### **AURORA ABSOLUTE RETURN FUND (FUND)**

The estimated Net Asset Value (**NAV**) per Unit of the Fund including franking credits as at 27 October 2017 was \$0.6850.

The Fund has an exposure to Molopo Energy Limited (**MPO**) through its investment in the Aurora Fortitude Absolute Return Fund (**the Trust**). The Trust has valued its exposure to MPO at its last trading price of \$0.14 (on 27 October 2017) in accordance with the Trust's Valuation and Unit Pricing policy. At that valuation it represents approximately 35% of the value of the assets of the Trust.

Unit holders should note the Trust's announcement on 10 July 2017 that the Takeovers Panel has made orders for MPO shares held by the Trust to be vested in the Commonwealth and sold by a broker appointed by the Australian Securities and Investments Commission within 6 months, with the proceeds of sale (net of costs) being paid to the Trust. 28,225,523 of the 31,858,152 MPO shares held by the Trust (approximately 88.6%) are to be vested. Unit holders should understand there is inherent uncertainty in the NAV of the Trust (and, therefore, the NAV of the Fund), due to the final outcome of the MPO share sale process being unknown.

Unitholders should also note that the Trust has made a takeover offer (**Offer**) for the shares in MPO. Unitholders can monitor ongoing developments on the Offer through the ASX platform (ASX:MPO).
