*You must complete the relevant sections (attach sheets if there is not enough space).*

- |   |   |  |
|---|---|--|
| 1 | +Class of +securities issued or to be issued  | Performance rights   |
| 2 | Number of +securities issued or to be issued (if known) or maximum number which may be issued   | 738,000  |
| 3 | Principal terms of the +securities (e.g. if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion) | <p>The performance rights are issued to the CFO under the Company's Long-Term Incentive Plan (<b>LTIP</b>). The LTIP rules were summarised in the Company's Notice of Meeting dated 8 September 2017.</p> <p>A summary of the key terms of the performance rights is as follows:</p> <ul style="list-style-type: none"> <li>the performance rights will only vest if the participant has maintained continuous employment with the Godfreys Group for the entire performance period, being from 4 December 2017 until 3 December 2020 (inclusive) (<b>Performance Period</b>), subject to the LTIP rules.</li> </ul> |

- The percentage of performance rights that will vest following the Performance Period will depend on Godfreys' relative total shareholder return (**RTSR**) over the Performance Period, relative to a comparator group. If Godfreys' RTSR is:
  - less than median of the comparator group, no performance rights will vest;
  - at median of the comparator group, 50% of the performance rights will vest;
  - between median and the 75th percentile of the comparator group, a straight-line pro rata vesting of between 50% and 100% of the performance rights will occur; and
  - greater than 75th percentile of the comparator group, 100% of the performance rights will vest.
- Each performance right gives the holder the right to acquire one fully paid ordinary share, or to be paid a cash amount of equivalent value (at the Board's discretion) upon vesting.
- The Board may determine at its discretion whether some or all unvested performance rights lapse.

- 4 Do the +securities rank equally in all respects from the +issue date with an existing +class of quoted +securities?

If the additional +securities do not rank equally, please state:

- the date from which they do
- the extent to which they participate for the next dividend, (in the case of a trust, distribution) or interest payment
- the extent to which they do not rank equally, other than in relation to the next dividend, distribution or interest payment

The performance rights will not be quoted or rank equally with any class of quoted securities. However, fully paid ordinary shares issued upon exercise of the performance rights will be quoted, and will rank equally with all other ordinary shares then on issue in the Company.

- 5 Issue price or consideration

No cash consideration is payable by the holder for the issue of the performance rights, or on the issue of the underlying performance shares upon the vesting of the performance rights.
