rejected or modified in any way. Further, as it is not required by the Corporations Act, no resolution to adopt, receive or consider the Company's Directors' Report, Financial Statements and Independent Auditor's Report will be put to Shareholders at the meeting.

2. Resolutions 1 and 2 – Re-election of Directors

Under rule 3.6 of the Company's constitution, at each annual general meeting one third (or if that is not a whole number, the whole number nearest to one third) of the Company's Directors (excluding Mr Scott Richards, the CEO and Managing Director) must retire from office and seek re-election.

Resolution 1 – Professor Bruce Robinson, AM

Resolution 1 seeks approval for the re-election of Professor Bruce Robinson as a Director with effect from the end of the Annual General Meeting.

Professor Bruce Robinson was appointed to the Board on 26 August 2014.

Professor Robinson, a practising Endocrinologist at Sydney's Royal North Shore Hospital and is Former Dean of University of Sydney's Sydney Medical School. Professor Robinson has been the head of the Cancer Genetics Unit at the Kolling Institute of Medical Research, Royal North Shore Hospital since 1989. Since 2001, Professor Robinson has been Chairman of Hoc Mai Foundation, a major program in medical and health education and exchange with Vietnam.

He is a Non-Executive Director of Cochlear Limited, Firefly and QBiotics. He is a Board Member of the Woolcock Institute, is Chair of National Health and Medical Research Council and Chair of the Medical Benefits Review Taskforce.

In addition to being a Director of the Board, Professor Robinson is a member of the Science, Technology and Medical Committee.

Resolution 2 – Mr Roger Corbett, AO

Resolution 2 seeks approval for the re-election of Mr Roger Corbett as a Director with effect from the end of the Annual General Meeting.

Mr Roger Corbett was appointed to the Board on 17 November 2010 and was appointed Chairman on 27 January 2011.

Mr Corbett has been involved in the retail industry for more than 40 years. In 1984, Mr Corbett joined the board of David Jones Australia as a Director of Operations and in 1990 was appointed to the board of Woolworths Limited and to the position of Managing Director of BigW. In 1999, Mr Corbett was appointed Chief Executive Officer of Woolworths Limited, from which he retired in 2006. Mr Corbett was Chairman of Fairfax Media Limited, one of Australia's largest diversified media companies from October 2009 until 31 August 2015. Mr Corbett was a Director of the Reserve Bank of Australia until 1 December 2015, and was a director of Wal-Mart Stores until May 2016. He is Chair of Australian Leisure and Hospitality Group Pty Limited (ALH Group) and several private venture capital companies.

In addition to being Chairman of the Board, Mr Corbett is Chair of the Remuneration and People Committee and is a member of the Nomination Committee.

The Board (with the relevant Director in relation to their own re-election abstaining) recommends that Shareholders vote in favour of Resolutions 1 and 2.

3. Resolution 3 – Adoption of Remuneration Report

The Annual Report for the financial year ended 30 June 2017 contains a Remuneration Report, which forms part of the Director's Report and sets out the remuneration policy for the consolidated entity comprising the Company and its controlled entities and reports on the remuneration arrangements in place for its KMP.

In FY17, there have been no changes to the remuneration policy as outlined in the Remuneration Report other than changes to KMP fixed pay, which is consistent with the policy. The unique characteristics of Mayne Pharma's remuneration arrangement is that senior executives receive no short terms bonus and performance linked remuneration is tied to long term incentives in which KMP's only receive a benefit if the share price increases and meets the pre-determined performance hurdles.

The Remuneration Report includes information on the elements of remuneration that are performance based, the performance conditions that apply and the methodology used to assess satisfaction of those performance conditions.

The Board's remuneration policy for KMP incorporates a strong element of remuneration linked to long-term Company performance. Following the abolition of the short-term incentives for the CEO, Group CFO, other KMP and select senior executives, all of the incentive component of their remuneration is now linked to the long-term success of the Company.

The vote on Resolution 3 to adopt the Remuneration Report relates to the Company's remuneration policy and outcomes for the 2017 financial year.

The Corporations Act requires each listed company to put to a vote at its Annual General Meeting a non-binding resolution to shareholders to adopt the Remuneration Report. Whilst under the legislation this vote will be advisory only, and does not bind the Directors or the Company, the Directors recognise the vote as an indication of Shareholder sentiment and have careful regard to the outcome of the vote and any discussion when setting the Company's remuneration policies.

A reasonable opportunity for discussion of the Remuneration Report will be provided at the meeting.

As a result of the provisions in the Corporations Act known generally as the 'two strikes rule', Shareholders should note that the result of the vote on this resolution may impact the voting at the Annual General Meeting next year. If 25% or more of the votes cast on this resolution are against adoption of the 2017 Remuneration Report, this will be considered the 'first-strike'. If a 'second strike' is cast against the 2018 Remuneration Report at next year's Annual General Meeting, this will trigger a vote on a resolution to spill the Board. Consequently, the Directors (excluding the Chief Executive Officer and Managing Director) may need to stand for re-election.

The Board, therefore, encourages shareholders to apply the same level of diligence in relation to voting on this resolution as they do with the binding resolutions.

The Board recommends that Shareholders vote in favour of Resolution 3.

4. Long term remuneration for Chief Executive Officer and Managing Director

Resolution 4 - Issue of Shares to the Chief Executive Officer and Managing Director under the ESLS

Under ASX Listing Rule 10.14, shareholder approval is required in order for a Director to be issued securities under an employee incentive scheme. Accordingly, Shareholders are asked to approve the issue of Shares under the ESLS to the Chief Executive Officer and Managing Director, Mr Scott Richards.

The ESLS provides a non-recourse loan for the sole purpose of acquiring Shares in the Company. The ESLS allows the issue of shares to participants based on a percentage of fixed remuneration funded by a non-recourse loan. The Shares vest over three years subject to the achievement of hurdles based on increases in shareholder wealth created over that period. Once vested, the shares remain restricted until the participant repays the loan. Issues will be made annually to participants.

The ESLS participants currently include the CEO, Group CFO, other KMP and select senior executives. All ESLS participants no longer receive short-term incentives and all the incentive component of their remuneration is now linked to the long-term success of the Company. It is not intended that non-executive Directors will participate in the ESLS.

The Board believes that an equity-based long-term incentive is important to ensure an appropriate part of the executive's reward is linked to generating long-term returns for Shareholders.

Since the 2016 Annual General Meeting, Scott Richards acquired 2,242,005 Shares under the ESLS at an issue price of \$1.58.

An overview of the ESLS offer to the Chief Executive Officer and Managing Director is set out below. Further details of Mr Richards' remuneration package and the operation of the ESLS are set out in the Remuneration Report of the 2017 Annual Report.

Date of allocation	If Shareholder approval is obtained it is expected that the loan will be made and Shares will be allocated in December 2017, no later than 30 days after the AGM.
Key terms of loan	<p>The ESLS provides for a limited-recourse, interest free, five-year loan from the Company for the sole purpose of acquiring Shares.</p> <p>Any dividends paid on the ESLS Shares while the ESLS Shares are restricted are applied (on a notional after-tax basis) towards repaying the loan. The balance of the dividend is paid directly to the participant to fund his or her tax liability on the dividends received.</p> <p>Following the end of the applicable Performance Period, if the vesting conditions are met the ESLS Shares will vest and the participant will then have until the end of the five-year term to repay the loan.</p> <p>As this is a limited-recourse loan, if the value of the ESLS Shares is less than the outstanding loan balance at the end of the loan period, the ESLS Shares will be surrendered and forfeited in full settlement of the loan balance.</p> <p>The amount of Scott Richards' loan will be set by the application of a multiplication factor to the dollar amount of his ESLS participation (see the Number and price of Shares section below). The multiplication factor has been set at 3.02 times and is set with reference to the size of the loan required for the desired value creation opportunity under the ESLS.</p>
Number and price of Shares	<p>The value of Mr Richards' annual ESLS participation is determined by reference to a percentage of his fixed remuneration which increased to 150% (previously 130%) on 1 July 2017 following a review of CEO remuneration of Australian and US comparators by 3 Degrees Consulting Pty Limited, an independent remuneration consultant. The dollar amount of his ESLS participation is \$1,350,000 and his loan to buy shares will be \$4,077,000 (3.02 times the ESLS participation of \$1,350,000).</p> <p>The number of ESLS Shares allocated is determined by dividing the loan amount by the 5-day VWAP at grant date.</p>
Performance Conditions	<p>Shares will vest where an absolute total shareholder return (TSR) growth condition is met over the applicable period (three years)</p> <p>One half of the Shares will vest for compound annual absolute TSR growth of 5% per annum. All of the Shares will vest for compound annual absolute TSR growth of 10% per annum. Vesting will occur on a straight-line basis for performance between these two points (effectively 1% for each additional 0.1% of absolute TSR growth).</p>

	<p>The Board chose the absolute TSR growth targets to align executive reward with what the Board considers to be acceptable levels of return to Shareholders (ie between 5% and 10% compound annual growth) over the next three years.</p> <p>The Board considered the use of a relative performance condition but does not consider that there are a sufficient number of appropriate comparator pharmaceutical companies (ie of similar size) listed in Australia.</p>
Performance Period	<p>The Shares will vest progressively over a three year period, with 20% vesting after the first test date, 30% after the second test date and the balance after the third test date, subject to the achievement of the TSR target.</p> <p>The test dates for Shares issued under the ESLS since 1 July 2015 have been set as 1 July each year. This provides a rolling benefit to senior executives over the three-year period in the absence of a short term incentive.</p> <p>Given the inherent uncertainty regarding the timing of receiving regulatory approvals for new products, the Board has determined that it is appropriate that if the Shares do not vest at the end of the three-year performance period, the applicable performance conditions will be retested every six months until expiry of the five-year term of the loan.</p>
Trading restrictions	The ESLS Shares are restricted until the end of the vesting / performance periods and while the loan remains outstanding.
Cessation of employment	In general, all ESLS Shares are forfeited and surrendered if the participant ceases employment prior to the end of the Performance Period. However, the Board has discretion to determine that some or all of a participant's ESLS Shares may vest in appropriate circumstances.

Mayne Pharma has obtained a waiver from compliance with the requirements of Listing Rule 10.15.2 which allows Mayne Pharma not to include in this Notice of Meeting the maximum number of ESLS Shares that will be notionally granted to Mr Richards on the basis that the Notice of Meeting sets out the method by which the number of ESLS Shares will be calculated.

The Board (with Mr Richards abstaining) considers the issue of Shares to the Chief Executive Officer and Managing Director appropriate in all the circumstances and recommends that Shareholders vote in favour of Resolution 4.
