Company

Visible path to breakeven cash flows

- Mix of cost reduction and revenue growth (growth in core classifieds and upsell revenues) expected to accelerate path to cash breakeven
 - Mexico and Ecuador being managed for cashflow growth
 - Peru currently approx. cashflow breakeven

Positive leading indicators point to strong outlook

- Record organic online traffic growth in the 12 months to 30 September 2017 of +107% (Mexico), 64% (Ecuador) and 31% (Peru) SEO & Direct traffic for Sep-17 compared to Sep-16².
- Partnerships with dealer associations driving new dealer customer numbers

Leveraged to fast growing, high margin upsell products

- +794% growth in upsell product unit volumes since Jan 2017
- Outlook is strong, as existing dealers increase take-up rates and new dealers sign onto the LAA platform
- Upsell products are high margin and expected to substantially contribute to revenue and EBITDA growth

Strong growth in organic traffic

Organic traffic growth has grown significantly, benefitting from network effects in core markets and strategic partnerships

Organic Traffic Growth (SEO & Direct rebased to 100)

- Record organic online traffic growth in the 12 months to 30 September 2017 of +107% (Mexico), 64% (Ecuador) and 31% (Peru)¹
- Strategic partnership with ANCA driving new dealer subscriptions²

Strong revenue growth momentum

Key revenue Trends

Revenue – Mexico (MXNm)

Historical revenue growth momentum was over 80% since 1H15.

Upsell Products are expected to provide an even greater inflection point in revenue and profitability growth.

MEXICO REVENUE PERFORMANCE

- **Strong revenue growth.** 83% growth from 1H15 until 1H17

Revenue – Ecuador (USDm)

ECUADOR REVENUE PERFORMANCE

- **Strong revenue growth.** 88% growth from 1H15 until 1H17

Business turnaround and transformation

AREAS OF TRANSFORMATION	2016	2017
1 STRATEGY	- Targetting 4 markets Mexico, Argentina, Ecuador and Peru - Growth primarily from traditional classifieds revenue streams	- Focused on core markets of Mexico and Ecuador - Growth from classifieds but particularly from high margin Upsell Products such and finance and insurance
2 FINANCIAL	- Building market share through investment in marketing, brand, people - Record local currency revenue growth in Mexico (+62%) Argentina (+61%), Peru (+31%), Ecuador (+29%)	- Restructure completed to focus resources on high prospect markets Mexico and Ecuador, and profitability +50% increase in cash receipts, and 46% decrease in cash outflows from core markets
3 MARKET POSITION	- Mexico (seminuevos.com) 3.1x larger than closest competitor - Ecuador (patiotuerca.com) dominant market position	- Mexico (seminuevos.com) extends lead to be 3.5x larger than closest competitor (revenues basis) - Ecuador (patiotuerca.com) maintains dominant market position
4 PROFITABILITY	Path to profitability driven by growth in dealer revenues, advertising and private listings	- Exponential growth of finance and insurance products through our dealer sales channel - Dealer ARPU has potential to materially increase due to introduction of Upsell Products
5 ORGANIC GROWTH	- Significant marketing investment in 2016 - Offline marketing campaign through BTL, radio and billboards	Resultant growth in organic traffic in Mexico (+107%), Ecuador (+64%) and Peru (31%)

High growth in sales of finance, insurance and telematics

LAA has experienced strong initial growth in demand for its high margin auto finance and insurance products

Total Upsell Product Sales (Unit Sales per month in Ecuador and Mexico)

Upsell Products unit sales include: finance and transaction services, connected car and data analytics, insurance products, car certification

YTD Gross Margins of Upsell Products

Upsell products expected to make a substantial contribution to revenue growth and EBITDA improvement in 2H17

- Ongoing penetration of high margin Upsell Products further enhances the market leading position of our classifieds business by adding to our value proposition with customers and increasing network effects of our market leading position
- LAA's strategic partnership with ANCA (national Mexican used car dealer association) has been particularly positive

Growth driver #1 - rising internet penetration

Average internet penetration in LatAm Autos key markets c. 59% in 2016 and growing rapidly toward Australia's internet penetration of 88% the populations

Internet penetration (% of population)¹

Industry overview

- Internet penetration in Latin America expected to **accelerate from 50% toward 80% faster than the comparable Australian period**
 - Invention of smartphones will accelerate penetration due to lower cost barriers to entry
 - Latin American government policies are focused on increasing internet penetration
 - Global technologies supporting internet roll-out (satellite, fibre optics) have greatly improved and been made more efficient
 - An increasingly digitised global economy will force uptake for expanding Latin American businesses
- Smartphone contract costs in Mexico have reduced materially over the last 18 months due to deregulation and competition from the incoming AT&T

Growth driver #2 - increasing market share

Case Study Mexico: Seminuevos.com (LAA) leading the market

Revenue Evolution Analysis¹

- LAA owns the number 1 auto classifieds platform in Mexico
- LAA has grown its Mexican business seminuevos.com 81% since acquisition
- Mexico auto classifieds market has revenue potential to be \$232 million²

Similarweb Audience Comparison³

Seminuevos (LAA) has more traffic than its closest auto-dedicated competitor in Mexico based on:

- Total traffic: 5.0x more traffic
- Organic traffic: 3.9x more traffic
- Inorganic traffic: 7.5x more traffic

Growth driver #3 - high upsell earnings leverage

LAA is highly leveraged to high margin, fast-growing upsell product sales, which generate up to 6.3x the revenue of traditional dealer subscription revenue.

LAA focusing its efforts on most profitable products

- LAA to focus on driving upsell product sales in its core growth markets of Mexico and Ecuador
- Mexico is expected to be LAA's key growth driver
- Upsell Products expected to make a substantial contribution to revenue growth and EBITDA improvement in 2H17

New and Used Vehicles' Market Sales in Mexico²

Cumulative Value of Weekly Loan Applications Since Launch in Mexico

Source: Management estimates assuming 5% market share. 2. For new cars, source: AMDA, 2016. Used cars potential market calculated as 3 used cars per each new car.

- Total new car sales in Mexico were 1.6m in 2016, of which 67% were financed representing a 27% y-o-y growth
- Industry estimates assume total used car sales is ~3x new car sales, therefore ~4.8m used car sales in 2016
- Assuming 50% are financed, this implies a market potential of 2.4m used car sales p.a. which means there is potential for 2x the number of financed used cars compared to the current new car finance market
- Achieving a 5% share of the potential used car financing market, translates to gross revenue to LAA of A\$74m
- MotorCredit, LAA's proprietary auto finance product for used cars, is backed by leading banks in each market. MotorCredit in Mexico has 80%+ margins for LAA
- MotorCredit was launched in Ecuador in Dec-16 and Mexico in May-17
- By the end of Sep-17, MotorCredit has received US\$29m worth of loan applications in Mexico
- Revenue to LAA from each successful loan application is **equivalent to 6.3x new car dealers customers** with our classifieds only package (assuming average ARPU)

Significant addressable market opportunities

Mexican market leader with a revenue opportunity of up A\$232m

Mexico

- **Competitive Position:** LAA has been investing in Seminuevos.com for almost 3 years and is a clear leader¹ (2.6x traffic, 3,5x¹ revenue and 1.7x listings versus #2)
- **Increase in Organic Traffic % yoy²:** 107%. Fundamental for any leading classifieds business, strong growth further evidence of market leadership
- **Revenue Opportunity:** “In Mexico revenue could grow ...to as much as \$232 million”³
- **Population GDP/Capita⁴:** 127.5m/GDP per capita \$8,201. Mexico is the Latin America’s second largest economy behind Brazil
- **Total Cars compared to Australia⁵:** 37.4 million (LAA market’s total vehicle fleet= 2.4x the size of Australia).
- **Internet Penetration:** 59.5%⁶ (LAA markets’ total internet users= 4.9x the size of Australia).

Substantial mismatch in valuation versus potential market size given clear market leading position amongst dedicated auto classifieds businesses

LAA presents at ANCA conference

How has your experience with the Seminuevos.com products been so far?

"Very good, it has helped us bring customers closer to us, to let them know us better, and obviously this results in more sales"

■ Increase in Car Sales – faster inventory turnover

"Through Seminuevos.com's support, the number of sales will increase to 500 vehicles sold per month. We would be talking about a 40% growth in our sales."

Manager

■ Buyers come immediately asking for the financing product

"We have seen a lot of people interested in the financing product. We see how different sellers approach Seminuevos.com's advisers for the paperwork, and how the buyers [...] come immediately to ask about it."

Manager

■ Key takeaways from the interview

- *Leads from the platform have increased ~40%¹ during the past 4 weeks, quality leads... MotorDEALER App is wonderful "made for dummies", it only takes 5 minutes to upload a car*
- *Selling insurances is a great idea, it was the missing piece for dealers to close the cycle*
- *Versatility, range of products, quality of service and support throughout the vehicle's sales process are some of the qualities of Seminuevos.com*

1. Assuming same growth rate as vehicle sales per month

* Proforma financials are calculated as statutory financials excluding impacts from discontinuing Argentinian operations. Share based payments are deducted from both Statutory EBITDA and Proforma EBITDA

- LAA's statutory financial results were materially impacted by the closure of the Argentinian operations in 1H17
- Excluding the results of the Argentinian operation (and share based payments) the Company increased revenues by 4% and decreased EBITDA loss by 12% on PCP
- 2H17 is expected to be substantially stronger than 1H17 as it will be the first period that most of the Upsell Products will be sold for a full six-month period in both Mexico and Ecuador

Outlook and key catalysts

Focus on key markets	▪ Mexico is expected to be LAA's key growth driver. Upsell Product sales volumes growth expected to continue, despite interruptions from earthquake in September ▪ 4.8 million used car sales p.a. in Mexico, MotorCredit used car finance a huge opportunity
Leading market position	▪ First mover advantage, leading market positions and high entry barriers in key geographies ▪ Leveraging its customer channels to become the one stop shop for car buyers, further participating in the car buying transaction itself
Disciplined capital management	▪ Mix of cost reduction and revenue growth (growth in core classifieds and upsell revenues) expected to accelerate path to breakeven - Mexico and Ecuador being managed for cashflow growth - Panama and Peru currently approx. cashflow breakeven
Visibility on breakeven	▪ Strong revenue growth momentum by multiple growth drivers: the impact of the restructure (is driving Mexico and Ecuador to cashflow positive, whilst reducing expenditure to Panama and Peru to cash breakeven); strong organic online traffic flows; and strong sales momentum in high margin and Upsell Products. ▪ Targeting cash flow breakeven during 2H 2018
Strong Balance Sheet	▪ Strong cash position of A\$5.4m at 30 September 2017, all proceeds from convertible note received ▪ Company successfully restructured, focused on revenue growth and getting to breakeven
