

Dear Shareholder

Invitation to Participate in Share Purchase Plan

On 17 October 2017, Covata Limited (ACN 120 658 497) (“Covata” or “the Company”) announced its intention to offer Shareholders the chance to participate in a Share Purchase Plan (“SPP”) to subscribe for additional fully paid ordinary shares in the Company (“Shares”).

On behalf of the Board, I am delighted to provide you with the opportunity to participate in the SPP by subscribing for up to a maximum A\$15,000 worth of new Shares at an issue price of 4.7 cents (\$0.047) (“SPP Offer”).

Shareholders Eligible to Participate in the SPP

The right to participate in the SPP Offer is optional and available exclusively to shareholders who are registered as holders of Shares at 7pm on the Record Date of 16 October 2017, and whose registered address is in Australia or New Zealand (“Eligible Shareholders”).

The SPP Offer

The SPP Offer is set at a price that is discounted relative to the Volume Weighted Average Price. The issue price will be 4.7 cents (\$0.047) per Share, representing:

- a 17.5% discount to the 15 day VWAP prior to the announcement of the SPP.

The Offer is not underwritten.

It is intended that funds raised by the SPP will be applied towards improving and developing application integrations to drive customer uptake, developing Covata’s data security platform and enabling its Azure cloud deployment, funding additional sales, lead generation and marketing activities and general working requirements.

Eligible Shareholders, irrespective of the size of their shareholding, may apply to purchase a parcel of Shares for one of the following amounts:

The Company may amend or complete any application received if such amendment would assist or permit the Company to issue and/or the applicant to receive Shares under this Share Purchase Plan, provided no amendment shall result in the number of Shares to be issued exceeding the number of Shares which may be issued at the Offer price represented by the application monies received. If a cheque or other form of payment of application monies is not honoured, the Company may at its sole discretion issue Shares in response to the application and recover the application monies as a debt due or reject the application.

EFFECT OF RECEIPT

In addition to any acknowledgment noted herein, receipt by the Company's Share Registry of a completed Application Form or payment for Shares offered under this Share Purchase Plan by BPAY:

- constitutes an irrevocable and unconditional acceptance of the Offer in accordance with the terms and conditions set out in this Offer Document and the Application Form by the applicant;
- represents an acknowledgment that the applicant is lawfully permitted to accept the Offer to acquire the Shares under the Share Purchase Plan and participate in the Share Purchase Plan in accordance with the applicable laws in Australia and any other applicable laws in the jurisdiction in which the applicant and/or the beneficial owner of the Shares is situated;
- represents an acknowledgement that the applicant accepts the risk that the market price of the Shares may fall between the date on which the Application is submitted and the date the Shares the subject of the Offer are issued and allocated;
- represents an acknowledgement by the applicant that the Company is not liable for any exercise of its discretions referred to in the terms and conditions of this Offer Document or the Application Form; and
- represents an acknowledgement by the applicant that under the terms and conditions of this Offer Document and the Application Form, to the maximum extent possible at law, the applicant releases the Company and its Directors and officers from any liability for any loss the applicant may suffer as a result of making any investment in the Company under the Share Purchase Plan.

MAXIMUM APPLICATIONS

Each eligible Shareholder who is not a Custodian may only apply for up to \$15,000 of Shares. If a registered holder of Shares receives more than one offer under this Share Purchase Plan (for example, due to multiple registered holdings, including joint holdings), it may only apply for up to \$15,000 of shares in total.

Accordingly, applicants must provide the Company with certification to the effect that the total of the application for Shares subject of the Application Form and any other Shares applied for by the applicant under a share purchase plan or similar arrangement in the 12 months prior to the application (including any Shares which the applicant has instructed a Custodian to acquire on their behalf under a share purchase plan including this Share Purchase Plan or similar

arrangement) does not exceed \$15,000. Joint holders are counted as a single shareholder for the purposes of determining entitlements. A joint holder who receives more than one offer under the Share Purchase Plan due to multiple registered holdings (including both sole and joint holdings) may only apply for up to \$15,000 of shares in total.

Applications counted in determining whether the \$15,000 limit would be exceeded include application made through a Custodian or other nominee. The Application Form includes a statement that the acceptance by the Company of the application will not result in the applicant acquiring Shares under this Offer (or under any other share purchase plan of the Company or similar arrangement) with an application price totalling more than \$15,000 in the prior 12-month period. The statement also applies to applications made by BPAY.

CUSTODIANS

A registered shareholder who is a Custodian holding Shares on behalf of two or more beneficial holders as at the Record Date may acquire multiple parcels with an application price totalling up to \$15,000 (319,148 Shares) on behalf of distinct beneficiaries, subject to compliance with the procedures and certification requirements set out in ASIC CO 09/425. In addition, where requested by the Company, Custodians must provide evidence satisfactory to the Company of distinct holdings when accepting the Offer under this Share Purchase Plan. Custodians must establish that the issue of Shares applied for on behalf of a beneficiary will not result in the beneficiary acquiring Shares under this Offer (or under any other share purchase plan of the Company or similar arrangement) with an application price totalling more than \$15,000 in the 12-month period prior to an application under this Share Purchase Plan.

Custodians must obtain a separate Custodian Schedule from the Company or the Company's Share Registry if they wish to accept multiple parcels on behalf of distinct beneficiaries. The lodgement of the personalised Application Form which accompanies this Offer may be treated by the Company as an acceptance by the holder named on the form and not as being made on behalf of distinct beneficiaries.

When requesting a Custodian Schedule from the Company or the Company's Share Registry, Custodians must allow time for the dispatch, completion and return of the form. Requests should be made in writing via email at corporateactions@boardroomlimited.com.au. Requests made on or after the fifth business day before the Closing Date may not result in the separate Application Form being received in sufficient time to allow for lodgement before 5pm AEDT on the Closing Date.

If you are unsure whether you are a Custodian for the purposes of this Offer, you should obtain independent legal advice.

EXCLUDED APPLICANTS

A Shareholder who alone or with its associates would obtain an interest in more than 20% of the issued voting shares of the Company may be ineligible to accept an offer under this Share Purchase Plan. The Company reserves the right to refuse an application if the applicant (alone or with its associates) would obtain an interest in more than 20% of the issued voting shares of the Company. The Company may amend any application received such that the applicant's interest alone or with its associates is no more than 20% of the issued voting shares of the Company. In the event that an application is adjusted, the Company will refund to the applicant by cheque without interest the difference between the application monies received by the Company and application monies payable for the number of Shares actually issued to the applicant.

Only shareholders whose address in the Company's register of members is in Australia and New Zealand may apply. Regardless of their address in the register, applicant's resident in countries outside Australia and New Zealand should consult their professional advisers as to whether any governmental or other consent are required or whether formalities need to be observed to enable them to apply for and accept Shares.

Only applicants registered as a shareholder in the Company's register of members at 7pm AEDT on the Record Date may apply.

Accordingly, this document does not constitute an offer of Shares in any place in which, or to any person to whom, it would not be lawful to make such an offer. Return of an Application Form or payment of application monies will be taken by the Company to constitute a representation by the applicant that there has been no breach of such requirements.

BROKERAGE

No brokerage is payable by applicants in respect of applications or the issue of Shares to applicants under this Share Purchase Plan. The Company may pay brokerage in respect of applications lodged via brokers of existing shareholders which will not exceed 1.5% of the relevant applications.

ENQUIRIES

You should seek independent legal and/or financial advice if you are in any doubt about the terms of this Offer or whether to accept this Offer.

If you have any questions about this Offer or how to accept this Offer, please contact your stockbroker or professional adviser, or the Company's Joint Company Secretary, Mr Steven Bliim on (02) 8412 8200.
