#### **Appendix 3Y – Change of Directors Interest Notice – Andrew Barkla**

IDP Education Limited today lodged an Appendix 3Y which refers to ordinary shares and performance rights issued to Andrew Barkla under the IDP Education Employee Incentive Plan.

IDP Education advises that the Company has failed to lodge the required Appendix 3Y with the ASX within the prescribed time period.

The late lodgement of the Appendix 3Y has arisen due to an administrative error whereby the application of the ASX requirement to securities issued under the IDP Education Employee Incentive Plan had not been adequately addressed. This breach does not relate to any trading of IEL shares but to the conversion of service rights to ordinary shares, and the issue of performance rights and service rights under the IDP Employee Incentive Plan.

The Company is committed to compliance with the ASX Listing Rules, including Rules 3.19A and 3.19B. The Company's obligations under these rules have now been clarified and internal procedures have been amended to ensure future compliance.

Yours faithfully
