19 January 2018

## Strong Quarter on Quarter Growth in Transaction Processing Continues

### Highlights:

- Transaction Processing Revenue increases 93% in the quarter
- December Quarter's processing revenues \$339k
- Continued growth expected in this segment

**Novatti Group Limited** (ASX: NOV, “Novatti” or the “Company”) is pleased to announce that its transaction processing business has continued to acquire merchants and consumer usage such that Novatti's unaudited processing revenues grew from \$175,000 to \$339,000 from the September to December quarters.

“We have invested strongly into the creation of multiple transaction processing revenue streams which create great long term value for Novatti. We aim to continue with strong growth in this area, largely working off a fixed cost base for such operations.” said Peter Cook, Chief Executive Officer of Novatti.
