

GENTRACK RESULTS
FOR THE FULL YEAR TO
30 SEPTEMBER 2017

IMPORTANT NOTICE

This presentation contains forward-looking statements. Forward-looking statements often include words such as 'anticipate', 'expect', 'plan' or similar words in connection with discussions of future operating or financial performance.

The forward-looking statements are based on management's and directors' current expectations and assumptions regarding Gentrack's business and performance, the economy and other future conditions, circumstances and results. As with any projection or forecast, forward-looking statements are inherently susceptible to uncertainty and changes in circumstances. Gentrack's actual results may vary materially from those expressed or implied in its forward-looking statements.

This presentation includes unaudited financial information for the year ended 30 September 2017. Audited financial statements will be issued on 30 November 2017.

DELIVERING CONSISTENT RESULTS

- Continuous organic growth
- Strategic growth acquisitions
- Consistent dividend growth since IPO

DIVISIONAL ANALYSIS

UTILITIES

● Utilities delivered strong growth, up 42% on FY16.

The utilities business now occupies first or second market share position for billing and CIS solutions in our three chosen markets.

Our addressable market has increased to include new market entrants and tier one energy suppliers.

AIRPORTS

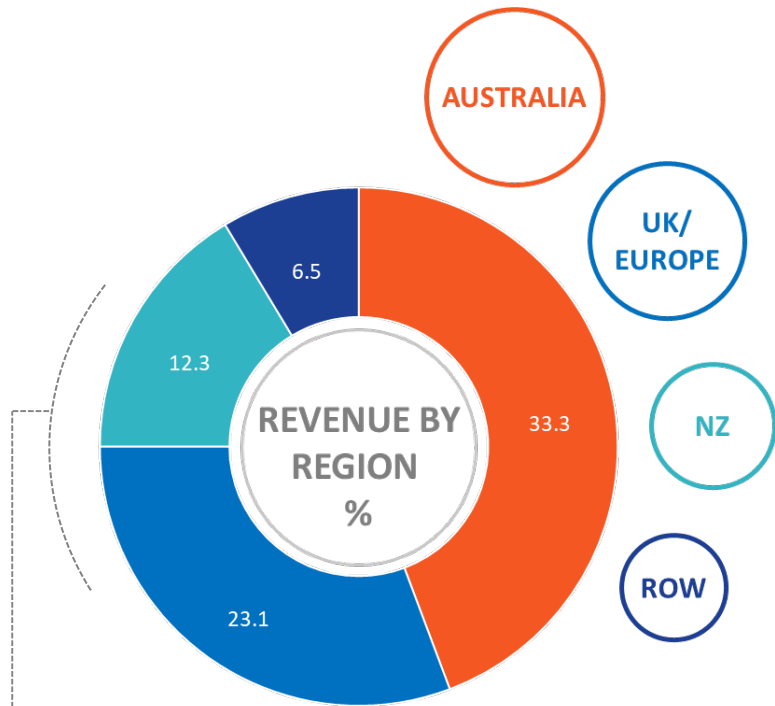

● Airports grew revenues by 44%.

Acquisitions expanded the airports solution offering to cover passenger experience and revenue management – areas of significant focus for this sector.

Airports EBITDA up 60% on FY16.

GEOGRAPHIC ANALYSIS

REVENUE BY REGION NZD\$

- Australia Energy regulatory reform driving growth
- UK/Europe Addition of new customers to the Junifer platform
Largest European utility selects Velocity – initial project in Romania
- ROW First customer in Singapore and new offices to support Southeast Asia operation.

REVENUE TYPE ANALYSIS

● Licence growth was 92%

● 90%+ of revenues are from existing customers

● Recurring revenues grew by 43%.

GLOBAL RESOURCE GROWTH

FY18 OUTLOOK

- Continued growth in FY18 driven by ongoing energy and water market reforms in Australia, UK and Singapore
- Targeting 15%+ long term EBITDA growth albeit results in any given year may be impacted by the timing of projects
- Increasing delivery of value from recent strategic growth acquisitions
- Expanded R&D program to deliver against medium and long-term growth strategy
- New Gentrack Headquarters in Auckland and expansion of offices in Melbourne and London to support ongoing resource growth.

GENTRACK CORE COMPETENCIES FOR UTILITIES

BILLING

We excel at meeting complex Billing needs, at scale across Domestic, SME and Commercial/Industrial sites.

MARKET INTERACTIONS

We have a deep understanding of complex market interactions and enable utilities to stay compliant and connected.

CUSTOMER INFORMATION

We hold a utility's core customer information and support them in managing the relationship.

METERING

We understand meter data and how modern utilities can leverage it for new services.

BRINGING JUNIFER TO AUSTRALIA AND NEW ZEALAND

Smart billing and CRM for new entrant energy retailers

- Out of the box meter-to-cash capabilities
- SaaS and Cloud enabled
- Onboard with ease and scale quickly
- Localised for market regulatory frameworks
- Extending Gentrack's local footprint:
 - NZ: 24% of retail brands
 - Australia: 20% of retail brands
