### **About Sensera Limited (ASX: SE1):**

Sensera is rapidly growing a sensor-based location and situation awareness organisation that provides end-to-end sensor solutions and services in the rapidly growing world of the Internet of Things (IoT). Sensera manufactures a family of proprietary microsensors and sensor systems that serve the Medtech, Industrial, Animal Wellness and Mine Safety and Productivity markets. The Company's nanotron division provides hardware that enables sophisticated location and wellness tracking for farm animals (a US\$5 billion market) and mine safety and collision avoidance (a \$3 billion market), where its wireless tracking solution enable a series of services to clients worldwide.

Shares in Sensera Limited (ASX: SE1) are traded on the Australian Securities Exchange (ASX). For more information, please visit our website: [www.sensera.com](http://www.sensera.com). Any forward-looking statements in this announcement are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company, its directors and management.
